For the avoidance of doubt, the Issuer shall not be obliged to pay compensation in any form to the Tier 2 Noteholders following a Write Off of such Tier 2 Notes in accordance with this Condition 6.7 (*Write Off of Tier 2 Notes upon a Trigger Event*).
- 6.7.6 Where only a Relevant Part of a Tier 2 Note is Written Off (and such Tier 2 Note is therefore only partly Written Off):

- 6.8.1 neither the Write Off nor the failure by the Issuer to pay any amounts Written Off which would have been payable to the relevant Tier 2 Noteholder of the Tier 2 Notes but for the Write Off, will amount to a breach of the Issuer's obligations under the Note Terms and Conditions and/or constitute an Event of Default under the Note Terms and Conditions, and the relevant Tier 2 Noteholders will have no claims of whatsoever nature against the Issuer as a result of a Write Off or Conversion;
- 6.8.2 no lawful actions of whatsoever nature in connection with and/or as a result of the occurrence of a Trigger Event taken by the Issuer in accordance with, and/or to give effect to, the Regulatory Capital Requirements and any other Applicable Law, regulation or guidance note, circular or directive issued by the Relevant Authority and/or written instructions received from the Relevant Authority will amount to a breach of the Issuer's obligations under the Note Terms and Conditions and/or constitute an Event of Default under the Note Terms and Conditions or entitle any Tier 2 Noteholder to avoid Write Off of the relevant Tier 2 Notes pursuant to a Relevant Authority's Trigger Event Notice requiring such Write Off;
- 6.8.3 no other delay by the Issuer in meeting its obligations under Conditions 6.6 (*Notification of Trigger Event*) and 6.7 (*Write Off of Tier 2 upon a Trigger Event*) will constitute an Event of Default under the Note Terms and Conditions or entitle any Tier 2 Noteholder to avoid Write Off of the relevant Tier 2 Notes pursuant to a Relevant Authority's Trigger Event Notice requiring such Write Off; and
- 6.8.4 any write off of other instruments of the Issuer which constitute Regulatory Capital in accordance with the Regulatory Capital Requirements and any other Applicable Law, regulation, guidance note, circular or directive issued by the Relevant Authority and/or written instructions received from the Relevant Authority shall likewise not amount to a breach of the Issuer's obligations under the Note Terms and Conditions and/or constitute an Event of Default under the Note Terms and Conditions.

If the Issuer exercises the Amendment Option timeously, the Contractual Write Off Condition will cease to apply and the Tier 2 Notes will be subject to such minimum requirements of the Statutory Loss Absorption Regime required to ensure that such Tier 2 Notes continue to qualify as Tier 2 Capital with effect from the Amendment Date. If the Amendment Option is not exercised by the Issuer, then the Tier 2 Notes will not be subject to the Statutory Loss Absorption Regime and the Contractual Write Off Condition will continue to apply to the Tier 2 Notes.

6.9.3 For the avoidance of doubt, if a Trigger Event occurs on or after the date on which the Contractual Write Off Condition is disappplied, the Relevant Authority or the Issuer following written instructions from the Relevant Authority, may take such action in respect of the Tier 2 Notes as is required or permitted by such Statutory Loss Absorption Regime.”;

"10.15 Conditions to redemption, purchase, cancellation or modification of Subordinated Capital Notes

10.15.1 Notwithstanding any other provisions of this Condition 10 (*Redemption and Purchase*) and subject as provided below, for so long as the applicable Regulatory Capital Requirements so require Tier 2 Notes (which at the time of redemption, purchase, cancellation or modification constitute Tier 2 Capital) may only be redeemed, purchased or cancelled (in each case, in whole or in part) prior to the Maturity Date or modified, at the option of the Issuer, and only if:

