1. Welcome to your Relationship Agreement

It is important that you read and understand this Agreement. You should retain a copy for future reference.

Who we are

- 1.1 We are Investec Bank plc (company number 00489604). Our registered office is 30 Gresham Street, London, EC2V 7QP. We are authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority (Financial Services Register number 172330) for banking and lending services. Our main business is banking and lending. We are a member of Investec Group, which includes Investec plc and Investec Limited (a company registered in South Africa) together with the holding companies, other subsidiaries of those holding companies, and any of their direct or indirect subsidiaries.

How this Relationship Agreement works, and what it covers

- 1.2 This Relationship Agreement is a legal document which sets out your rights and obligations to us, and our rights and obligations to you. It sets out general terms and conditions which apply to your agreement with us for UK bank accounts, as well as banking services we make available to you from time to time such as online banking and telephone banking. It applies to:
- (a) **Personal Clients** – people who are using a UK bank account or service for personal use and not in connection with any business or trust activity.
 - (b) **Business Clients** – people such as sole traders, officers or members of an unincorporated charity, club, society or association, partners in a partnership, and corporate bodies such as limited companies and limited liability partnerships.
 - (c) **Trust Clients** – people who are acting as trustees of a trust or pension scheme, or who tell us that they are holding money in a UK bank account for the benefit of someone else.
- 1.3 Before you open a bank account with us, we will make available the additional conditions that apply to that account. The additional conditions will supplement this Relationship Agreement. Additional conditions include further details relating to the account you have chosen, such as the minimum deposit, the interest rate information, charges, any restrictions on availability, when we will give you statements and (for Notice Accounts) how much notice you must give us to make a withdrawal. This Relationship Agreement, together with the additional conditions and any mandate you give us telling us who can instruct us on your behalf, will form the agreement between you and us for the account. If the additional conditions are inconsistent with the terms set out in this Relationship Agreement, the additional conditions will apply.
- 1.4 This Relationship Agreement includes some terms with initial capital letters. The section at the end of this document entitled Definitions tells you what those terms mean.

How to contact us

- 1.5 You can contact us concerning this Relationship Agreement or any bank account or service by:
- (a) **Calling us.** You can find our contact numbers on our website.

(b) **Writing to us** at Investec Bank plc, Investec Private Bank, 30 Gresham Street, London EC2V 7QP.

1.6 We may monitor or record telephone calls for crime prevention, training and quality control purposes, and to ensure we have an accurate record of our dealings with you.

Important information about compensation arrangements

1.7 We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors are covered by the scheme.

1.8 For further information about the scheme (including the amounts covered and eligibility to claim) please refer to the FSCS website <http://www.FSCS.org.uk>.

If you have a complaint

1.9 If you are unhappy with or have any concerns relating to any bank account or banking service, you should contact us at Investec Bank plc, 30 Gresham Street, London EC2V 7QP providing full details of your complaint. You can ask us for a copy of our complaints procedure at any time.

1.10 If you are unhappy with our response you may have the right to refer the complaint to the Financial Ombudsman Service. This service was mainly set up for use by individuals but is also available to some small businesses and other bank customers. You can write to:

Availability of bank accounts and banking services

1.11 Individuals must be aged 16 or older to apply for accounts. Some accounts and features are only available to individuals aged 18 or older. If this is the case we will tell you in the additional conditions.

- 1.12 We will only open a bank account once we have completed account opening checks to our satisfaction, received all information that we need from you and you have satisfied any account opening conditions such as paying in the minimum deposit needed to open an account.
- 1.13 We will tell you what banking services are available and if there are any registration requirements and restrictions on availability. Before you use a banking service for the first time, we will tell you how you can use the service to give us instructions or to cancel those instructions.
- 1.14 We are not obliged to open accounts or make banking services available. If we decide not to open an account or to make a banking service available, we do not have to give you a reason.

If you change your mind about opening an account

- 1.15 In the case of Transaction Accounts and Notice Accounts, you can cancel your account without charge within 14 days of the date your account is opened. If you wish to cancel, write to us at Investec Bank plc, Investec Private Bank, 30 Gresham Street, London EC2V 7QP. We will return the deposit and any interest earned, or we will help you switch to another account if you wish.
- 1.16 If you do not cancel your account within the 14 day period, your account will remain open until it is closed under the terms that apply to your account. See condition 13 Closing accounts.
- 1.17 In the case of Fixed Term Deposits and Bonds, once you receive confirmation from us of the interest rate, when interest will be paid, the currency and amount of the deposit and the deposit term, you will not be able to cancel your account.

Your personal information

- 1.18 You explicitly consent to us accessing, processing, and retaining any information you provide to us, for the purposes of providing payment services to you. This does not affect any rights and obligations you or we have under data protection legislation. You may withdraw this consent by closing your account(s). If you do this, we will stop using your data for providing payment services. We may still process your data where we have lawful grounds to do so, for example, where we need to retain records for regulatory purposes.
- 1.19 We take the security and confidentiality of your personal information very seriously and we have various safeguards in place which are intended to protect that information. To find out how we use your personal information, read our Data Protection Notice online at www.investec.co.uk/dataprotection or ask us for a printed copy. The Data Protection Notice sets out how we may use and share your information with other members of the Investec Group and with third parties, such as credit reference and fraud prevention agencies.

Obtaining copies

- 1.20 You can download an up to date copy of this Relationship Agreement and the additional conditions for our bank accounts from our website or you can ask us for a printed copy.

2. Protecting your Account

- 2.1 You must take reasonable steps to keep your account information, Security Information and details of any security procedures secret and to prevent their unauthorised use. For example:
- (a) if you receive paper statements or notices from us, store these securely or dispose of them safely;
 - (b) do not choose Security Information that is easy to guess, or write down or store any Security Information in a way that someone else might understand;
 - (c) do not disclose your Security Information to anyone, or allow anyone to use any card or security device we give you, even a joint account holder, additional cardholder or someone else you have appointed to act on your behalf; and
 - (d) when using computer equipment, make sure you have up to date antivirus software installed and a firewall enabled, and that you do not leave your computer unsupervised when you are logged in.
- 2.2 From time to time we will give you more information about keeping your accounts and your use of banking services safe. You should follow any reasonable instructions we give you.
- 2.3 You must call us **as soon as possible** on **0330 123 1966** or **+44 (0)20 7597 4044** (if calling from outside the UK) if:
- (a) you believe someone else knows your Security Information;
 - (b) you believe that someone has accessed your account without your authority; or
 - (c) any chequebook, debit card or any security device we give you is lost or stolen.
- 2.4 If you find a debit card after reporting it as being lost or stolen, you must not use it.
- 2.5 You should check your account statements, notices and electronic messages when you receive them, and you must tell us as soon as possible if you believe that there are any errors.

Keeping your information up to date

- 2.6 You must ensure that the information you have given us is up to date. We will rely on this information when checking your identity, giving you access to banking services, keeping in touch with you, and processing applications for additional accounts. You must notify us of any change to your information as soon as possible and you must give us evidence of the change if we ask you to. If you do not tell us about a change, we will not be liable if you do not receive any important information from us, or if we send confidential information to an out of date address.
- 2.7 In order to comply with legal or regulatory requirements, we may, from time to time, request additional information from you. You must provide us with any information that we reasonably request.
- 2.8 We can report unauthorised access to your account, unauthorised use of any banking service or debit card, or loss or theft of any debit card or Security Information to police,

prosecuting authorities and our regulators. As part of this report, we can disclose information about you or the affected accounts or services to them where we reasonably believe this will help them with their enquiries. You must assist us in our discussions with them if we reasonably ask you to do so.

