Annexure 2

- 1) For purposes of the IVC067 Notes the definition of Substitute Reference Obligation shall be deleted and the following definitions shall be inserted:

Conforming Reference Obligation means a Reference Obligation which is a Deliverable Obligation determined in accordance with paragraph (a) of the definition of Deliverable Obligation below.

DC Resolution has the meaning given to that term the DC Rules.

DC Rules means the Credit Derivatives Determinations Committees Rules, as published by ISDA on its website at www.isda.org (or any successor website thereto) from time to time and as amended from time to time in accordance with the terms thereof.

DC Secretary has the meaning given to that term in the DC Rules.

Non-Conforming Reference Obligation means a Reference Obligation which is not a Conforming Reference Obligation.

Non-Conforming Substitute Reference Obligation means an obligation which would be a Deliverable Obligation determined in accordance with paragraph (a) of the definition of Deliverable Obligation above on the Substitution Date but for one or more of the same reasons which resulted in the Reference Obligation constituting a Non-Conforming Reference Obligation on the date it was issued or incurred and/or immediately prior to the Substitution Event Date (as applicable).

Private-side Loan means a Loan in respect of which the documentation governing its terms is not publicly available or capable of being made public without violating a law, agreement, understanding or other restriction regarding the confidentiality of such information.

Substitute Reference Obligation means, with respect to a Reference Obligation to which a Substitution Event has occurred, the obligation that will replace the Reference Obligation, determined by the Calculation Agent as follows:

- (a) The Calculation Agent shall (after consultation with the Noteholders) identify the Substitute Reference Obligation in accordance with paragraphs (c), (d) and (e) below to replace the Reference Obligation; provided that the Calculation Agent will not identify an obligation as the Substitute Reference Obligation if, at the time of the determination, such obligation has already been rejected as the Substitute Reference Obligation by the relevant Credit Derivatives Determinations Committee and such obligation has not changed materially since the date of the relevant DC Resolution.

If any of the events set forth under paragraphs (a)(i) or of the definition of Substitution Event have occurred with respect to the Reference Obligation, the Reference Obligation will cease to be the Reference Obligation (other than for purposes of the "Not Subordinated" Obligation Characteristic or "

- (b) Not Subordinated" Deliverable Obligation Characteristic and paragraph (c) (ii) below. If the event set forth in paragraph (a)(ii) of the definition of Substitution Event below has occurred with respect to the Reference Obligation and no Substitute Reference Obligation is available, the Reference Obligation will continue to be the Reference Obligation until the Substitute Reference Obligation is identified or, if earlier, until any of the events set forth under paragraphs (a)(i) or (a)(iii) of the definition of Substitution Event below occur with respect to such Reference Obligation.

