

31 March 2025

The Investec ASX 200 Index Digital Plus ("Digital Plus") is a structured product issued by Investec Bank Limited ("IBL") and listed on the Johannesburg Stock Exchange Limited ("JSE").

The Digital Plus provides a minimum return of 60% in ZAR if the S&P/ASX 200 Index ("Index") performance is flat or positive over the 3.5-year term of the investment. At maturity, if the Final Index level is equal to or higher than the Initial Index level but growth is less than 60%, the Digital Plus will pay the investor a return of 60%.

Summary of the investment offering

- A 3.5-year ZAR investment linked to the performance of the ASX 200 Index.
- 100% capital protection at maturity provided the Index does not end more than 30% below the Initial Index Level.
- Pays a 60% enhanced return if the index is flat or positive at maturity. In addition, investors receive any performance above 60% in the Index at maturity.
- Daily liquidity provided on the JSE with a 0.5% bid to mid spread in normal market conditions. Liquidity is provided by IBL, who undertake to act as sole market maker.
- Daily pricing on the JSE and monthly statements from your stockbroker.
