Why invest in the fund

Alignment and participation in co-investment arrangement – the Fund has a unique right to co-invest with Investec Bank Limited (“IBL”), a premier and experienced credit originator in South Africa.

Access – the Fund provides the investor with access to a diversified exposure to assets that are not readily available in the market and is complementary to traditional fixed income securities.

Diversification – the Fund provides diversified exposure across a range of issuers, sectors, credit ratings and maturities.

Yield and volatility – the Fund provides the investor with access to a portfolio that is likely to achieve a relatively attractive yield with low volatility and is not sensitive to increasing interest rates as the assets are floating rate in nature.

Risk management – Investec Specialist Investments (RF) Limited has a rigorous investment process that aims to reduce the risk to the investor over the life-cycle of the investment.

The Fund is managed by an experienced team of investment professionals.

Regulatory

The Fund is managed as a Qualified Investor hedge fund according to BN52 of Collective Investment Schemes Control Act and available to qualified investors only. The Fund prescribes to the principles of best execution and the Risk Management Framework incorporates best practice for the management of liquidity, credit, counterparty and operational risk.

Important information: Investec Specialist Investments (RF) Ltd (Reg. No 2016/006142/06) is a registered and approved Manager in a QI Hedge Fund Collective Investment Scheme. Collective investment schemes are medium- to long-term investments. Investors should be aware that investing in a financial product entails a level of risk, which depends on the nature of investment. The merits of any investment should be considered together with the specific risk profile and investment objectives. Past performance is not necessarily an indication of future performance. The value of investments may go down as well as up and is therefore not guaranteed. Fluctuations or movements in exchange rates may cause the value of underlying investments to go up or down. The portfolio is valued at closing prices on the last day of the month. The cut off time for processing investment transactions is 10h00 on the last business day of the month in order to enable processing for the first day of the following calendar month. Participatory interests are calculated on a NAV basis by determining the total market value of all assets in the fund, including any income accruals, less any permissible deductions in terms of the Act, divided by the number of units in issue. Participatory interests are on investor statements are thus net of all fees. A schedule of fees and charges and maximum commissions is available from the Manager on request. Collective investments are traded at ruling prices and can engage in borrowing and scrip lending. Performance is calculated for the portfolio and the individual investor performance may differ as a result of initial fees, actual investment date, date of reinvestment and dividend withholding tax. The Manager has a right to close the portfolio to new investors in order to manage it more efficiently in accordance with its mandate. Prices are published monthly on our website and local media as appropriate. Additional information, including but not limited to, Key Investor Information Documents, Application form, terms and conditions, hedge fund disclosures, Minimum Disclosure Document, as well as other information relating to the portfolio is available, free of charge, on request from the manager or on the website. The document should not be seen as an offer to purchase any specific product and is not to be construed as advice or guidance in any form whatsoever. Investors are encouraged to obtain independent professional advice before investing in a product.