- (a) the Issuer has notified the Relevant Authority of, and the Relevant Authority has consented in writing to, such redemption, purchase, cancellation or modification, as the case may be, subject to such conditions (if any) as the Relevant Authority may deem appropriate (in any case, only if and to the extent that such notification or consent is required in terms of the Regulatory Capital Requirements) (subject to any prescribed notice periods with which the Issuer may need to comply, if any, in the Regulatory Capital Requirements);
- (b) the redemption, purchase, cancellation or modification, as the case may be, of the Tier 2 Notes is not prohibited by the Regulatory Capital Requirements (including any prohibitions on redemption prior to the lapsing of a minimum initial period of issue in the Regulatory Capital Requirements);
- (c) in the case of redemption, purchase or cancellation, as the case may be, unless the Relevant Authority is satisfied that the Issuer is duly capitalised above the minimum capital requirements after the redemption, purchase or cancellation, the Issuer concurrently replaces the Tier 2 Notes being redeemed, purchased or cancelled with

capital of similar or better quality and the replacement of capital is done at conditions that are sustainable for the income capacity of the Issuer; and

- (d) both at the time when the notice of redemption or modification is given and immediately following such redemption or modification, as the case may be, the Issuer is or will be, as the case may be, in compliance with its capital adequacy requirements as provided in the Regulatory Capital Requirements (except to the extent that the Relevant Authority no longer so requires), as confirmed by the Relevant Authority.

10.15.2 Subject to the applicable Regulatory Capital Requirements, Tier 2 Notes may be redeemed at maturity, provided that, for so long as is required by the Regulatory Capital Requirements, Tier 2 Notes shall have a minimum Maturity Period of 5 (five) years and 1 (one) day and accordingly, the Maturity Date specified pursuant to Condition 10.1 (*Scheduled Redemption*) shall comply with this requirement.

10.15.3 For the avoidance of doubt, references in this Condition 10.15 (*Conditions to redemption, purchase, cancellation or modification of Subordinated Capital Notes*) to purchase and/or cancellation do not contemplate any purchases and/or cancellation required to give effect to a Write Off of Tier 2 Notes in accordance with Condition 6 (*Status of Notes*).";

12. the replacement of Condition 10.12 titled "*Purchases*" on page 58 of the Programme Memorandum with the following new Condition 10.12 titled "*Purchases*":

"10.12 Purchases

Subject to Condition 10.15 (*Conditions to redemption, purchase, cancellation or modification of Subordinated Capital Notes*) and the Regulatory Capital Requirements in the case of Subordinated Capital Notes, the Issuer or any of its subsidiaries or any subsidiaries of its holding company may at any time purchase Notes (including all unmatured Coupons and Receipts) at any price in the open market or otherwise. No proscribed entity referred to in the Regulatory Capital Requirements may purchase, acquire or hold any Subordinated Capital Notes. In the event of the Issuer purchasing Notes, such Notes may (subject to restrictions in any Applicable Law, including the Regulatory Capital Requirements) be held, resold or, at the option of the Issuer, cancelled. The Issuer shall not have any voting rights on any Notes repurchased or otherwise held by it.";

13. the replacement of the reference to "*Condition 11.5 (Method of Payment)*" in Condition 11.8(a) under Condition 11.8 titled "*Interpretation of principal and interest*" under Condition 11 titled

"Payments" on page 62 of the Programme Memorandum with a reference to "Condition 12 (Taxation)";

14. the replacement of Condition 12.3 under Condition 12 titled "Taxation" on page 62 with the following new Condition 12.3:

"12.3 In such event, the Issuer will, subject to the Issuer's right to redeem such Notes in terms of Condition 10.2 (*Redemption following the occurrence of a Tax Event (Gross Up) or Tax Event (Deductibility) or Change in Law*), pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, as the case may be, in the absence of such withholding or deduction except that no such additional amounts shall be payable with respect to any Note:

12.3.1 held by or on behalf of a Noteholder, who is liable for such Taxes or duties in respect of such Note by reason of the Noteholder's having some connection with South Africa other than the mere holding of such Note or the receipt of principal or interest in respect thereof; or