3. Giving us instructions

Who can give us instructions?

- 3.1 We can accept instructions from you or from anyone appointed to act on your behalf. We must receive satisfactory evidence of their appointment, for example a signed instruction from you, a power of attorney or a court order (for example, appointing an executor or a liquidator).
- 3.2 We have procedures which you must follow where you wish to appoint or remove someone acting on your behalf. We will not accept instructions from any person you appoint until we have satisfactorily completed our checks against that person. If you wish to remove someone you have appointed to act on your behalf, any instructions we have received from them before we are informed of your intention to remove them will remain valid.
- 3.3 You will be responsible for instructions given by any person who is appointed to act on your behalf. You will be treated as having given those instructions.
- 3.4 You authorise us to give information about you and your accounts to any person appointed to act on your behalf.
- 3.5 For security reasons, we may not allow someone who is acting on your behalf to access some of our banking services. We will tell you if this is the case.

Additional information for joint Personal Clients

- 3.6 Unless you tell us otherwise, we can accept instructions from any one of you who are joint account holders to:
 - (a) withdraw money out of the account, up to and including the full available balance;
 - (b) provide information about the account; or
 - (c) close any accounts (for example, if the relationship between you ends).
- 3.7 For security reasons, we may decide not to process an instruction until we have confirmed it with another account holder(s).
- 3.8 If you wish to appoint or remove someone acting on your behalf, all account holders must sign an instruction appointing or removing them.

Important information about the liability of joint account holders

- 3.9 Where you hold a joint account with us, any debt you owe us under the joint account will be owed by you all jointly and severally. This means that we can demand repayment of the full amount due from all or any of you, and not just a proportion, even if you personally were not aware of the debt.

How you can give us instructions

- 3.10 You can instruct us by post. In addition, you may be able to use our banking services to give us instructions. Unless we expressly confirm otherwise, we will not accept instructions sent by electronic message such as e-mail or our online banking secure message service. We may also make a debit card available for use with some accounts. If we do, we will tell you this in the additional conditions for that account.
- 3.11 We will only act on an instruction if we reasonably believe that you have given or consented to that instruction. You will be treated as having given or consented to the instruction if:
- (a) in the case of written instructions, it appears to be signed in accordance with the mandate we hold;
 - (b) in the case of an instruction given using a banking service or a debit card, the correct Security Information was given when the instruction was given. In addition, our security procedures or any other procedures we or the payee use, such as additional identification checks, must be passed; or
 - (c) in the case of a debit card used in a contactless transaction, the debit card was held over a reader.
- 3.12 We will only treat your instruction as having been given once we actually receive it.
- 3.13 If your instruction is unclear, we may not act on it until we receive the clarification we need.
- 3.14 If you give us duplicate instructions we can treat them as being intended and can process them both, without checking with you.
- 3.15 If you give us a future-dated instruction, including a recurring instruction such as a standing order or a direct debit, we will treat this as having been given (in each case) on the date we are due to process it.
- 3.16 There may be a delay in processing your instructions while we carry out fraud or security checks, or ask you for additional information.

Can we refuse to act on your instructions?

- 3.17 We can refuse to act on your instructions in the following situations:
- (a) if your instruction appears to be unclear, or does not appear to have been properly authorised by you;
 - (b) if we become aware of a dispute between you and other account holders, or any dispute arises as to the ownership of the money in your account;
 - (c) if we suspect fraud or criminal activity;
 - (d) if we suspend your account, or stop the use of your banking services or debit card (see condition 11, Suspending your account, or stopping your use of banking services or cards);

- (e) if we reasonably believe that processing the instruction would be unlawful or would cause us to breach any legal obligation, regulation, code or other duty that applies to us;
- (f) in the case of a payment instruction, if you do not have sufficient available funds to make the payment, or to pay any charge that is payable;
- (g) if you exceed any limit we apply to your account or debit card from time to time (such as a cash withdrawal limit); or
- (h) in the case of a cheque or bank draft payment into or out of your account, if the cheque or bank draft is more than 6 months old.

3.18 In the case of a payment instruction, we will try to contact you and tell you why we have refused your instruction and what you can do to fix this. We will contact you no later than the date on which the payment should have been made to the payee's bank. We will not tell you why we have refused your instruction if we cannot do so for legal reasons.

3.19 If you attempt to make a debit card payment online, the payee may ask you to verify the payment using Verified by Visa, which is designed to prevent online fraud. If you do not register for this service, we may not authorise your debit card payment.

Payment limits

3.20 We set transaction limits on certain types of payments. This is an additional security and anti-fraud measure. For security reasons we will not tell you what our limits are on certain types of transactions, such as online banking payments.

Cancelling standing payment instructions

3.21 If a standing order or direct debit payment from your account is refused due to lack of funds on more than one occasion and we reasonably believe this problem is going to continue, we can cancel that standing order or direct debit. We will tell you in advance that we are going to do this unless we are unable to contact you, in which case we will tell you as soon as possible afterwards.

4. Using your account

Payment details

4.1 The table below lists the information that you may need to provide when receiving money into or sending money out of your account. You can find the specific payment details on our website at www.investec.co.uk/paymentdetails and you can download or print this or ask us for a copy.

When receiving money from within the UK	Your account number and sort code
When receiving money from outside the UK	Your account number and bank details such as the Bank Identifier Code (BIC), sort code and/ or the International Bank Account Number (IBAN)

When sending money within the UK	The payee's account number and the payee's bank details such as the bank name, sort code, BIC and/or IBAN
When sending money outside the UK	The payee's account number and the payee's bank details such as the bank name, sort code, BIC and/or IBAN

Payments into your account

- 4.2 You can make electronic payments. In addition, where we have given you a paying in book to use in connection with your account, you can make cash or cheque payments in sterling at an HSBC branch. You must complete a bank giro credit slip to pay in a cheque or cash at an HSBC branch.
- 4.3 Where you pay money into your account at an HSBC branch you may have to provide proof of your identity and/or pass identification checks. There may be a delay in processing your payment while the HSBC branch carries out fraud or security checks, or asks you for additional information.

Payments by cheque into your account

- 4.4 The time it takes for cheques to go through the clearing cycle will depend on whether the cheque is processed as a paper cheque or using a digital image of the cheque. In the case of paper cheques drawn in sterling, the cheque will go through the cheque clearing cycle as follows:

Working Day 0 (example: Monday)	For cheques sent by post: This is the day we receive the cheque.
↓	↓
Beginning of Working Day 2 (example: Wednesday)	For cheques paid in at an HSBC branch: This is the Working Day on which you pay in the cheque. If you pay a cheque in after 3:30pm on a Working Day or on a day that is not a Working Day, Working Day 0 will be the next Working Day.
↓	↓
Beginning of Working Day 4 (example: Friday)	The amount paid in starts earning interest.
↓	↓
	The amount paid in is available to be withdrawn.
	↓

End of Working Day 6 (example:
end of the following Tuesday)

Until the end of Working Day 6, the cheque can still be returned unpaid, which means we can deduct the value of the cheque from your account. You should bear this risk in mind when deciding whether to withdraw funds before the end of Working Day 6. After the end of Working Day 6, we cannot take the value of the cheque out of your account without your consent, except in the case of fraud.

In the case of digital images of cheques drawn in sterling, the cheque will go through the cheque clearing cycle as follows:

Working Day 0 (example: Monday)

For cheques sent by post: This is the day we receive the cheque.

