Section 2 - Summary of Offering

Issuer:	Investec Bank Limited
Issuers Credit Rating:	“Aa3” for National Long Term Rating by Moodys “A+” for National Long Term Rating by Fitch
Sponsor:	Investec Securities (Pty) Ltd
Issue:	One Series of Hot Enhanced Dividend Securities (“HotEDS”)
Hot Enhanced Dividend Securities (“HotEDS”):	HotEDS are Warrants that confer the following rights on the Holder: <ol style="list-style-type: none">1. The right to buy one Underlying Parcel;2. The right to receive the Dividends to which the Holder of an Underlying Parcel would normally be entitled.
Cession:	<p>Upon the sale of each HotEDS, the Issuer, through its nominated group company, Investec Securities Limited, shall purchase one Underlying Parcel. Simultaneously with such purchase, the Issuer antecedently cedes to the Holder of the HotEDS, the right to receive any dividends which accrue to a Holder of a single Underlying Parcel. By its entering into a transaction in respect of the purchase of a HotEDS, the Holder thereof accepts such cession and agrees that any claim it may have in respect of such dividends shall be a claim against the Issuer of the Underlying Share. The Issuer hereby furthermore guarantees the performance of its nominated group company, Investec Securities Limited, in respect of the cession of such dividends and in terms of the antecedent cession above.</p> <p>The Holder of the HotEDS indemnifies the Issuer for any and all costs or losses which may arise out of a determination by the revenue authorities in respect of the tax treatment of the dividends which are ceded to it. The Holder further indemnifies the Issuer for any costs or losses which it incurs by virtue of a failure by Strate to deliver the dividends so ceded directly to it.</p>
Dividends:	<p>Means all the ordinary dividends declared and paid by the Issuer of the Underlying Share.</p> <p>In the event of a special dividend being declared and paid by the issuer of the Underlying Share, the Calculation Agent shall have sole discretion to either pay such dividend or adjust the terms of the HotEDS and in particular the Warrant/Investment Product Information Cover Page</p>
Stop-Loss Level:	A Stop-Loss Level means, in relation to the relevant Series, the level set out in the Schedule to Section 2, subject to adjustment, if applicable.
Stop-Loss Event:	Where, on any Business Day up to and including the Expiration Date, the closing price of the Underlying Parcel as quoted on the JSE Limited is equal to or less than the Stop-Loss Level.

Effect of Stop-Loss Event: Immediately upon the occurrence of the Stop-Loss Event, but subject to the discretion of the Issuer, the HotEDS will automatically lapse with the Holder thereof being entitled to receive the Rebate.

The Listing of this Issue will automatically terminate and the Holder shall, as of that date, have no claim against the Issuer for delivery of the Underlying Parcel or to any further dividends in respect of the Underlying Parcel.

For the avoidance of doubt, in the event that a Stop-Loss Event occurs on or after the last day to trade in respect of any dividend declared by the issuer of the Underlying Parcel, the Holders will not be entitled to receive dividends in respect of such declared dividend, notwithstanding any previous announcement by the Issuer to the contrary.

Rebate: An amount per Underlying Parcel determined as the excess (if any) of the Termination Price over the Exercise Price when the Warrants terminate.

Termination Price: The arithmetic average of the Daily Volume Weighted Average Price of the Underlying Parcel for the 2 (two) Business Days immediately following the Termination Date.

Termination Date: The Business Day on which the Stop Loss Event occurs.

Settlement of Rebate: The Rebate (if any) will be settled in cash 5 (five) Business Days after the determination of the Rebate by the Calculation Agent.

Daily Volume Weighted Average Price: means an amount, as determined by the Calculation Agent in its sole discretion, achieved by dividing the total value of the Underlying Share traded on the JSE on a particular day by the total volume of the Underlying Share traded on the JSE during the same day. Any transactions in the Underlying Share representing transactions not entered into directly through the Trading System but which are subsequently captured into the Trading System shall be excluded for the purpose of determining the Volume Weighted Average Price. In making such determination the Calculation Agent shall determine whether a transaction should be included or omitted for this purpose

Effect of Potential Adjustment Event: Following the declaration of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Shares and, if so, will, subject to approval of the JSE,

- (i) make the corresponding adjustment, if any, to the Stop-Loss Level, the Exercise Price, or any of the terms of these Conditions as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and
- (ii) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange.

Potential Adjustment Event: means any of the following:

- a) a subdivision, consolidation, or reclassification of Shares (unless a Merger Event, but including any unbundling or de-merger) or a free distribution or dividend of any Shares to existing shareholders by way of bonus, capitalisation or similar issue or any cash payment or distribution to shareholders whatsoever;
- b) a distribution of dividend whenever and in whatever form to existing shareholders of (a) Shares or (b) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Company or equally or proportionately with such payments to shareholders or (c) any other type of securities, rights or warrants or other assets, in any case for payment (in cash or otherwise) at less than the prevailing market price as determined by the Issuer;
- c) a call in respect of Shares that are not fully paid;
- d) a repurchase of Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise; or
- e) any other event having, in the sole determination of the Calculation Agent, a diluting or concentrative effect on the theoretical value of the Shares.

