

SUSTAINABLE SOLUTIONS SHORT-TERM CAMPAIGN

REWARDS REBATE TERMS AND CONDITIONS

What is the offer?

Fund your ARTsolar renewable energy solution through Sustainability Finance and you will qualify for up to 660 000 Investec Rewards points.

How do you qualify for the Rewards rebate?

Please view the curated [scalable renewable energy solutions](#).

How long is the offer valid for?

The offer is valid for the campaign period 29th June - 30th September 2023.

When will the Rewards points be allocated?

If you have purchased a curated renewable solution through ARTsolar and financed your solution through Investec, Rewards points will be allocated 6 weeks after you have received the Certificate of Compliance from ARTsolar and monitoring has been completed.

Will suspended Private Bank Accounts qualify for an Investec Rewards points rebate?

If your Private Bank Account is in a suspended status at the time of allocation, no Rewards points will be allocated.

What if the client returns the renewable energy or alternative energy solution?

If the renewable energy or alternative energy solution is returned, the Rewards points allocation will be reversed from your Private Bank Account.
