

30 April 2025

The Investec ZAR Euro Stoxx 50 Digital Plus ("Digital Plus") is a structured product issued by Investec Bank Limited ("IBL") and listed on the Johannesburg Stock Exchange ("JSE").

The Digital Plus is a 3.6-year structured product linked to the performance of the Euro Stoxx 50 Index ("the Index"). It pays a minimum return of 56.75% at maturity if the index is flat or positive over the term of the investment.

The Digital Plus provides exposure in Rand with 100% capital protection provided the Index has not fallen more than 30% at maturity date.

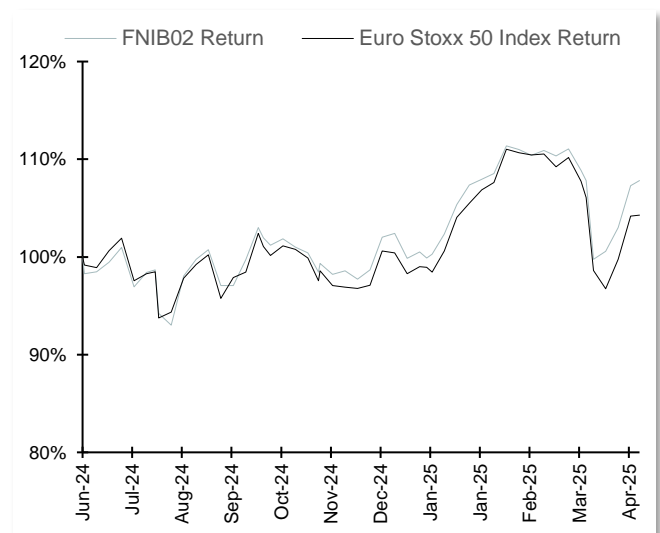

Summary of the investment offering

- 3.6-year Rand investment linked to the performance of the Index
- 56.75% minimum digital return should the Index end flat or positive at maturity, plus unlimited uncapped upside above 56.75%
- 100% capital protection in Rand provided the Index has not fallen by more than 30% from the Initial Index Level at maturity ("barrier level")
- Daily liquidity provided on the JSE with a 1.0% bid/mid spread in normal market conditions. Liquidity is provided by IBL, who undertake to act as sole market maker.
- Daily pricing on the JSE and monthly statements from your stockbroker.