12.3.2 held by or on behalf of a Noteholder who could lawfully avoid (but has not so avoided) such withholding or deduction by complying with any statutory requirements or requirements of an administrative nature imposed by the South African revenue authorities in force from time to time, including, without limitation, by making a declaration of non-residence or other similar claim for exemption to which it is entitled to the relevant tax authority or the Paying Agent (the effect of which is not to require the disclosure of the identity of the relevant Noteholder); or

12.3.3 held by or on behalf of a Noteholder who could lawfully reduce (but has not so reduced) such withholding or deduction by complying with any statutory requirements or requirements of an administrative nature imposed by the South African revenue authorities in force from time to time, including, without limitation, by making a declaration of non-residence or other similar claim for the reduction to which it is entitled to the relevant tax authority or the Paying Agent (the effect of which is not to require the disclosure of the identity of the relevant Noteholder), provided that this exceptions shall only apply to that portion of the withholding or deduction which could lawfully have been so reduced; or

12.3.4 held by or on behalf of a Noteholder to the extent that such party could lawfully reduce the amount of taxation otherwise levied or

leviable upon the principal or interest by virtue of the application of any tax treaty or non-South African tax laws applicable to such Noteholder, whether by way of a Tax credit, rebate deduction or reduction equal to all or part of the amount withheld or otherwise, and whether or not it is actually claimed and/or granted and/or allowed and in these circumstances the additional amount shall only be payable to the extent that such amount could not be so reduced; or

- 12.3.5 where such withholding or deduction is in respect of Taxes levied or imposed on interest or principal payments only by virtue of the inclusion of such payments in the income or taxable income (as defined in section 1 of the Income Tax Act) or capital gain (as contemplated in paragraph 3 of Schedule 8 to the Income Tax Act) or taxable capital gain (as defined in paragraph 1 of Schedule 8 to the Income Tax Act) of any Noteholder; or
- 12.3.6 more than 30 (thirty) days after the Relevant Date except to the extent that the Noteholder thereof would have been entitled to an additional amount on presenting the same for payment on such 30th (thirtieth) day; or
- 12.3.7 if such withholding or deduction arises through the exercise by revenue authorities of special powers in respect of disputers or alleged tax defaulters; or
- 12.3.8 if such withholding or deduction arises in terms of the US Foreign Account Tax Compliance Act ("FATCA") or the rules of U.S. Internal Revenue Code Sections 1471 through 1474 (or any amended or successor legislation or provisions), any regulations or agreements thereunder, official interpretations thereof, any intergovernmental approach thereto, or implementing legislation adopted by another jurisdiction in connection with FATCA and/or the aforementioned rules; or
- 12.3.9 where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC (or any other directive implementing the conclusions of the 2312th Economic and Financial Affairs Council (ECOFIN) meeting of 26 and 27 November 2000) on the taxation of savings income or any law implementing or complying with, or introduced in order to confirm to, such directive; or
- 12.3.10 where any combination of the scenarios or occurrences contemplated in Condition 12.3.1 to 12.3.9 occurs.

Any reference in these Note Terms and Conditions to any amounts in respect of the Notes shall be deemed also to refer to any additional amounts which may be payable under these Note Terms and Conditions or under any undertakings given in addition to, or in substitution for, these Note Terms and Conditions.”;

15. the insertion of the following new Condition 12.4 immediately after Condition 12.3 (amended pursuant to paragraph 15 above) under Condition 12 titled “*Taxation*” on page 62 of the Programme Memorandum:

“12.4 If the Issuer becomes subject generally at any time to any taxing jurisdiction, authority or agency other than or in addition to South Africa, references in this Condition 12 (*Taxation*) and in the definitions of “Tax Event (Deductibility)”, “Tax Event (Gross up)”, “Tax Law Change” and “Taxes” shall be read and construed as references to South Africa and/or to such other jurisdiction, authority or agency.”