For cheques paid in at an HSBC branch: This is the Working Day on which you pay in the cheque. If you pay a cheque in after 3:30pm on a Working Day or on a day that is not a Working Day, Working Day 0 will be the next Working Day.

↓

↓

Working Day 1 (Tuesday)

The amount paid in starts earning interest. The cheque cannot be returned unpaid after midnight.

↓

↓

Working Day 2 (Wednesday)

The amount paid in is available to be withdrawn.

- 4.5 If you send us a cheque before we have opened your account, Working Day 0 in the above table will be the day we open your account and not the day we receive the cheque.
- 4.6 Special rules may apply where the cheque is drawn in a currency other than sterling or the paying bank is situated outside the UK. You can ask us how long the cheque will take to clear in these cases.
- 4.7 The following rules apply to all cheque payments (both received from within the UK and from outside the UK):
- (a) If you have been involved in fraud relating to the cheque payment, we can deduct the value of the cheque at any time after we become aware of the fraud.
 - (b) We will not accept cheques made payable to someone other than you or us.

Cash payments into your account

- 4.8 The following rules apply to cash payments:
- (a) If you make a payment before 3.30pm on a Working Day, we will credit your account with the amount of the payment no later than the end of the second Working Day following the date of payment.
 - (b) If you make a payment after 3.30pm on a Working Day or on a day that is not a Working Day, we will treat the payment as being made on the next Working Day. We will credit your account with the amount of the payment no later than the end of the second Working Day following that day.

In either case you will not earn interest until the amount is credited to your account.

Electronic payments into your account

- 4.9 In the case of an electronic payment, we will credit your account with the amount of the payment once we receive it. However, where you are opening a new account and you send us an electronic payment to pay the minimum deposit needed, we will only credit your account on the day we open your account. You will only earn interest from the day we open your account. If we receive a payment in a currency which is not the same as the currency of the account we will convert the payment using the relevant Reference Exchange Rate and will credit the amount as soon as we have the funds. You can call us to find out what rate we apply.
- 4.10 If we make a payment into your account by mistake we will debit the amount from your account as soon as we are aware of the error. In all other instances, we will ask your permission before we debit a payment from your account and will only return it to the payer with your consent. If you do not have enough money in your account when we take a mistaken payment out of it, this will result in an unarranged overdraft.
- 4.11 If we are told that a payment from an EEA bank was made into your account by someone else's mistake (for example if the payer gave the wrong account number), but, when we contact you, you tell us the payment was intended for you, we are legally required to share all relevant information including your name and address and transaction information with the bank the payment came from if they ask us so that the payer may contact you. In all other cases, the steps we will take will depend on how the payment was made and where it came from.

Payments out of your account

- 4.12 If you have sufficient available funds to make the payment, you can make electronic payments out of your account. Where we make a chequebook available, you can also write a cheque. Where we make a debit card available, you can use the debit card to make card payments or cash withdrawals.
- 4.13 Some payments can only be processed on Working Days and cut-off times apply. If we receive your instruction after the cut-off time, we will only process this on the next Working Day. You can find information on cut-off times on our website at www.investec.co.uk/paymentdetails and you can download or print this or ask us for a copy.
- 4.14 The table below lists the maximum time by which different payment instructions will reach the payee's bank.

Sending money within the UK

Types of payments	Maximum time for the payment to reach the payee's bank. Please note that this is calculated from the time we process your instruction
Sterling payments	Next Working Day
Euro payments (this includes payments you ask us to convert from sterling to Euro)	Next Working Day
Other EEA currency payments	No later than 4 Working Days
Other payments	Contact us

Sending money outside the UK

Types of payments	Maximum time for the payment to reach the payee's bank. Please note that this is calculated from the time we process your instruction
Euro payments within the EEA (this includes payments you ask us to convert from sterling to Euro)	Next Working Day
Sterling payments outside the UK but within the EEA	No later than 4 Working Days
Other EEA currency payments within the EEA	No later than 4 Working Days
Other payments	Contact us

- 4.15 In the case of a standing order, if the due date for payment is not a Working Day, we will transfer the money on the next Working Day.
- 4.16 You must not write future-dated cheques. If you do, we can ignore the future date and treat the cheque as being dated on the date the cheque is presented for payment and we will not be liable to you if we do this.
- 4.17 When we process payment instructions, we will deduct debit card payments and cash withdrawals before any other payments. If there are insufficient funds to make all the remaining payments, we will decide which payments to allow and which to refuse due to lack of funds.
- 4.18 If you make a payment to an account in the EEA and the payment does not arrive when it should have, you can ask us to contact the receiving bank and to ask them to treat the payment as if it had been made on time.

- 4.19 If you make a payment to a recipient outside the EEA, any intermediary we route it through and the recipient's bank may deduct their charges from your payment. Sometimes, for a non EEA currency payment to a recipient within the EEA, we may route the payment through an intermediary outside the EEA and this intermediary may deduct charges from your payment.

Restrictions on making payments out of your account

- 4.20 Withdrawal restrictions apply to payments out of your account, as follows:
- (a) **Notice Accounts:** you can only make payments to an account in your name. You must give us the required notice to withdraw funds as set out in the additional conditions for your account. We will only consider whether to allow an early withdrawal in cases of extreme emergency, but we do not have to agree to this.
 - (b) **Fixed Term Deposits and Bonds:** any money paid out of your account can only be paid to an account in your name. You cannot make payments out during the deposit term.
 - (c) **Accounts held by Trust Clients:** you can only make payments to an account that is held by you for the benefit of the same beneficiaries.

Debit card payments

- 4.21 If you use a debit card to make a:
- (a) cash withdrawal in pounds;
 - (b) cash withdrawal in foreign currency;
 - (c) debit card payment in pounds; or
 - (d) debit card payment in a foreign currency,

we will take the amount withdrawn or paid from your account on the day we receive details of the withdrawal or payment.

Can you cancel a payment instruction?

- 4.22 Once we have received your instruction, you cannot cancel it. In the case of a future-dated payment instruction such as a direct debit or standing order, however, you can cancel your instruction at any time before 5:30pm on the Working Day preceding the day on which the payment is due to be made. In the case of a withdrawal instruction on a Notice Account, you can cancel your instruction at any time before 4:30pm on the Working Day preceding the day on which the payment is due to be made.
- 4.23 If the payee agrees to refund a debit card payment, we will credit the refund to your account when we receive it.
- 4.24 You can cancel a cheque by writing to us or calling us and giving us full details of the cheque. You cannot cancel a cheque after we receive it.

Payments in another currency

- 4.25 If you ask us to make a payment out of your account (other than a debit card payment) in a currency which is not in the currency of your account, we will convert the amount using

the exchange rate we select at the time we make the conversion. To do this we will use our relevant Reference Exchange Rate at the time we make the payment. If you want us to confirm the exchange rate before we process the payment, tell us when you instruct the payment.

- 4.26 Likewise, if you receive a payment into your account in a currency which is not in the currency of your account, we will convert the amount into the currency of the account using the relevant Reference Exchange Rate. You can call us to find out what rate we apply.
- 4.27 We do not make or allow electronic payments in all currencies, and we do not allow cheque payments in all currencies. Contact us for details of the currencies we accept.
- 4.28 If you use a debit card for the following transactions in a foreign currency (that is, a currency which is not the currency of your account):
- (a) debit card payment in a foreign currency; or
 - (b) cash withdrawal in a foreign currency outside the UK,

the exchange rate will be the rate selected by Visa plus our currency conversion fee. Visa's exchange rates can be found on the Visa Europe website at: www.visaeurope.com/making-payments/exchange-rates. We will tell you what our currency conversion fee is in the additional conditions for your account. The amount will be converted on the day the payment is processed by Visa. The exchange rate and the amount of the transaction after the currency conversion will be shown in your next monthly statement.