Other Events: means any of the following:

- a) "Insolvency" means that by reason of the voluntary or involuntary liquidation, bankruptcy or winding-up of or any analogous proceeding affecting a Company:
 - (i) all the Shares are required to be transferred to a trustee, liquidator or other similar official; or
 - (ii) holders of the Shares become legally prohibited from transferring them.
- b) "Merger Date" means, in respect of a Merger Event, the date upon which all Holders of Shares (other than, in the case of a take-over offer, Shares owned or controlled by the offeror) have agreed or have irrevocably become obliged to transfer their Shares.
- c) "Merger Event" means any:
 - (i) reclassification or change of the Shares that results in a transfer of or an irrevocable commitment to transfer all outstanding Shares;
 - (ii) consolidation, amalgamation, or merger of a Company with or into another entity (other than a consolidation, amalgamation or merger in which such Company is the continuing entity and which does not result in any such reclassification or change of all outstanding Shares); or
 - (iii) other take-over offer for the Shares that results in a transfer of or an irrevocable commitment to transfer all the Shares (other than the Shares owned or controlled by the offeror),

in each case if the Merger Date is on or before the relevant Actual Exercise Date.

- d) "Nationalisation" means that all the Shares or all the assets or substantially all the assets of a Company are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority or entity.

Effect of Potential Adjustment Events and/or Other Events on the Rights of the Warrant Holders:

Save to the extent that the Calculation Agent has adjusted the Underlying Parcel, Exercise Price, Stop Loss Level or the Conditions in accordance with the provisions of clause 13 of the Conditions, the rights as conferred upon the Warrant Holders in terms of any specific Warrant shall remain unaffected, subject to the paragraph below.

To the extent that the Calculation Agent determines that the appropriate adjustment upon the occurrence of a Potential Adjustment Event or Other Event, as the case be shall be the cancellation of the Warrant, such Warrant shall automatically lapse and cease to confer any rights on the Holder as at the time the Issuer notifies the Holders of such cancellation.

Exercise:

HotEDS are American style Warrants that may be exercised on any Business Day up to and including the Last Day for Exercise.

Exercise Procedure:

To exercise the HotEDS and receive the Underlying Parcel the stockbroker of the Holder shall deliver a duly completed Exercise Notice to the Issuer, Attention Equity Derivative. Acknowledged receipt of the Exercise Notice by the Issuer in the form of an email, fax, or telephone call shall bind both the Holder and Issuer to the Exercise.

Exercise Date:

Means a Business Day on which a duly completed Exercise Notice is received by the Issuer before 12h00 (Johannesburg time) on such day.

If a duly completed Exercise Notice is received by the Issuer after 12h00 (Johannesburg time) on a Business Day or on a day which is not a Business Day, the Exercise Date shall be the next following Business Day

If a duly completed Exercise Notice has not been received by the Issuer by 12h00 (Johannesburg time) on the Last Day for Exercise, such Exercise Notice shall be null and void.

If a duly completed Exercise Notice is received by the Issuer by 12h00 on the day of a Stop Loss Event the Exercise Notice shall be valid and the holder shall forgo the right to receive a Rebate.

Automatic Exercise and Reinvestment:

Failing the delivery of an Exercise Notice by the holder by 12h00 on the day prior to the Expiration Date the Holder shall be entitled to a Cash Settlement Amount.

The Cash Settlement Amount shall be determined to be the number of HotEDS held on that day multiplied by the excess of the closing price of the Underlying Parcel on the Expiration Date over the Exercise Price.

The Holder hereby irrevocably instructs the Issuer to utilize the above-mentioned Cash Settlement Amount to re-invest into a further quantity of HotEDS (“Next HotEDS Series”).

The number of HotEDS issued to the Holder under the Next HotEDS Series in terms of this Supplement shall be calculated as follows:

No. of New HotEDS =

$$\text{No. of Old HotEDS} * \frac{\text{Issue Price of Old HotEDS}}{\text{Issue Price of New HotEDS}}$$

The terms and conditions of the Next HotEDS Series shall be governed by a New Supplement.

Should Holder choose to expire the Old HotEDS, the Holder shall notify the Issuer, Attention Equity Derivatives Desk before 5:00 pm, 5 (five) Business Days prior to the Expiry Date.

If, however, the Issuer is, within its sole discretion and for any reason whatsoever, unable to issue the Next HotEDS Series or unable to implement the Reinvestment as set out above or the Holder elects to expire the Old HotEDS, as the case may be, the Cash Settlement Amount shall be paid to the Holder. In this case, the Cash Settlement Amount shall be determined to be the number of HotEDS held on that day multiplied by the excess of the simple arithmetic average of the Daily Volume Weighted Average Price of the Underlying Parcel for the two Business Days following on the Expiration Date over the Exercise Price.

Verification:	Upon receipt of an Exercise Notice the Issuer's CSDP shall, through the HotEDS Holders' CSDP, verify that the HotEDS Holder exercising the HotEDS specified therein is the holder thereof according to the Register.
Notice of Adjustment:	Upon the occurrence of any such adjustment, the Calculation Agent shall give notice as soon as practicable to the Holders setting out the adjustment of the Stop-Loss Level, the Exercise Price or the Conditions and giving brief details of the Potential Adjustment Event.
Cover Ratio	Determines the number of HotEDS required for delivery of the Underlying Parcel.
Underlying Parcel:	In respect of HotEDS, one Share in the relevant Company subject to adjustment under the Conditions.
Listing:	"JSE means JSE Limited, a company duly registered and incorporated with limited liability under the company laws of the Republic of South Africa under registration number 2005/022939/06, licensed as an exchange under the Securities Services Act, 2004".
Certificates:	As the Warrants have been dematerialised, settlement will be effected electronically through the STRATE system of the JSE and accordingly, certificates evidencing the Warrants will not be issued to Holders.
Regulations:	The trading and settlement of the Warrant issue will be subject to the JSE, STRATE and The South African Reserve Bank regulations.