16. the deletion of the words “*Subject to Condition 6.3 (Regulatory Capital Requirements and Additional Conditions),*” at the beginning of Condition 14.2 under Condition 14 titled “*Events of Default*” on page 64 of the Programme Memorandum, and the replacement of all references to “*Subordinated Notes*” therein (including in the heading of Condition 14.2) with references to “*Subordinated Notes (that are not Subordinated Capital Notes)*”;
17. the insertion of the following new Condition 14.3 titled “*Tier 2 Notes*” immediately after Condition 14.2 titled “*Subordinated Notes (that are not Subordinated Capital Notes)*” (amended pursuant to paragraph 17 above) on page 64 of the Programme Memorandum:

“14.3 Tier 2 Notes

14.2.1 This Condition 14.3 (*Tier 2 Notes*) applies only to Tier 2 Notes, is only for the benefit of Tier 2 Noteholders and is subject to Condition 6.8 (*No default*).

14.3.2 Notwithstanding any of the provisions below in this Condition 14.3 (*Tier 2 Notes*), the remedies available to Tier 2 Noteholders in circumstances where payment of principal or interest (as the case may be) has become due and payable, but remains unpaid, are limited to the right to institute winding-up proceedings. If the Issuer fails to pay any amount due and payable in respect of any Tier 2 Notes and the failure to pay has continued for more than 10 (ten) Business Days following the service on the Issuer of a written notice requiring that breach to be remedied (unless such non-payment is caused by an administrative error or technical difficulties affecting the transfer of funds and is remedied within 3 (three) Business Days after the due date), any Tier 2 Noteholder may, subject to Condition 6.4 (*Status of Tier 2 Notes*), and subject as provided below, at its discretion and without

further notice, institute proceedings for the winding-up of the Issuer, but may not take any other action in respect of that default; provided that no action may be taken by a Tier 2 Noteholder if the Issuer withholds or refuses to make any such payment in order to comply with any Applicable Law or to comply with any order of a court of competent jurisdiction. Where there is doubt as to the validity or applicability of any such Applicable Law or order, the Issuer will not be in default if it acts on the advice given to it by independent legal advisers of recognised standing during the aforementioned grace period.

- 14.3.3 If an order is made or an effective resolution is passed for the winding-up of the Issuer (other than pursuant to a Solvent Reconstruction), each Tier 2 Noteholder may, by written notice to the Issuer as its Specified Office, effective upon the date of receipt thereof by the Issuer, declare the Tier 2 Notes held by such Tier 2 Noteholder to be forthwith due and payable whereupon those Tier 2 Notes shall become forthwith due and payable at the Early Redemption Amount, together with accrued interest (if any) to the date of payment, subject to Condition 6.4 (*Status of Tier 2 Notes*) and specifically Condition 6.4.3 (*Subordination*), provided that no such action may be taken by a Tier 2 Noteholder if the Issuer withholds or refuses to make any such payment in order to comply with any Applicable Law or to comply with any order of court of competent jurisdiction.
- 14.3.4 Without prejudice to Conditions 14.3.2 and 14.3.3 above, if the Issuer breaches any of its obligations under the Tier 2 Notes (other than any payment obligation arising out of or in connection with the Tier 2 Notes, including but not limited to in respect of the payment of principal or interest on such Tier 2 Notes), then each Tier 2 Noteholder may, at its discretion and without further notice, but subject to the Regulatory Capital Requirements, bring such proceedings as it may think fit to enforce the obligation in question, provided that the Issuer shall not, as a result of the bringing of any such proceedings, be obliged to pay any sum representing or measured by reference to principal or interest on or satisfy any other payment obligation in relation to such Tier 2 Notes earlier than the same would otherwise have been payable by it.
- 14.3.5 The rights of the holder of a Tier 2 Note shall be subject to any condition which requires such Tier 2 Note to be Written Off upon the occurrence of a Trigger Event in accordance with the applicable Regulatory Capital Requirements in respect of Tier 2 Notes (and subject further to the Regulatory Capital Requirements, including such Additional Conditions (if any) as are prescribed by the

Relevant Authority in respect of a Tranche of Tier 2 Notes) and as further contemplated in Conditions 6.3 (*Regulatory Capital Requirements and Additional Conditions*) to 6.9 (*Disapplication of Contractual Write Off Condition*)."; and

18. the insertion of the following new Condition 21.3 immediately after Condition 21.2 under Condition 21 titled "*Modification*" on page 72 of the Programme Memorandum:

"21.3 Any modification of the Note Terms and Conditions applicable to Subordinated Capital Notes in accordance with this Condition 21 (*Modification*) is subject, if and to the extent that such consent is required under the Regulatory Capital Requirements, to the Issuer obtaining the consent of the Relevant Authority."