- 4.29 If you use a debit card for a cash withdrawal in a foreign currency (that is, a currency which is not the currency of your account) within the UK, the exchange rate will be the rate selected by the ATM owner. The exchange rate and the amount of the transaction in the currency of your account will be shown in your next monthly statement.
- 4.30 If you use a debit card to make a payment or a cash withdrawal, in a foreign currency (that is, in a currency which is not the currency of your account), sometimes the retailer, bank or ATM provider will offer you the option of fixing the exchange rate at the time of the transaction. If they do this, they must tell you the exchange rate and any fees they will charge at the time.

Interest

- 4.31 We will tell you about interest rates in the additional conditions for your account. You can get details of our current interest rates on our website or by contacting us.
- 4.32 We will pay interest without deducting tax unless UK law requires us to deduct tax. You may still have to pay tax to HMRC on the interest you earn. This will depend on your specific circumstances.

Statements

- 4.33 We will provide you with statements.
- 4.34 If you have a Transactional Account, we will provide you with a monthly statement and you will receive an email notification informing you when your statement is available

online. You can call us to let us know if you do not wish to receive the email notification. You will still be able to view your transaction information online.

- 4.35 For Notice accounts, Bonds and Fixed Term Deposits, we will tell you about statements in the additional conditions for your account.
- 4.36 We will send statements by post, if you have requested this.
- 4.37 In the case of Business Clients or Trust Clients, we will only send statements to the contact address you have given us, unless otherwise requested.

Charges and fees

- 4.38 Charges apply for some services and are set out in our charges sheet. An up to date copy of our charges sheet is available on our website or on request. Where applicable, we will tell you about other charges or fees for your account in the additional conditions for that account.
- 4.39 If there is a payment into your account and a charge applies, we can debit the charge from the amount being paid in.
- 4.40 Other taxes or costs may exist that are not paid through us and are not imposed by us. You will be responsible for paying these.

5. Using banking services

- 5.1 When you access our banking services you may use our software, which we will license to you so that you can use the service.

You will not however acquire any right, title or interest in this software. You must not modify, adapt, reverse engineer or decompile any software we license to you.

- 5.2 Our banking services may be unavailable due to systems maintenance or updates. Where possible we will try to give you advance notice of unavailability. Banking services may also be inaccessible or slow from time to time due to circumstances beyond our control, such as heavy internet traffic or server problems.
- 5.3 Our online banking service uses a high level of encryption. Using online banking in other countries may be illegal for this reason. You should check that you are allowed to use online banking in the country you are in.
- 5.4 You must ensure that any device and software that you use to access banking services complies with any reasonable standards and requirements we set from time to time. Compatibility requirements are set out on our website.

6. Debit cards

Obtaining your debit card

- 6.1 If we make a debit card available, we will send you the debit card when you open your account, or to replace a debit card that is lost, stolen or damaged, or on renewal of your debit card. We can decide not to renew or replace a debit card and we do not have to tell you the reason.

- 6.2 If the additional conditions for your account allow this, we may also send a debit card to an additional cardholder if you ask us to.

Using your debit card

- 6.3 You must not use your debit card for any unlawful purpose. You must not use a debit card after its expiry date, or if we have asked you to destroy it, or if we have told you that we have stopped its use. We can deduct the amount of any debit card payment (and any charges) from your account even if your debit card has been stopped by the time we make the deduction.
- 6.4 We will not be responsible if any payee or card machine does not accept your debit card, or if we refuse authorisation to a payee to accept payment by your debit card in accordance with the terms set out in this Relationship Agreement.

7. Third Party Providers

- 7.1 If you use a Third Party Provider (“TPP”), the terms of this Relationship Agreement will still apply.
- 7.2 A TPP is allowed, with your express agreement, to access your online Transaction Accounts to make payments for you and to obtain and consolidate information about your finances. If you choose to use a TPP, we will give access to account information and make payments in the same way as if you were accessing account information or making payments directly with us.
- 7.3 Although you must not, generally, give your Security Information to anyone else, you may give them to a TPP if it is necessary to do so. They should agree with you that they will keep your Security Information safe and will only use it for the purposes you have agreed with them.

Please note that when you authorise a TPP to access your online Transaction Accounts, they will be able to see all of the information that you can see when you log in and may also be able to give payment instructions on other accounts. The agreement you have in place with the TPP should not allow them to use this information or give payment instructions on your other accounts.

- 7.4 We may refuse to allow a TPP to access your online Transaction Account where we are concerned about unauthorised or fraudulent access by that TPP. If we do this, we will tell you by telephone or by email and give our reasons (unless doing so would compromise our reasonable security measures or otherwise be unlawful).
- 7.5 All TPPs must be regulated either by the Financial Conduct Authority or their local financial regulator and so you must check, from the information any TPP gives to you before you use their services, that the TPP is regulated. If you give your Security Information to a provider that is not regulated, we will assume it is you authorising us to give access to information about your online Transaction Account(s) and you will be responsible for any payments made as a result. If we become aware that an unauthorised third party is using your Security Information, we will block access to your online Transaction Account(s).
- 7.6 If you think a payment initiated by a TPP was unauthorised, you must tell us as soon as you can as we will refund the amount of any unauthorised payment in the same way as an unauthorised payment under condition 10 (Unauthorised Payments).

- 7.7 If a payment initiated by a TPP is not executed in accordance with your instructions we will compensate you in the same way as we do for where we do not execute your instruction correctly under condition 10 (Mistaken Payments).

8. Borrowing on your account

Can you go overdrawn?

- 8.1 We do not generally allow borrowing on any of our accounts. However, an overdraft could occur in one of two situations:
- (a) We may agree to make an Arranged Overdraft available on your account.
 - (b) An Unarranged Overdraft could arise because of a payment or charge being allowed despite a lack of funds. It could also arise because we correct an entry in your account – for example, if you pay in a cheque which then bounces after you have withdrawn the funds, or if we take back money that was paid into your account by mistake.

Arranged Overdrafts

- 8.2 We may agree to make an Arranged Overdraft available on your account. Arranged Overdrafts are only available on certain Transaction Accounts, and only if the additional conditions for that particular type of account say so. Where an Arranged Overdraft is available, the additional conditions for the account will tell you whether you need to meet any Arranged Overdraft eligibility criteria.
- 8.3 Where an Arranged Overdraft is available on your account, you can contact us at any time to apply for one, to apply for an increase or to decrease your Arranged Overdraft limit, provided you meet any eligibility criteria.
- 8.4 Whether we agree to give you an Arranged Overdraft, or increase your Arranged Overdraft limit, depends on your financial circumstances. We will consider your financial circumstances before deciding whether to give you an Arranged Overdraft or to increase your Arranged Overdraft limit. We may ask you for further information about your finances, and we may carry out checks with credit reference agencies and fraud prevention agencies.
- 8.5 If we agree to make an Arranged Overdraft available to you, we will tell you what your Arranged Overdraft limit is, how long the Arranged Overdraft is available for, the interest rate we will charge on overdrawn balances and any charges we make for providing the Arranged Overdraft. We will also tell you if we need security for your Arranged Overdraft.
- 8.6 Arranged Overdrafts are repayable on demand. This means that we can ask you to repay the outstanding balance in full or in part at any time, without notice. We can also reduce your Arranged Overdraft limit at any time, without notice. However, unless we have reasonable concerns about your financial circumstances, or unless we have a right to terminate our relationship with you without notice (as explained in condition 13 Closing accounts), we will give you 30 days' notice asking you to repay us what you owe and/or terminating your Arranged Overdraft.

