 - (III) is a Deliverable Obligation (other than a Loan) determined in accordance with paragraph (a) of the definition of Deliverable Obligation; or if no such obligation is available,
 - (IV) is a Loan (other than a Private-side Loan) which constitutes a Deliverable Obligation determined in accordance with paragraph (a) of the definition of Deliverable Obligation.
- (d) If more than one potential Substitute Reference Obligation is identified pursuant to the process described in paragraph (c) above, the Substitute Reference Obligation will be the potential Substitute Reference Obligation that most closely preserves the economic equivalent of the delivery and payment obligations of the Issuer under the Notes as determined by the Calculation Agent (after consultation with the Noteholders). The Calculation Agent will notify the Holders in accordance with Condition 34 (*Notices*) of the Substitute Reference Obligation as soon as reasonably practicable after it has been identified in accordance with paragraph and the Substitute Reference Obligation shall replace the Reference Obligation.
- (e) If a Substitution Event has occurred with respect to the Reference Obligation and the Calculation Agent determines (after consultation with the Noteholders) that no Substitute Reference Obligation is available for the Reference Obligation then, subject to paragraph (a) above and notwithstanding the fact that the Reference Obligation may have ceased to be the Reference Obligation in accordance with paragraph (b) above, the Calculation Agent shall continue to attempt to identify the Substitute Reference Obligation.

Substitution Date means, with respect to a Substitute Reference Obligation, the date on which the Calculation Agent notifies the Issuer of the Substitute Reference Obligation that it has identified in accordance with the definition of Substitute Reference Obligation above.

Substitution Event means, with respect to the Reference Obligation:

- (a) the Reference Obligation is redeemed in whole; or
- (b) the aggregate amounts due under the Reference Obligation have been reduced by redemption or otherwise below ZAR10,000,000 (or its equivalent in the relevant Obligation Currency, as determined by the Calculation Agent); or
- (c) for any reason, other than due to the existence or occurrence of a Credit Event, the Reference Obligation is no longer an obligation of the Reference Entity (either directly or as provider of a guarantee)

For purposes of identification of the Reference Obligation, any change in the Reference Obligation's CUSIP or ISIN number or other similar identifier will not, in and of itself, constitute a Substitution Event. If an event described in paragraphs (a) or (b) above has occurred on or prior to the Trade Date, then a Substitution Event shall be deemed to have occurred pursuant to paragraphs (a) or (b) above, as the case may be, on the Trade Date.

Substitution Event Date means, with respect to the Reference Obligation, the date of the occurrence of the relevant Substitution Event.

- 2) For purposes of the IVC132 Notes, condition 11 Substitute Reference Obligations, 11.1 and 11.2 shall be deleted and be replaced by the following:

The Calculation Agent will be responsible for determining (after consultation with the Noteholders), as soon as reasonably practicable after it becomes aware of the relevant Substitution Event (but no earlier than 14 (fourteen) calendar days after the Substitution Event Date), and with effect from the Substitution Event Date, a Substitute Reference Obligation will be determined in accordance with the above definition of "*Substitute Reference Obligation*". The Issuer shall notify the Noteholders of such calculation received from the Calculation Agent in accordance with Condition 25 (*Notices*).

- 3) For purposes of settlement of the IVC132 Notes, the Outstanding Principal Balance of the Reference Obligation shall include accrued but unpaid interest.