The disclosures set out in the Programme Memorandum are amended in relation to this Tranche of Tier 2 Notes by:

1. the insertion of the following new subparagraph immediately after the subheading "APPROVALS" in the section of the Programme Memorandum titled "*General Information*" on page 134 of the Programme Memorandum:

"Notes, the proceeds of which are intended to qualify as Regulatory Capital, to be issued under the Programme are "*debt instruments*" as contemplated by section 79(1)(b) of the Banks Act. Accordingly, the Issuer requires the consent of the Registrar of Banks in accordance with section 79(1)(b) of the Banks Act and Regulation 38 of the Regulations Relating to Banks, for permission to issue Notes the proceeds of which are intended to qualify as Regulatory Capital under the Programme.";

2. the replacement of the section of the Programme Memorandum titled "*South African Taxation*" with **Annexure 3** titled "*South African Taxation*" hereto; and
3. the replacement of the contact details of the legal advisers to the Issuer, Arranger, Dealer and debt sponsor on page 146 of the Programme Memorandum with the following details:

ANNEXURE 3: SOUTH AFRICAN TAXATION

Capitalised terms used in this section headed "South African Taxation" shall have the same meanings as defined in the Applicable Terms and Conditions, unless they are defined in this section or this is clearly inappropriate from the context.

The information contained below is intended to be a general guide to the relevant tax laws of South Africa as at the Programme Date and does not purport to describe all of the considerations that may be relevant to a prospective purchaser of Securities. South African tax legislation is subject to frequent change and accordingly the comments as set out below may be subject to change, possibly with retrospective effect. Prospective purchasers of Securities should consult their own professional advisers in regard to the purchase of Securities and the tax implications thereof. Accordingly, the Issuer makes no representation and gives no warranty or undertaking, express or implied, and accepts no responsibility for the accuracy or completeness of the information contained in this section. The content of this section constitutes a summary of certain aspects of the relevant South African tax laws as at the Programme Date and does not constitute tax advice, and persons should consult their own professional advisors.

Securities Transfer Tax

The issue, transfer and redemption of the Notes will not attract securities transfer tax ("STT") under the Securities Transfer Tax Act, 2007 (as amended from time to time) (the "STT Act") because the Notes do not constitute "securities" as defined in the STT Act. Any future transfer duties and/or taxes that may be introduced in respect of (or applicable to) the transfer of Notes will be for the account of holders of the Notes.

Value-Added Tax

No value-added tax ("VAT") is payable on the issue or transfer of the Notes or the Programme Preference Shares. The issue, sale or transfer of the Notes or the Programme Preference Shares constitute "financial services" as contemplated in section 2 of the Value-Added Tax Act, 1991 (as amended from time to time) (the "VAT Act"). In terms of section 2 of the VAT Act, the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of a debt security as well as the issue, allotment or transfer of ownership of an equity security or a participatory security, and the buying and selling of derivatives constitute financial services, which are exempt from VAT in terms of section 12(a) of the VAT Act.

Where financial services as contemplated in section 2 are however rendered to non-residents who are not in South Africa at the time the services are rendered, such services will be subject to VAT at the zero rate in terms of section 11(2)(l) of the VAT Act. Commissions, fees or similar charges raised for the facilitation of the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of Notes that constitute "debt securities" as defined in section 2(2)(iii) of the VAT Act will be subject to VAT at the standard rate (currently 14% (fourteen percent)), except where the recipient is a non-resident in which case such commissions, fees or similar charges may be subject to VAT at a zero rate as contemplated above.