Unarranged Overdrafts

- 8.7 An Unarranged Overdraft can arise where a payment is due to be made out of your account and you have insufficient funds to cover the amount of the payment. In

calculating whether you have sufficient funds to cover a payment, we will look at the available funds on your account. Your available funds consist of the cleared balance of your account (including any unused Arranged Overdraft balance) less any debit card transactions we have authorised but not yet debited from your account. We will not include payments into your account that have not yet cleared.

- 8.8 Where you have insufficient funds and a payment is due to be made, we will treat this as a request made by you for an Unarranged Overdraft. We will only allow a payment despite a lack of funds if it is one of the following payment types which we cannot refuse:
- (a) some types of debit card payments where authorisation is not sought from us before the transaction is approved – for example, payments to a retailer who does not check with us whether you have sufficient funds available before processing the payment;
 - (b) any overdraft interest or charges we apply to your account; or
 - (c) corrections we make to an entry in your account – for example, if you pay in a cheque which then bounces after you have withdrawn the funds, or if we take back money that was paid into your account by mistake.
- 8.9 Unarranged Overdrafts are repayable immediately. We will charge you Unarranged Overdraft interest on the overdrawn balance until you repay us. See our charges sheet or the additional conditions for details. If an Unarranged Overdraft arises and you pay funds into your account on the same Working Day to clear the overdrawn balance, we will not charge you Unarranged Overdraft interest.
- 8.10 The interest rate we charge on Unarranged Overdrafts is higher than the interest rate for Arranged Overdrafts. If you need an overdraft facility to help with payments from time to time, you can contact us to find out whether you are eligible for an Arranged Overdraft on your account, or you can ask us if it is possible to increase the limit on an Arranged Overdraft you already have.

How we apply payments when your account is overdrawn

- 8.11 If you pay money into your account and you are overdrawn, we will use the money first to repay any Unarranged Overdraft, then we will use any remainder to repay any Arranged Overdraft.

9. Changing the terms of your agreement

Changes to Interest rates

Changing a Tracker Rate

- 9.1 If the interest rate on your account is a Tracker Rate, it will change in line with any change in the Reference Interest Rate that it tracks.

Other interest rate changes

9.3 Reasons why we may change interest rates:

- (b) to reflect an actual, or reasonably expected, change in our underlying costs of providing the account (including our funding costs);
- (c) to reflect any other actual or reasonably expected change that affects us if it is reasonable for us to pass the impact of the change on to you; or
- (d) We might also need to make changes to interest rates for other valid reasons that are not covered here and we will make these changes if it is reasonable for us to do so.

Where we make a change, it will be proportionate to the impact on us of the underlying reason for the change.

Changes to Charges

9.5 Reasons why we may change charges:

- (a) We may change charges to reflect an actual, or reasonably expected, change in:
- i. our underlying costs of providing the account (including our funding costs);
 - ii. law or regulation (including changes in regulatory requirements) codes of practice or industry guidance that applies to us, a ruling of a court, ombudsman or similar body or undertaking given to a regulator;
 - iii. our way of doing business, including the way we manage the account as a result of changes to technology and changes to the systems we use, including introducing new services or facilities or replacing an existing service or facility with a new one; or
 - iv. to reflect any other actual or reasonably expected change that affects us if it is reasonable for us to pass the impact of the change on to you; or
- (b) We might also need to make changes to charges for other valid reasons that are not covered here and we will make these changes if it is reasonable for us to do so.

Where we make a change, it will be proportionate to the impact on us of the underlying reason for the change.

9.6 Notification of changes to charges

and tell you within 30 days of making the change.

For any other changes to charges, we will tell you before we make a change. We will give you notice in accordance with regulatory requirements.

Changes to other terms and conditions

9.7 Reasons why we may make changes to other terms and conditions:

- (a) to reflect an actual, or reasonably expected, change in:
 - i. our underlying costs of providing the account (including our funding costs);
 - ii. law or regulation (including changes in regulatory requirements) codes of practice or industry guidance that applies to us, a ruling of a court, ombudsman or similar body or undertaking given to a regulator; or
 - iii. our way of doing business, including the way we manage the account as a result of changes to technology and changes to the systems we use, including introducing new services or facilities or replacing an existing service or facility with a new one;
- (b) in a way that is favourable to you, for example we might make these conditions fairer or easier to understand, correct mistakes or reflect changes in technology;
- (c) to reflect any other actual or reasonably expected change that affects us if it is reasonable for us to pass the impact of the change on to you; or
- (d) We might also need to make changes for other valid reasons that are not covered here and we will make these changes if it is reasonable for us to do so.

Where we make a change, it will be proportionate to the impact on us of the underlying reason for the change.

Changes to exchange rates

- 9.9 The exchange rates used by us, Visa or other organisations to convert payments in another currency change daily and even within the same day. We may change our exchange rates immediately. We will not notify you of changes in exchange rates.

Changing your Arranged Overdraft limit

- 9.10 If you have an Arranged Overdraft, we will usually give you 30 days' notice before we decrease your Arranged Overdraft limit. However, if we have reasonable concerns about your financial circumstances, or if we have a right to terminate our relationship with you without notice (as explained in condition 13 Closing accounts), we can decrease your Arranged Overdraft limit at any time, without notice. We will not increase your Arranged Overdraft limit without notice.

10. Liability

Mistaken Payments

- 10.1 You must tell us as soon as you can after you notice that a payment you asked us to make has not been sent. If the payment was to an account at another bank in the EEA and the payment was not made properly or was not received, we will refund the payment as soon as we reasonably can after you tell us unless:
- (a) there was a mistake in any of the payment details you provided to us;
 - (b) we can show that the payment was received by the payee's bank within the correct time; or
 - (c) you tell us more than 13 months after the payment was made.
- 10.2 If a payment goes to the wrong person or is delayed because you gave us the wrong payment details or goes to an account outside the EEA, we will not be liable but, if you ask us, we will try to recover the payment for you and will tell you the outcome. We may charge our reasonable costs for doing this. If the payment was to another bank in the EEA and we are unable to recover your money you can ask us in writing to give you all the information we have been given by the bank that received the funds so you can try to recover the funds yourself.

Unauthorised Payments

- 10.3 You must tell us as soon as you notice that an unauthorised payment has been made from your account. If this happens, we will refund the amount of the unauthorised payment and any resulting overdraft interest and charges as soon as we reasonably can but at the latest by the end of the next Working Day after you tell us unless any of the following apply:
- (a) you inform us more than 13 months after the payment was made;
 - (b) we know you have been grossly negligent (acted with a very significant degree of carelessness);
 - (c) we reasonably suspect that you have acted fraudulently; or
 - (d) we can prove that the unauthorised payment was made because the debit card or Security Information was lost or stolen and you could have noticed this before the payment was made. In this case you will be liable for the unauthorised payment up to a maximum of £35 until you have told us that the debit card or Security Information have been lost, stolen or you suspect misuse. We will still refund any amount over £35.
- 10.4 If your account was overdrawn at the time of the payment, then unless we can show fraud on your part, we will still make a refund even if you fail to tell us within 13 months after the payment was made.
- 10.5 You are not liable for any unauthorised payment which relates to the purchase of goods or services (other than financial services) by telephone, internet or mail order (unless you have acted fraudulently).
- 10.6 We will be responsible unless you have acted fraudulently:

- (a) if someone else uses a debit card before you receive it;
- (b) after you have told us that your debit card or Security Information have been lost or stolen (using the contact details set out in Condition 2.3); or
- (c) if we have not applied procedures that we are legally required to use to ensure that the payment has been authorised by you (for example, ensuring you use your Security Information when there are legal requirements which require us to do this).

