

Online Banking for Trust & Corporate Service Providers

FEBRUARY 2024

Investec Bank (Channel Islands) Limited offer a safe and secure facility to Trust & Corporate Service Providers to view and manage their clients accounts online.

Key features

- Available 24/7
- Real-time balance and transactional information going back 10 years
- Ability to view Related Parties on each client
- Automated download of balances and transactions
- Ability to instruct payments via file upload
- Portfolio information on our execution only custody service – details of holdings, valuations and history of purchases and sales, including zero holdings
- Management Information reports. Balance and transactional information and Related Party information, with full details of persons/entities linked to clients as well as tax reporting information
- Extensive search facilities – Client/Account/Transactions
- Branded prints
- Exports to CSV
- Third party enquiry access
- SWIFT prints for inward and outward payments
- User maintenance – you can appoint online System Administrators within your organisation who can set up and maintain view/input user profiles
- Secure, real-time payment functionality – Domestic and International SWIFT payments, BACS, Internal Transfers and Foreign Exchange transactions.

How it works

- Web-based – no installation of software required, no limit on number of users who can log on from any location
- Secure 'https' site with VeriSign SSL Extended Validation Certificate
- Ability to implement Multi-Factor authentication for all user access
- 2 Factor authentication via digipass token for payment approval
- Dedicated support team based in Guernsey.

Direct Swift

If your company is a member of the Swift network you may be able to instruct payments and receive statements via Swift. Please contact us for more information on this service.