Income Tax

Under current taxation law effective in South Africa, a “resident” (as defined in section 1 of the South African Income Tax Act, 1962 (as amended from time to time) (the “**Income Tax Act**”)) is subject to income tax on his/her world-wide income. Accordingly, all holders of Notes who are residents of South Africa will generally be liable to pay income tax, subject to available deductions, allowances and exemptions, on any income (including income in the form of interest) earned in respect of the Notes.

Non-residents of South Africa are subject to income tax on all income derived from a South African source (subject to domestic exemptions or relief in terms of an applicable double taxation treaty).

Interest income is from a South African source if that amount constitutes “interest” as defined in section 24J of the Income Tax Act where that interest:

1. is attributable to an amount incurred by a person that is a South African tax resident, unless the interest is attributable to a permanent establishment which is situated outside South Africa; or
2. is received or accrues in respect of the utilisation or application in South Africa by any person of funds or credit obtained in terms of any form of interest-bearing arrangement.

Accordingly, if the interest payments in respect of the Notes are from a South African source as set out above, the interest earned by a Noteholder will be subject to South African income tax unless such interest income is exempt from South African income tax under section 10(1)(h) of the Income Tax Act (*see below*).

Under section 24J of the Income Tax Act, broadly speaking, any discount or premium to the Nominal Amount of a Tranche of Notes is treated as part of the interest income on the Notes. Interest income which accrues (or is deemed to accrue) to the Noteholder is deemed, in accordance with section 24J of the Income Tax Act, to accrue on a day to-day basis until that Noteholder disposes of the Notes or until maturity. The day to day basis accrual is determined by calculating the yield to maturity and applying it to the capital involved for the relevant tax period. The interest may qualify for exemption under section 10(1)(h) of the Income Tax Act.

Under section 10(1)(h) of the Income Tax Act, interest received by or accruing to a Noteholder who, or which, is not a resident of South Africa during any year of assessment is exempt from income tax, unless:

1. that Person is a natural person who was physically present in South Africa for a period exceeding 183 (one hundred and eighty-three) days in aggregate during the 12 (twelve) month period preceding the date on which the interest is received or accrues by or to that Person; or
2. the debt from which that interest arises is effectively connected to a permanent establishment of that Person in South Africa.

If a holder does not qualify for the exemption under Section 10(1)(h) of the Income Tax Act, an exemption from, or reduction of any income tax liability may be available under an applicable double taxation treaty.

In terms of section 24JB of the Income Tax Act, specific provisions dealing with the taxation of “financial assets” and “financial liabilities” of “covered persons”, as defined in section 24JB of the Income Tax Act, apply with effect from 1 January 2014 in respect of years of assessment ending on or after this date. If section 24JB applies to the Notes, the tax treatment of the acquisition, holding and/or disposal of the

Notes will differ from what is set out in this section. Noteholders should seek advice from their own professional advisors as to whether these provisions may apply to them.

Certain entities may be exempt from income tax. Prospective subscribers for or purchasers of Notes are advised to consult their own professional advisors as to whether the interest income earned on the Notes will be exempt under section 10(1)(h) of the Income Tax Act or whether they constitute entities that are exempt from income tax.

Section 8F of the Income Tax Act applies to "*hybrid debt instruments*", and section 8FA of the Income Tax Act applies to "*hybrid interest*", as these terms are defined in the Income Tax Act. Sections 8F and 8FA provide that interest incurred or accrued on a hybrid debt instrument and hybrid interest are, for purposes of the Income Tax Act, deemed to be a dividend *in specie*. If either of these provisions applies, the tax treatment of the interest paid under the Notes will differ from what is set out in this section and such payments may be subject to dividends tax as a result of the deemed classification as dividends *in specie*. These provisions apply from 1 April 2014 in respect of amounts incurred on or after this date. The provisions of sections 8F and 8FA will not apply where the instrument, or the instrument in respect of which any interest is owed, constitutes a tier 1 or tier 2 capital instrument referred to in the regulations issued in terms of section 90 of the Banks Act and which is issued by a bank as defined in section 1 of the Banks Act, or by a controlling company in relation to that bank.

