This document constitutes the Applicable Pricing Supplement (Notes) relating to the issue of Notes described herein. Terms used herein shall be deemed to be defined as such for the purposes of the terms and conditions (the “**Terms and Conditions**”) set forth in the Programme Memorandum dated 18 October 2023 (the “**Programme Memorandum**”), as updated and amended from time to time. This Applicable Pricing Supplement (Notes) must be read in conjunction with such Programme Memorandum. To the extent that there is any conflict or inconsistency between the contents of this Applicable Pricing Supplement (Notes) and the Programme Memorandum, the provisions of this Applicable Pricing Supplement (Notes) shall prevail.

The link to the document setting out the risk factors relating to the Notes and the Issuer is specified in the Programme Memorandum. Prospective purchasers of any securities should ensure that they fully understand the nature of the securities and the extent of their exposure to risks, and that they consider the suitability of the securities as an investment in the light of their own circumstances and financial position.

Prospective purchasers of any Notes should ensure that they fully understand the nature of the Notes and the extent of their exposure to risks, and that they consider the suitability of the Notes as an investment in the light of their own circumstances and financial position. Specialist securities, such as the Indexed Notes, Credit Linked Notes, Equity Linked Notes, Equity Basket Notes, Fund Linked Notes and Portfolio Linked Notes (the “**Specialist Securities**”) involve a high degree of risk, including the risk of losing some or a significant part of their initial investment. Potential investors should be prepared to sustain a total loss of their investment in such Specialist Securities. The Specialist Securities represent general, unsecured, unsubordinated, contractual obligations of the Issuer and rank *pari passu* in all respects with each other. Purchasers are reminded that the Specialist Securities constitute obligations of the Issuer only and of no other person. Therefore, potential purchasers should understand that they are relying on the creditworthiness of the Issuer.
