

# Investec USD S&P500® Value Index Digital

## 30 September 2024

The Investec S&P 500® Value Index Digital Plus ESP ("ESP") is a structured product issued by Investec Bank Limited ("IBL") and listed on the JSE Limited ("JSE").

The ESP is designed to provide a minimum return of 20% in US Dollars if the S&P 500 Value Index performance is flat or positive over the 3.5-year term of the investment. At maturity, if the Final Index level is higher than the Initial Index level at inception but growth is less than 20%, the Digital Plus will pay the investor a return of 20%.

In addition, if the growth in the Index exceeds 20%, the investor will also receive the excess growth in the Index, simply put; returns are unlimited and will not be capped. The investor's return is calculated in US Dollars and settled in Rand.

### Summary of the investment offering

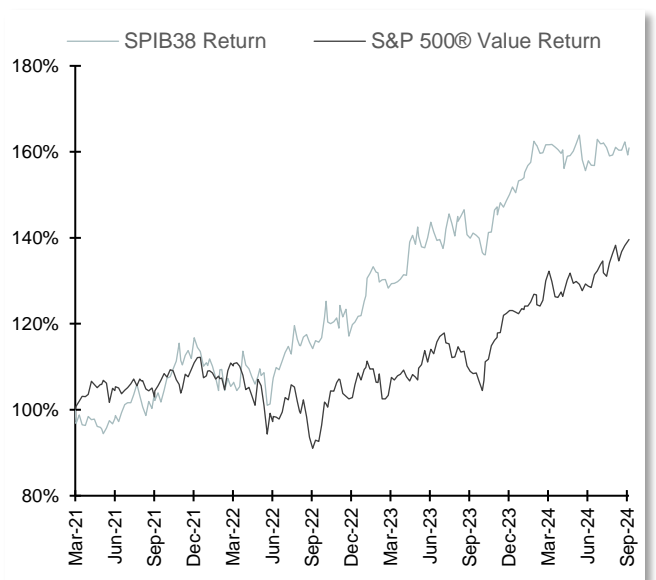

- 3.5-year equity investment linked to the performance of the S&P 500® Value Index, with the return calculated in USD and settled in ZAR.
