- 29.1 The client undertakes to sign or execute any documentation as may from time to time be required by Investec arising from any telephonic, internet or mobile banking conducted by the client with Investec. The client expressly consents to Investec taking whatever security precautions it may consider for such purposes and for purposes of recording instructions from the client (including the recording of telephone conversations between the client and employees of Investec, with or without use of an automatic tone warning device). The client agrees that Investec's recordings will be sufficient evidence of the instructions or conversations so recorded and that Investec may deliver copies or transcripts of such recordings to any court or regulatory authority. Investec is not required to maintain copies of such recordings and transcripts
- 29.2 With regard to instructions given or received by electronic medium, the client requests and authorises Investec to rely on and act in accordance with any instruction which may from time to time be, or purport to be, given by the client in its name. In authorising Investec to rely on and act in accordance with any instruction given by electronic medium, the client acknowledges that electronic medium is an inherently unreliable medium of communication and that such unreliability is beyond the control of Investec. The client acknowledges that as a result of such unreliability there may be delays in the transmission and receipt of instructions or other information and that this may result in delays in the execution of instructions sent by electronic medium. The client further acknowledges and agrees that, generally, it will not be possible to cancel or revise an electronic instruction after it has been given
- 29.3 Without prejudice to the above, the client agrees that Investec may deem any such instruction purported to be given by the client as authentic, valid and properly executed on the client's behalf and that it will be binding on the client, notwithstanding that such instruction may have been made without or in excess of authority from the client and/or any error, misunderstanding, fault, forgery or lack of clarity may have been made or contained in the terms of such instruction. Investec will be entitled to rely on and act in accordance with, instructions received from any person authorised or allegedly authorised to access or use the account, the account number and/or the card number, by virtue of any authority, resolution, mandate or power of attorney ("authority") provided by the client or nominee to Investec, unless such authority has been specifically cancelled by the client in writing and Investec has acknowledged such cancellation in writing or otherwise
- 29.4 The client acknowledges that information transmitted by electronic medium is susceptible to monitoring and interception. The client is therefore discouraged from transmitting to Investec any information which may be confidential, proprietary or secret. **The client will bear all risk of transmitting such information in this manner and under no circumstances will Investec be liable for any loss, harm or damage suffered by the client as a result thereof. Investec reserves the right to request independent verification of any information transmitted by electronic medium and the client consents to such**

verification from whatsoever source should Investec deem it necessary

- 29.5 Investec requests that no unsolicited confidential or proprietary information be sent to Investec. Any such unsolicited information or material sent to Investec will be deemed not to be confidential, unless otherwise agreed in writing by Investec. Notwithstanding the aforementioned and subject to the agreement, Investec will not send or forward any personal client information to any party, unless obliged to do so by law. The client's attention is drawn to the fact that any email sent by Investec to the client will not be encrypted and Investec is not liable for any loss suffered by the client resulting from any email Investec sends to the client, unless the loss is caused by Investec's gross negligence or fraud

30. Jurisdiction

To the extent permissible in law, the client hereby consents and submits for purposes of Investec taking legal steps to enforce any of its rights in terms of the agreement, to the jurisdiction of any division of the High Court. This does not prevent Investec from bringing legal proceedings in any court that has jurisdiction.

31. Severability

The parties agree that the setting aside or suspension of any provision contained in the agreement will not render the agreement void, but such provision will be severed from the agreement or altered by a court or tribunal of competent jurisdiction (if it is reasonable to do so having regard to the agreement as a whole).

32. General

- 32.1 A certificate signed by any manager of Investec specifying the amount owing by the client to Investec and further stating that such amount is due, owing and payable by the client to Investec, will be sufficient (prima facie) proof of the amount thereof and of the fact that such amount is so due, owing and payable for the purpose of obtaining provisional sentence or other judgment in any competent court. It will not be necessary to prove the appointment of the person signing any such certificate
- 32.2 Notwithstanding anything to the contrary in the agreement, Investec will be entitled to amend the terms and conditions from time to time by giving the account holder reasonable prior notice of any such change
- 32.3 The notice referred to in clause 32.2 will give the account holder an opportunity to terminate the agreement in accordance with the provisions of clause 3 before the new terms and conditions apply. If the main account holder continues to use the account after the new terms and conditions begin to apply, the amended terms and conditions will apply to the account

- 32.4 No amendment or consensual cancellation of the agreement by the client and no settlement of any dispute arising under the agreement and no extension of time, waiver or relaxation or suspension of any of the terms and conditions of the agreement or any estoppel against Investec will be binding on Investec, unless recorded in a written document signed by Investec and the client. Any such extension, waiver, relaxation, suspension or estoppel which is so given or made will be strictly construed as relating only to the matter in respect whereof it was made or given
- 32.5 No party will be bound by any express or implied term, representation, warranty, promise or the like not recorded in the agreement. The client will immediately inform Investec of any change of name, status or other details provided by the client, in particular if he or she has applied for debt review, is under an administration order, business rescue proceedings, liquidation, sequestration or any other form of insolvency (whether provisional or final) or is about to or has emigrated. Investec will be entitled but not obliged to refuse to act on instructions given by the client using a different name or in circumstances where Investec is aware of any change in detail or status, until Investec is provided with the necessary documentary proof to its satisfaction
- 32.6 The client warrants that all information given to Investec by the client, whether in terms of any application form, authority or payment instruction or via any service provided by Investec, or otherwise, shall be accurate and correct and shall constitute sufficient proof of the facts contained therein. **Investec will be entitled to rely on any such information given as contemplated in this clause 32 and will not be liable howsoever in the event that it relies on or uses such information**
- 32.7 The agreement is confined to the use of the card and the account. Any access to and use of any other product or service provided or offered by Investec or the Investec Group through whatever medium of access available (including without limitation Investec Online and the Investec App as well as mobile payment services) is subject to and governed by whatever terms and conditions apply to such products, services and access media ("**ancillary conditions**"). The client acknowledges that to access and use such other products and services, the client shall be obliged to comply with the ancillary conditions. Investec will be entitled, but not obliged, to refuse to process any transaction or to act on any instructions given by the client until the client has complied with the ancillary conditions. **Investec will not be liable for any loss suffered or expense incurred by the client as a result of any such refusal**
- 32.8 The existence of a link or reference from the website to any other website, web pages or other content or service does not constitute Investec's recommendation or approval thereof