Refunds

10.7 When you have used a debit card to make a payment, you can ask us to refund the payment if:

- (a) the payment was made in the EEA;
- (b) you did not agree the actual payment amount;
- (c) the amount charged to your account was higher than you reasonably expected, taking into account previous spending patterns and the particular facts of the case; and
- (d) you make the refund request within eight weeks of the date when the payment was charged to your account.

In these cases, we will investigate your claim and may ask you to provide information which we reasonably need to do this.

10.8 Within 10 Working Days of receiving your request (or of receiving any more information we have asked for), we will either refund the payment or inform you of our reasons for refusing the refund.

10.9 You are not entitled to a refund if you gave consent for the payment directly to us and, at least four weeks before the payment was made, you were given information about the transaction by (or it was available from) us or the retailer.

10.10 If we give a refund for any reason we will return your account to the position it would have been in if the payment had not taken place by refunding the payment and any interest and charges we charged on it (or by paying any interest we would have paid on it). If we provide a refund but later investigation finds you were not entitled to it (for example because you did authorise it) we will return your account to the position it would have been in if we had not made the refund (after giving you reasonable notice).

10.11 The terms of the Direct Debit Guarantee apply to refunds for any direct debit errors.

General

10.12 If you are trustee(s) of a pension scheme, your liability will be limited to the assets of the scheme, except where you commit a criminal act or breach your duty as trustee.

10.13 We will not be liable to you for any losses you may incur because of:

- (a) any legal or regulatory requirements that we need to comply with; or

- (b) any abnormal or unforeseeable circumstances beyond our control and the result of which we could not have avoided despite all efforts to the contrary, for example strikes.

10.14 We will not be liable to you for any of the following losses you may incur:

- (a) loss of business, loss of profit, loss of goodwill or for loss of opportunity; or
- (b) any other loss that is not directly associated with the event which gave rise to your claim, or that we could not reasonably have foreseen at the time we received your instruction.

11. Suspending your account, or stopping your use of banking services

Suspending your account

11.1 We can suspend your account where:

- (a) you have committed a serious or repeated breach of the terms of your agreement with us, or you owe us money and you have not paid us on time;
- (b) we learn that steps have been taken in connection with your bankruptcy, insolvency, or any similar process;
- (c) we learn, or reasonably believe, that someone else knows your Security Information or that an unauthorised person has sought to access or has accessed your account;
- (d) we suspect fraud or other criminal activity;
- (e) we become aware of a dispute between you and other account holders, or any dispute as to your authority or the authority of any person acting on your behalf to give us instructions, or any dispute arises as to the ownership of the money in your account;
- (f) we have to comply with our legal or regulatory obligations, or any other code or duty that applies to us;
- (g) you have not used your account for more than 18 months in the case of a Transaction Account, or more than 3 years in the case of a Notice Account; or
- (h) we reasonably consider it necessary for your protection.

11.2 We will tell you if we suspend an account and we will provide the reasons for doing so, except where we cannot do so for legal or security reasons. If it is possible to rectify the problem which led us to suspend the account, we will tell you what we need you to do. For example, if we have suspended a joint account because of a dispute, we will allow you to use the account once we receive instructions from all of the account holders, a court order, or if we reasonably believe the dispute has been resolved.

Stopping your use of banking services or debit cards

11.3 We will stop your use of banking services or debit cards where:

- (a) we have been told, or we reasonably believe, that an unauthorised person has accessed the banking services using any Security Information;
- (b) we have concerns about the security of the banking services or debit cards;
- (c) we suspect fraud; or
- (d) additionally in the case of a debit card, we believe there is a significantly increased risk that you would not be able to repay any Arranged Overdraft or Unarranged Overdraft if we continued to allow you to use the debit card.

11.4 We will tell you if we are stopping the banking service or debit card, except where we cannot do so for legal or security reasons. We will tell you in advance unless we are unable to contact you, in which case we will tell you as soon as possible afterwards.

11.5 We will restore access or use as soon as possible after the reason for stopping your use of the banking service or debit card no longer exists.

12. Other events that might happen

Death of an account holder

12.1 If your account is in your sole name, we will suspend the account once we are informed of your death. Your personal representatives must provide a death certificate confirming your death. We will act on the instructions of your personal representatives once we have received satisfactory proof of their authority to act. In the case of a Notice Account, Fixed Term Deposit or Bond, we will allow your personal representatives to close your account early without charge.

12.2 If the account is in joint names, the balance in the account will automatically pass to the surviving account holder(s), and the agreement for the account will continue in the name of the surviving account holder(s). We must receive a death certificate confirming the death of the deceased account holder. If there is money owed on the account, we will suspend the account once we are informed and we will discuss repayment of the debt with the surviving account holder(s) and the personal representatives of the deceased account holder.

Removing an account holder (for example, if the relationship between you ends)

12.3 If you are joint Personal Clients, we will remove an account holder from the account if we receive written instructions signed by all account holders. If you are a Business Client or a Trust Client, we will remove an account holder from the account if we receive written instructions to do so, or other evidence satisfactory to us that the account holder leaving the account has been lawfully removed.

Adding an account holder

12.4 If you are a Personal Client, we will ask all account holders and the new account holder to reapply. You cannot add an account holder to a Fixed Term Deposit or Bond after it is opened.

12.5 If you are a Business Client or a Trust Client, we will add a new account holder to the account once you and the new account holder sign an instruction agreeing to the new account holder being added. The new account holder must agree to the terms of your

agreement with us, and we must satisfactorily complete our standard checks. Until this is done, we can refuse to accept instructions from the new account holder.

Opening new accounts

- 12.6 Once you have entered into a Relationship Agreement with us, if you wish to open a new account then as part of our procedures in opening a new account, we will rely on the information we already hold about you. If you have given us a mandate to act on instructions from someone else appointed by you, we will apply that mandate to the new account also. If any of that information has changed since the time you gave it to us, or you want to change your mandate, you must tell us at the time.

13. Closing accounts

Your right to close your account

- 13.1 You can close an account for any reason without charge by writing to us. You can close a Transaction Account at any time. We will close your account and pay any closing balance plus interest to you no later than the next Working Day. To close a Notice Account, you must give us the same notice period as you have to give for making a withdrawal. We will close the account on expiry of the notice period.
- 13.2 You cannot close a Fixed Term Deposit once you receive confirmation from us of the interest rate, when interest will be paid, the currency and amount of the deposit and the deposit term.
- 13.3 Unless we say otherwise in the additional conditions for your account, you cannot close a Bond during the deposit term.