- (c) The Substitute Reference Obligation shall be an obligation that on the Substitution Date:
- (i) is a Borrowed Money obligation of the Reference Entity (either directly or as provider of a guarantee);
 - (ii) satisfies the Not Subordinated Deliverable Obligation Characteristic as of the date it was issued or incurred (without reflecting any change to the priority of payment after such date) and on the Substitution Date; and
 - (iii) (A) if the Reference Obligation was a Conforming Reference Obligation when issued or incurred and immediately prior to the Substitution Event Date:
 - (I) is a Deliverable Obligation (other than a Loan) determined in accordance with paragraph (a) of the definition of Deliverable Obligation above; or if no such obligation is available,
 - (II) is a Loan (other than a Private-side Loan) which constitutes a Deliverable Obligation determined in accordance with paragraph (a) of the definition of Deliverable Obligation above;
 - (B) if the Reference Obligation was a Bond (or any other Borrowed Money obligation other than a Loan) which was a Non-Conforming Reference Obligation when issued or incurred and/or immediately prior to the Substitution Event Date:
 - (I) is a Non-Conforming Substitute Reference Obligation (other than a Loan); or if no such obligation is available
 - (II) is a Deliverable Obligation (other than a Loan) determined in accordance with paragraph (a) of the definition of Deliverable Obligation above; or if no such obligation is available,
 - (III) is a Non-Conforming Substitute Reference Obligation which is a Loan (other than a Private-side Loan); or if no such obligation is available,
 - (IV) is a Loan (other than a Private-side Loan) which constitutes a Deliverable Obligation determined in accordance with paragraph (a) of the definition of Deliverable Obligation above; or
 - (C) if the Reference Obligation was a Loan which was a Non-Conforming Reference Obligation when incurred and/or immediately prior to the Substitution Event Date:
 - (I) is a Non-Conforming Substitute Reference Obligation which is a Loan (other than a Private-side Loan); or if no such obligation is available,
 - (II) is a Non-Conforming Substitute Reference Obligation (other than a Loan); or if no such obligation is available,
 - (III) is a Deliverable Obligation (other than a Loan) determined in accordance with paragraph (a) of the definition of Deliverable Obligation above; or if no such obligation is available,
 - (IV) is a Loan (other than a Private-side Loan) which constitutes a Deliverable Obligation determined in accordance with paragraph (a) of the definition of Deliverable Obligation above.
- (d) If more than one potential Substitute Reference Obligation is identified pursuant to the process described in paragraph (c) above, the Substitute Reference Obligation will be the potential Substitute Reference Obligation that most closely preserves the economic equivalent of the delivery and payment obligations of the Issuer under the Notes as determined by the Calculation Agent (after consultation with the Noteholders). The Calculation Agent will notify the

AB
AA

Holders in accordance with Condition 34 (*Notices*) of the Substitute Reference Obligation as soon as reasonably practicable after it has been identified in accordance with paragraph and the Substitute Reference Obligation shall replace the Reference Obligation.

- (e) If a Substitution Event has occurred with respect to the Reference Obligation and the Calculation Agent determines (after consultation with the Noteholders) that no Substitute Reference Obligation is available for the Reference Obligation then, subject to paragraph (a) above and notwithstanding the fact that the Reference Obligation may have ceased to be the Reference Obligation in accordance with paragraph (b) above, the Calculation Agent shall continue to attempt to identify the Substitute Reference Obligation.

Substitution Date means, with respect to a Substitute Reference Obligation, the date on which the Calculation Agent notifies the Issuer of the Substitute Reference Obligation that it has identified in accordance with the definition of Substitute Reference Obligation above.

Substitution Event means, with respect to the Reference Obligation:

- (a) the Reference Obligation is redeemed in whole; or
- (b) the aggregate amounts due under the Reference Obligation have been reduced by redemption or otherwise below ZAR10,000,000 (or its equivalent in the relevant Obligation Currency, as determined by the Calculation Agent); or
- (c) for any reason, other than due to the existence or occurrence of a Credit Event, the Reference Obligation is no longer an obligation of the Reference Entity (either directly or as provider of a guarantee)

For purposes of identification of the Reference Obligation, any change in the Reference Obligation's CUSIP or ISIN number or other similar identifier will not, in and of itself, constitute a Substitution Event. If an event described in paragraphs (a)(i) or (ii) above has occurred on or prior to the Trade Date, then a Substitution Event shall be deemed to have occurred pursuant to paragraphs (a)(i) or (ii) above, as the case may be, on the Trade Date.

Substitution Event Date means, with respect to the Reference Obligation, the date of the occurrence of the relevant Substitution Event.

- 2) For purposes of the IVC067 Notes, condition 11 Substitute Reference Obligations, 11.1 and 11.2 shall be deleted and be replaced by the following:

The Calculation Agent will be responsible for determining (after consultation with the Noteholders), as soon as reasonably practicable after it becomes aware of the relevant Substitution Event (but no earlier than 14 (fourteen) calendar days after the Substitution Event Date), and with effect from the Substitution Event Date, a Substitute Reference Obligation will be determined in accordance with the above definition of "*Substitute Reference Obligation*". The Issuer shall notify the Noteholders of such calculation received from the Calculation Agent in accordance with Condition 25 (*Notices*).

- 3) For purposes of settlement of the IVC067 Notes, the Outstanding Principal Balance of the Reference Obligation shall include accrued but unpaid interest.
