Commenting on the less than 80% vote received for the Group's Remuneration Report and Remuneration Policy

The Group has engaged extensively over the past few months on the implementation of its remuneration report for the financial year ended 31 March 2020, and the proposed remuneration policy for the financial year ending 31 March 2021.

The Group remains committed to its remuneration principles which include:

- Setting stretched but realistic targets prospectively;
- Disclosing all targets (Short-term Incentive and Long-term Incentive) prospectively; and
- Ensuring remuneration outcomes are reflective of business performance.

The Board and Remuneration Committee welcomes the broad shareholder support for the Remuneration Report and Remuneration Policy, but will be mindful of the proportion of votes against in the future application of the remuneration policy and when reviewing the policy itself.