Our right to close your account

- 13.4 We can close your account at any time without notice if:
- (a) you have committed a serious or repeated breach of the terms of your agreement with us;
 - (b) we suspect or discover fraud or other criminal activity;
 - (c) we reasonably suspect that you have given us false or misleading information when entering into an agreement with us, in circumstances where we would not have entered into an agreement with you if we had received correct information;
 - (d) you were not entitled to open your account, for example because you were not legally authorised to open the account;
 - (e) you do not meet any eligibility conditions that we have set out in the additional conditions for the account;
 - (f) you have acted in an abusive or threatening manner to our staff;
 - (g) we learn that steps have been taken in connection with your bankruptcy, insolvency, or any similar process;
 - (h) we have to comply with our legal or regulatory obligations, or any other code or duty that applies to us; or

- (i) if we reasonably believe that keeping the account open might open us up to action or censure from a government, regulator or law enforcement body.

13.5 If none of the situations listed above applies, we can also close your account by giving you written notice as follows:

- (a) if your account is a Transaction Account, we will give you at least 2 months' notice;
- (b) if your account is a Notice Account, we will give you the same notice period as you have to give us for making a withdrawal; or
- (c) if your account is a Fixed Term Deposit or Bond, we will not close your account during the deposit term except where we have to in order to exercise our right of "set-off" under condition 14.).

13.6 We do not have to explain our reasons for closing your account.

Other rules that apply when an account is closed

13.7 On closure of an account, you must:

- (a) pay any money you owe us on the account, including any charges or overdraft interest; and
- (b) immediately stop using any chequebook, debit card or security device that we have given you to use in connection with the account. You must return or destroy them according to our instructions.

13.8 If you have an Arranged Overdraft on your account and you do not repay the overdraft by the date on which your account is closed, we will treat your Arranged Overdraft as an Unarranged Overdraft and we will calculate interest on the overdrawn amount at the interest rate we charge on Unarranged Overdrafts.

13.9 Where we have given you a debit card to use in connection with your account:

- (a) we can set aside an amount from your account in order to settle any debit card payments which we are aware of and which have not yet been debited from your account by the date on which your account is to be closed; and
- (b) if further payments are presented to us for settlement after your account has been closed which we cannot refuse, you must pay these amounts to us when we ask you to do so.

13.10 If you fail to pay any sums you owe us on the account, we can charge you our reasonable costs in taking steps to obtain payment, which may include the costs of any court action.

13.11 We will pay any credit balance on your account and/or money that we owe you in accordance with your instructions. If we do not receive instructions from you, we will pay this amount by making an electronic payment to another account held in your name(s) to which you previously made a payment to or from which you received a payment. We can also send you a cheque.

13.12 Closure of an account will not affect the Relationship Agreement, or any other accounts you hold with us, unless you specifically tell us.

13.13 Closure of an account will not affect any liability that we owe to you or that you owe to us which arises as a result of anything that has happened before the account is closed.

14. If you fail to make a payment to us (set-off)

14.1 If you fail to pay any money you owe us (whether under this Relationship Agreement or any other arrangement you have entered into with us, such as a loan), we can use the money you hold in your account(s) with us to reduce or pay the amount you owe us. We will do this if we think it is reasonable to do so, taking into account your circumstances (including making sure that you will still have enough money to meet essential living expenses) and any regulatory requirements. We can also combine accounts for this purpose. This right is called our right of "set-off". We may do this without telling you in advance if we reasonably believe that this would lead to you taking steps to prevent us exercising our rights, in which case we will notify you as soon as possible of the date we exercised our rights and the amount debited. Otherwise we will give you 5 Working Days' prior notice.

14.2 Where you are joint borrowers, we can exercise our right of set-off against any money you hold in an account in your joint names, or any money you hold in an account in any of your individual names.

14.3 We can exercise our right of set-off where you hold money with another member of Investec Group, or where you owe money to another member of Investec Group, unless we are prevented by law from doing so.

14.4 In order to exercise our right of set-off, we can where applicable:

- (a) close any Fixed Term Deposit or Bond early;
- (b) convert any money held in an account into the same currency as the currency in which we are owed money, at the exchange rate determined by us at the time we make the conversion; or
- (c) take money out of any account you hold with us, even if we have agreed that it has been set aside for a specific purpose (for example, to make a specific payment).

14.5 If we receive a legal instruction (such as a court order) to hold money in your account for someone else, or pay it to someone else, then (unless we are prevented from doing so for legal reasons) we will debit the amount we are entitled to under our right of set-off and we will only hold or pay over what remains.

14.6 Our right of set-off does not apply where we have agreed to set up a trust account and you hold money as trustee or as agent or in a similar legal capacity for the benefit of an underlying beneficiary/ies, unless you owe us money in the same capacity.

15. Contacting you

15.1 We can contact you (for example, to give you notices) by personal delivery, post, telephone, e-mail or SMS using the contact address, number or e-mail address we hold from time to time. If we need to contact you about any actual or suspected fraud or security threats, we will do this using the fastest and most secure way of contacting you. This will usually be by telephone or by email.

- 15.2 You will be treated as having received notice from us as follows:
- (a) personal delivery – when the notice is delivered;
 - (b) post – 48 hours after the letter was posted;
 - (c) fax, e-mail or SMS – at the time the message is sent, provided we do not receive a transmission error message; and

These additional conditions should be read together with the Investec Bank plc Banking Relationship Agreement. If these conditions are inconsistent with the terms set out in the Relationship Agreement, these conditions will apply.

Words with capital letters which are not defined in these additional conditions have the meaning given to them in the Relationship Agreement.

The Investec High 5 Issue 2 Account is a Notice Account.

1. Availability

- 1.1 The account is only available to Personal Clients.
- 1.2 This is a sterling account only.

2. Definitions

The following defined terms are used in these additional conditions:

AER	Annual Equivalent Rate, which is a notional rate illustrating what the interest rate would be if interest was paid and compounded once a year.
Eligible Provider	A bank or building society which holds UK customer deposits of at least £5 billion. We will determine which banks and building societies qualify as Eligible Providers on an annual basis using publicly available information. You can find the list of Eligible Providers on our website or ask us for a copy.
Moneyfacts	Moneyfacts Group plc, Moneyfacts House, 66-70 Thorpe Road, Norwich, Norfolk, NR1 1BJ. Moneyfacts is not a member of Investec Group but is an independent organisation whose main business is providing personal financial information.

3. Payments into your account

- 3.1 You must deposit a minimum of £25,000 to open the account.
- 3.2 The maximum amount you can hold in the account is £100,000.

4. Interest

- 4.1 You must have a minimum of £25,000 in the account to earn interest.
- 4.2 The interest rate on the account is a Tracker Rate.
- 4.3 Each Tuesday (or on the next Working Day, if this is not a Working Day), Moneyfacts will calculate the interest rate applicable to the account using the five highest rates selected by Moneyfacts from any of the following three categories:

- (1) easy access – no bonus;

- (2) notice accounts; and
- (3) monthly interest accounts.

Moneyfacts will only include in its calculation accounts provided by an Eligible Provider. A copy of Moneyfacts' certification is available on request from us.

- 4.4 No more than one interest rate from any one Eligible Provider will be taken into account in the calculation. Where two or more rates come from any one Eligible Provider the highest rate will apply. Where an interest rate is disqualified for this reason then the next highest interest rate which would apply will be used instead of that rate.
- 4.5 Moneyfacts will then add together the gross rates of the five highest interest rates selected by them and divide by five. The resulting rate will be the AER for the account.
- 4.6 If only five or fewer accounts are eligible for inclusion in Moneyfacts' calculation, Moneyfacts will add together the gross rates of the interest rates for all of the qualifying accounts and will divide by the number of those accounts. The resulting rate will be the AER for the account.
- 4.7 The interest rate determined by Moneyfacts will apply as the interest rate for the account from the Wednesday following the date of calculation to close of business on the following Tuesday (or, if this is not a Working Day, the next Working Day).
- 4.8 If, for any reason, Moneyfacts is unable to provide an interest rate for the account using the rules set out in this condition, then the existing interest rate will continue to apply until expiry of the period of written notice we send you changing the basis on which the interest rate is calculated.
- 4.9 We will calculate interest daily and pay interest either monthly or annually, depending on the option selected by you from time to time.

