Dear Sirs

Limited assurance report of the independent auditors of Richefond Circle (RF) Limited (the “Issuer”), regarding compliance by the Issuer with the relevant provisions of the Securitisation Scheme Regulations (Government Notice 2, Government Gazette 30628 of 1 January 2008) (the “Securitisation Scheme Regulations”) issued by the Registrar of Banks, as required by paragraphs 15(1)(a)(ii) and 16(2)(a)(vii) of the Securitisation Scheme Regulations

Introduction

We have completed our limited assurance engagement to report in terms of paragraphs 15(1)(a)(ii) and 16(2)(a)(vii) of the Securitisation Scheme Regulations, issued by the Prudential Authority, on whether the Securitisation Scheme and the issuance of notes by the Issuer, complies, in all material respects, with the provisions of the relevant Securitisation Scheme Regulations.

Responsibility of the issuer

The Issuer is responsible for the preparation of, and disclosures in the Programme Memorandum and other Transaction Documents dated on or about 1 March 2022 (the “Transaction Documents”), as required by the relevant Securitisation Scheme Regulations and for making available to the assurance provider all relevant documentation pursuant to the transaction.

Responsibility of the assurance provider

Our responsibility is to report on whether the issuances of notes by the Issuer, as described in the Transaction Documents, complies, in all material respects, with the provisions of the relevant Securitisation Scheme Regulations.

Our assurance engagement was performed in accordance with the International Standard on Assurance Engagements, ISAE 3000 (Revised) *International Standard on*

Assurance Engagements other than Audits or Reviews of Historical Financial Information. This standard requires us to comply with ethical requirements and to plan and perform our assurance engagement to obtain limited assurance, expressed below, regarding the subject matter of the engagement.

Summary of work performed

Our assurance engagement was limited to an examination of the applicable Transaction Documents made available to us by the Issuer, for evidence of compliance with the relevant provisions of the Securitisation Scheme Regulations affecting the transaction. We made enquiries of the Directors and Management of the Issuer, as we considered necessary for the purposes of our engagement.

In a limited assurance engagement, the evidence-gathering procedures are more limited than for a reasonable assurance engagement and therefore less assurance is provided than in a reasonable assurance engagement.

We believe our evidence is sufficient and appropriate to provide a basis for our conclusion.

Conclusion

Based on our work performed, nothing has come to our attention which causes us to believe that the issuances of notes by the Issuer, as described in the Transaction Documents, is not, in all material respects, in compliance with all the relevant provisions of the Securitisation Scheme Regulations.

Yours faithfully
KPMG Inc.
