Margin:	Not Applicable
Agency or Principal Deal:	Principal
Income:	Any Income with respect to any Loaned Securities in respect of this Securities Loan Confirmation which records the above securities loan transaction shall be retained by the Borrower. Lender has been compensated for any distributions which the Lender will have been entitled to during the period of any transaction by virtue of the fact that the Borrower has adjusted the terms of the transaction to take this benefit into account. Income shall mean any interest, dividends or other distributions of any kind whatsoever with respect to any Securities.

5. The parties record that simultaneously with the execution of this transaction they have entered into an equity option transaction the terms of which are recorded in Borrower's equity option transaction Confirmation bearing Reference ED 57462902; 57462974; 57462480 ("**the Equity Option Transaction**"). The terms reflected therein as they relate to the obligation of Borrower to return the Loaned Securities are hereby confirmed. The parties agree that the obligation of Borrower to return the Loaned Securities is conditional upon Lender ("**Counterparty**" under the Equity Option Transaction) fulfilling all of its obligations under the Equity Option Transaction as well as this Security Loan Confirmation and the Agreement.
6. The parties further record that the Lender has ceded and pledged all of its right title and interest in and the Basket Shares, as defined in the Equity Option Transaction held in an account in the name of the Lender at Investec Securities Limited ("**the Pledge Account**"), to the Borrower, as continuing covering security for the Lenders obligations to the Borrower under the Equity Option Transaction, in terms of a written pledge and accession agreement ("**the Pledge Agreement**"). In terms of the Pledge Agreement the Borrower is entitled to, at the Borrower's sole discretion, to procure securities from the Pledge Account in pursuance of a securities loan as contemplated herein.

7. It is recorded that a quantity of the Loaned Securities may be required to be delivered by the Lender to the Borrower under the terms of the Equity Option Transaction. For this purpose the Lender agrees that the Borrower may allocate such amount of the Loaned Securities as may be required to the settlement of the obligations of the Lender under the Equity Option Transaction to the Borrower. The terms of this Securities Loan Transaction shall be adjusted accordingly.
8. Notwithstanding the retention of all Income in respect of the Loaned Securities by the Borrower, the Lender acknowledges and agrees that the Lender has been compensated for any distributions which the Lender would have been entitled to receive during the period of this transaction by virtue of the fact that the Borrower has adjusted the terms of the Equity Option Transaction accordingly to take into account the benefit received by the Borrower in terms of hereof.
9. The parties agree and acknowledge that the Borrower shall return the Loaned Securities to the Lender's Pledge Account within 12 months, and shall be entitled to borrow Securities as contemplated in the Pledge Agreement, in accordance with clause 5 above. The Borrower shall provide the Lender with written notification in respect of each return and Loan. Each such Loan shall be subject to the terms and conditions of this Securities Lending Confirmation, *mutatis mutandis*.