5. **Payments out of your account**

You must give us three months' notice to withdraw funds from the account.

6. **Statements and notices**

We will make either a monthly or annual statement available via online banking, depending on the frequency with which interest is paid into your account. If you ask us to, we will send you a paper statement either monthly or annually.

5. **Interest on overdrawn balances**

5.1 Overdraft interest may be payable when your account balance falls below £0.

5.2 The amount of overdraft interest will depend on:

- (a) whether we have agreed to provide an Arranged Overdraft to you; and
- (b) the amount by which your overdrawn account balance is below £0.

The table below illustrates the overdraft interest you will have to pay in various scenarios.

Scenario	Overdraft interest
If you have an Arranged Overdraft and your overdrawn account balance is within any Interest-free Threshold we have agreed with you	No overdraft interest will be payable.
If you have an Arranged Overdraft and your overdrawn account balance exceeds any Interest-free Threshold we have agreed with you, but is within the Arranged Overdraft limit we have agreed with you	No overdraft interest will be payable on the overdrawn account balance up to the Interest-free Threshold. Overdraft interest will be payable on the excess above the Interest-free Threshold at the interest rate for Arranged Overdrafts.
If you have an Arranged Overdraft and your overdrawn account balance exceeds the Arranged Overdraft limit we have agreed with you	No overdraft interest will be payable on the overdrawn account balance up to the Interest-free Threshold. Overdraft interest will be payable on the overdrawn account balance between the Interest-free Threshold and the Arranged Overdraft limit at the overdraft interest rate for Arranged Overdrafts. Overdraft interest will be payable on the overdrawn account balance in excess of the Arranged Overdraft limit at the interest rate for Unarranged Overdrafts.
If we have not agreed an Arranged Overdraft with you and your account balance falls below £0	Overdraft interest will be payable on the whole overdrawn account balance at the interest rate for Unarranged Overdrafts.

5.3 We will calculate overdraft interest daily on your overdrawn account balance at the following rates:

In relation to your Arranged Overdraft, where any overdrawn account balance exceeds the Interest-free Threshold but is

5.0% per annum above the Bank of England Base Rate (as that rate varies from time to time).

This is a Tracker Rate.

within your Arranged Overdraft limit	
In relation to your Unarranged Overdraft	15% per annum above the Bank of England Base Rate (as that rate varies from time to time) This is a Tracker Rate.

- 5.4 If overdraft interest is payable by you, we will give you advance notice of the amount payable. We will debit the amount payable from your account 14 days after your next Statement Date (or, if this is not a Working Day, on the next Working Day).
- 5.5 We can increase or reduce the Interest-free Threshold or no longer make the Interest-free Threshold available to you for the following reasons:
- (a) to take account of an actual, or reasonably expected, change in the interest rates we have to pay, for example as a result of a change to the Bank of England Base Rate or other specified market rates or indices;
 - (b) to reflect an actual, or reasonably expected, change in our underlying costs of providing the account (including our funding costs);
 - (c) to reflect any other actual or reasonably expected change that affects us if it is reasonable for us to pass the impact of the change on to you; or
 - (d) we might also need to make changes for other valid reasons that are not covered here and we will make these changes if it is reasonable for us to do so.

Where we make a change, it will be proportionate to the impact on us of the underlying reason for the change.

We will give you notice of a change to the Interest-free Threshold as follows:

If the change to the Interest-free Threshold benefits you	We will make the change immediately and tell you within 30 days of doing so.
If the change to the Interest-free Threshold adversely affects you	We will give you 2 months' notice before we make the change. You must tell us if you don't accept the change before the change takes effect. If this is the case, you will be able to close your account without losing interest or paying any charges. 7.3 If you or we close your account, you will lose the right to use benefits.

7.4 We can suspend your right to use benefits:

- (a) if we give you notice closing your account; or

Additional Conditions for the Notice Plus Account

These additional conditions should be read together with the Investec Bank plc Banking Relationship Agreement. If these conditions are inconsistent with the terms set out in the Relationship Agreement, these conditions will apply.

Words with capital letters which are not defined in these additional conditions have the meaning given to them in the Relationship Agreement.

The Notice Plus Account is a **Notice Account** with the option to have immediate access to a percentage of your funds.

1. Availability

- 1.1. The account is only available to Personal Clients who are resident in the UK.
- 1.2. You must deposit a minimum opening balance of £10,000.
- 1.3. The maximum balance you may have on your account is £1,000,000.
- 1.4. If you fail to place any funds in the account within 60 days of opening the account, we will close the account.
- 1.5. The account is a sterling account.

2. Opening your account

- 2.1. When you apply to open your account, you will be asked to select a notice period and an immediate access percentage (this is the percentage used to calculate the maximum immediately available balance).
- 2.2. You may open more than one Notice Plus Account, but no two accounts can have the same notice period.

3. Payments into your account

- 3.1. You can only make electronic payments into your account
- 3.2. You cannot make cheque payments into your account.

4. Payments out of your account

- 4.1. You can only make electronic payments to another Investec or UK financial institution account in your name (or, in the case of joint account holders, into an account in the name of either account holder).
- 4.2. You cannot make cheque payments out of your account.
- 4.3. You cannot make payments out of your account by standing order or by direct debit.
- 4.4. You can make two types of withdrawals from your account:
 - 4.4.1. withdrawals where you give us notice in accordance with your chosen notice period (“notice withdrawals”); and

4.4.2. withdrawals without notice being required (“immediate access withdrawals”).

Notice withdrawals

4.5. Unless you are using your immediate access percentage, you must give us notice in accordance with your chosen notice period to withdraw funds from your account.

Immediate access withdrawals

4.6. If you have chosen to have immediate access, the maximum amount you can withdraw without giving notice (‘immediate access balance’) is calculated as the immediate access percentage multiplied by your available balance (minus pending notice withdrawals).

4.7. Following an immediate access withdrawal, you cannot make any further immediate access withdrawals for a fixed number of days. This fixed number of days is equal to your chosen notice period.

4.8. Even if you withdraw less than your immediate access balance you cannot make any further immediate withdrawals for the fixed number of days explained in clause 4.7 above.

4.9. Once we have received your instruction, you cannot cancel it.

5. Interest

5.1. The interest rate on the account is a **Managed Rate**. Refer to our website or call us for details of the interest rate applicable.

5.2. We will calculate interest daily and pay interest monthly.

If you don’t place notice for a period of 90 consecutive days, your applicable interest rate will increase by the loyalty rate. The loyalty rate will only be paid on your account balance up to £1,000,000, and will not be paid on accounts with less than £10,000. Once you are already earning the loyalty rate, no additional loyalty rate will be applied, even if you do not place notice for more than 90 days.

5.3. From the day a notice withdrawal instruction is given, the loyalty rate will no longer be applied. You will be paid the loyalty rate again if you do not place notice for a further 90 day period.

5.4. Immediate access withdrawals do not affect the loyalty rate.

6. Statements

6.1. We will make quarterly statements available in online banking. If you ask us, we will send you paper statements.
