

Gary Sayers Brief CV

Qualifications: CA (SA), B Compt (CTA) – UNISA, Bachelor of Commerce (Hons Accountancy) – University of Kwazulu Natal, Bachelor of Commerce - University of Kwazulu Natal, Member (SAICA) – South African Institute of Chartered Accountants

Gary is a Chartered Accountant and an experienced executive financial director with over 20 years' experience, providing value as the key financial and strategic partner at profitable, high-growth, entrepreneurial, international and Southern African companies. He is experienced at running early-stage start-up businesses while managing extensive regulatory oversight and King IV level corporate governance requirements. This experience includes multiple exposures to Africa and the rest of the world and establishing an off-shore investment banking Head Office from scratch. Gary has project managed the successful acquisition of strategic funding for the implementation of corporate strategy and liquidity on behalf of both corporate and SME clients. Gary is also a non-executive director and Audit Committee chair, servicing the boards of a number of Securitisation Special Purpose Vehicles. He judged the Fintech Top 100 Companies awards at the Finance Indaba in 2016 and 2017. In addition, Gary founded a financial services consulting business in 2016 through which he is able to deliver value to stakeholders at both the strategic and operational levels.