Prospective subscribers for or purchasers of Notes are advised to consult their own professional advisors to ascertain whether the abovementioned provisions may apply to them.

The disposal of the Notes may give rise to income tax implications for any Noteholder that is a resident of South Africa. In respect of non-resident Noteholders, income tax implications may arise should the Notes so disposed of be attributable to a South African permanent establishment of such Noteholder. Prospective subscribers for or purchasers of Notes are advised to consult their own professional advisors to ascertain whether a disposal of the Notes will result in a liability to income tax.

Capital Gains Tax

The provisions relating to capital gains tax apply in respect of the disposal of any asset by certain taxpayers. The word "*dispose*" is defined in the Eighth Schedule to the Income Tax Act to include, *inter alia*, any action by virtue of which an asset is created, transferred, varied or extinguished. If an asset was acquired, is held and will be disposed of on a speculative basis or as part of a scheme of profit making, the gain should generally be subject to normal tax. Capital gains tax is imposed at lower effective rates in comparison to income tax.

Residents are subject to capital gains tax on all capital gains realised on the disposal of any assets held on a worldwide basis. A non-resident is subject to capital gains tax only in respect of capital gains which are realised from the disposal of (i) "*immovable property*" (as such term is defined in the Income Tax Act) situated in South Africa or any interest or right of whatever nature of such non-resident to or in immovable property situated in South Africa (as such term is defined in paragraph 2(2) of the Eighth Schedule to the Income Tax Act, being, in essence, equity shares in certain companies, the principal assets of which are "*immovable property*" located in South Africa), or (ii) assets effectively connected with a permanent establishment of that non-resident in South Africa. A "*permanent establishment*" is defined (in section 1 of the Income Tax Act) as a permanent establishment as from time to time defined in article 5 of the

Model Tax Convention on Income and Capital of the Organisation for Economic Co-operation and Development, with some additions.

The disposal of Notes by residents of South Africa may give rise to capital gains tax implications.

The capital gains tax provisions will not apply to the extent that the holder of the Notes constitutes a "covered person", as defined in section 24JB of the Income Tax Act, and section 24JB of the Income Tax Act (see above) applies to the Notes.

Any discount or premium on acquisition of the Notes which has already been treated as interest for income tax purposes under section 24J of the Income Tax Act (see above) will not be taken into account when determining any capital gain or loss. Under section 24J(4A) of the Income Tax Act a loss on disposal or redemption of the Notes will, to the extent that it has previously been included in taxable income (as interest), be allowed as a deduction from the income of the holder when it is incurred and accordingly will not give rise to a capital loss.

Capital gains tax under the Eighth Schedule to the Income Tax Act will not be levied in relation to Notes disposed of by a Person who is not a resident of South Africa unless the Notes disposed of are effectively connected with a permanent establishment of that Person in South Africa.

Prospective subscribers for or purchasers of Notes are advised to consult their own professional advisors as to whether a disposal or redemption of Notes will result in a liability to capital gains tax.

Withholding Tax

The withholding tax ("WHT") on interest payments from a South African source (see above) to non-residents at the rate of 15% (fifteen percent) came into effect on 1 March 2015. The WHT on interest applies to interest that is paid or that becomes due and payable on or after this date.

To the extent that any interest is paid to Noteholders who are South African tax residents, the WHT on interest will not apply.

The WHT on interest does not, however, apply to payments made to non-resident Noteholders in respect of any interest paid by a "bank" (defined as, *inter alia*, any bank as defined in section 1 of the Banks Act), provided there is not a "back-to-back" arrangement between any non-resident Noteholder and the bank. The WHT on interest does not apply to payments of interest made in respect of any "listed debt", which is defined as debt that is listed on a recognised exchange. The JSE Limited constitutes a recognised exchange in accordance with paragraph 1 of the Eighth Schedule to the Income Tax Act. Other exemptions may apply to interest payments made to non-resident Noteholders.

