 - (ii) claim the Gross-Up Amount and deliver the assessment referred in paragraph 5.2(a) above within one year from the occurrence of the relevant Gross-Up Event.
- (c) Paragraph (a) above shall not apply:

 - (ii) to the extent a Gross-Up Amount is attributable to the wilful breach by the Programme Preference Shareholder, any Unit Holder or any of its Affiliates of any Applicable Law or regulation; or
 - (iii) where any Preference Dividend paid or payable by the Issuer to the Programme Preference Shareholder is deemed to be an amount of income in terms of section 8E(2) of the South African Income Tax Act solely by reason of the Programme Preference Shareholder or any of its Affiliates, without the written consent of the Issuer (given or withheld in its sole discretion), having entered into any agreement or arrangement which results in the Programme Preference Shares being or becoming a "hybrid equity instrument" as envisaged in section 8E of the South African Income Tax Act; or
 - (iv) where any Preference Dividend paid or payable by the Issuer to the Programme Preference Shareholder is deemed to be an amount of income in terms of section 8EA(2) of the South African Income Tax Act solely by reason of the Programme Preference Shareholder or any of its Affiliates, without the written consent of the Issuer (given or withheld in its sole discretion), having entered into any agreement or arrangement which results in the Programme Preference Shares being or becoming a "third-party backed share" as envisaged in section 8EA of the South African Income Tax Act; or
 - (v) to the extent the Programme Preference Shareholder or Unit Holder could lawfully avoid (but has not so avoided) any tax on the Preference Dividend arising as the consequence of the occurrence of a Gross-Up Event by complying with any statutory requirements in force at the relevant time or by making a declaration or other claim or filing for exemption to which it is entitled to the relevant tax authority; or