If interest paid to a Noteholder does not qualify for an exemption under the WHT on interest provisions, an exemption from, or reduction of, any WHT on interest liability may be available under an applicable double taxation treaty.

Documentary requirements exist in order to rely on certain of the exemptions from, or reductions in the rate of, the WHT on interest.

Prospective subscribers for or purchasers of Notes are advised to consult their own professional advisors as to whether the payment of any interest in respect of the Notes will result in a liability for the WHT on interest.

Definitions

The references to "*interest*" and "*dividend*" above mean "*interest*" and "*dividend*" respectively as understood in South African tax law. The statements above do not take account of any different definitions of "*interest*", "*dividends*" or "*principal*" which may prevail under any other law or which may be created by the Applicable Terms and Conditions or any related documentation.

References to "*person*" above shall mean "*person*" within the meaning given in section 1 of the Income Tax Act.

ANNEXURE 4: ADDITIONAL RISK FACTORS APPLICABLE TO THIS TRANCHE OF TIER 2 NOTES

Subordination

The Issuer's obligations under the Tier 2 Notes will be unsecured and subordinated and will, in the event that the Issuer is placed into liquidation or is wound-up, be subordinated to the claims of Depositors and all creditors in respect of the obligations of the Issuer that are expressed to rank senior to the obligations of the Issuer under the Tier 2 Notes (the "**Senior Obligations**").

If the Issuer is wound-up or put into liquidation or curatorship, the Tier 2 Noteholders will not be entitled to any payments of principal or interest in respect of the Tier 2 Notes until the claims of all the creditors in respect of Senior Obligations which are admissible in any such winding-up or liquidation have been paid or discharged in full. If the Issuer does not have sufficient assets at the time of winding-up or liquidation to satisfy its Senior Obligations, then the Tier 2 Noteholders will not receive any payment in respect of the Tier 2 Notes.

No restrictions on the issuance of securities or indebtedness which ranks senior or *pari passu* to Tier 2 Notes

There is no restriction on the amount of securities or indebtedness which the Issuer may issue or incur which rank senior to, or *pari passu* with, the Tier 2 Notes. The issue of any such securities or indebtedness may reduce the amount recoverable by the Tier 2 Noteholders on a winding-up, liquidation or curatorship of the Issuer.

Limited rights of acceleration

The remedies available to Tier 2 Noteholders in circumstances where payment of principal or interest (as the case may be) has become due and payable, but remains unpaid, are limited to the right to institute winding-up proceedings, but may not take any other action in respect of that default. If an order is made or an effective resolution is passed for the winding-up of the Issuer (other than pursuant to a Solvent Reconstruction), each Tier 2 Noteholder may, by written notice to the Issuer as its Specified Office, effective upon the date of receipt thereof by the Issuer, declare the Tier 2 Notes held by such Tier 2 Noteholder to be forthwith due and payable whereupon those Tier 2 Notes shall become forthwith due and payable.

Statutory Loss Absorption

If a Statutory Loss Absorption Regime is implemented in South Africa, then the Issuer shall have the option at any time prior to receipt by the Issuer of a Relevant Authority's Trigger Event Notice, by written notice to the Tier 2 Noteholders and to the Relevant Authority, to elect that the contractual Write Off conditions set out in **Annexure 2** shall cease to apply to the Tier 2 Notes and that the Statutory Loss Absorption Regime will apply to such Tier 2 Notes.

Write Off of principal and interest in respect of the Tier 2 Notes

If a Trigger Event occurs, then the Issuer shall, after receipt of a Relevant Authority's Trigger Event Notice in relation to that Trigger Event and in accordance with the Regulatory Capital Requirements, and if so instructed by the Relevant Authority, Write Off the Tier 2 Notes or the Relevant Part thereof, as the case

may be and Tier 2 Noteholders will no longer have any claims against the Issuer in respect of any amounts so Written Off.
