# FTSE 100 Bonus Income Plan 25 – ISA

## Plan overview

The Plan will provide fixed annual or monthly payments throughout the term of the Plan, with additional bonus payments dependant on the performance of the FTSE 100.

Bonus payments will be added if the FTSE 100 is higher than its starting level at the end of the payment period (either annual or monthly).

There are two Plan options available: the **Investec** option and the **UK 5** option, both options are available in an annual and a monthly version. The **UK 5** option is designed to reduce the risk of potential loss to your investment in the event that Investec fails or becomes insolvent. The risk to your investment will instead be dependent on the solvency of the named UK 5 (HSBC Bank plc, Nationwide Building Society, Santander UK plc, The Royal Bank of Scotland plc and Lloyds TSB Bank plc).

### Investec option:

- **Annual version** – Fixed payments of 7.25% per annum with potential bonus payments of 0.50% per annum.
- **Monthly version** – Fixed payments of 0.60% per month with potential bonus payments of 0.04% per month.

### UK 5 option:

- **Annual version** – Fixed payments of 6% per annum with potential bonus payments of 0.50% per annum.
- **Monthly version** – Fixed payments of 0.49% per month with potential bonus payments of 0.04% per month.

Both options also aim to return the amount you initially invested at maturity.

**However, if the FTSE 100 falls by more than 50% from the starting level at any point during the Plan, and finishes lower than the starting level, your initial investment will be reduced by 1% for every 1% fall in the FTSE 100.**

For further details on how we calculate payments and your return please see 'How does the Plan work?' on pages 8-10.

## UK 5 option

### Protection of your investment against the insolvency of Investec

In the event that Investec fails or becomes insolvent, the **UK 5** option is designed to protect against the loss of your investment. This is achieved by the existence of a portfolio of securities issued by each of the UK 5 and/or cash and/or UK government debt. We refer to this portfolio as the 'Collateral'. The Collateral is held by an independent custodian, Deutsche Bank AG, London Branch. To ensure that the Collateral is of an equivalent value to your investment, the Collateral will be maintained daily. If Investec were to fail or become insolvent, the Collateral will be used to protect your investment value at that time.

### Insolvency risk of the UK 5 (HSBC Bank plc, Nationwide Building Society, Santander UK plc, The Royal Bank of Scotland plc and Lloyds TSB Bank plc).

Your investment and payments (fixed and potential bonus) are linked to the solvency of each of the UK 5. If any of the UK 5 fails or becomes insolvent, a **20% proportion** of your investment will be at risk for each UK 5 institution insolvency and the related 20% proportion of your future payments (fixed and bonus) will cease.

The below table shows the credit ratings of the UK 5.

Financial Institution	Fitch Ratings	Moody's Investor Services Limited	Standard & Poors
HSBC Bank plc	AA	Aa3	AA-
Nationwide Building Society	A+	A2	A+
Santander UK plc	A	A2	A
The Royal Bank of Scotland plc	A	A3	A
Lloyds TSB Bank plc	A	A2	A

All of the above long term credit ratings are as at 28 June 2012.

For more information, please see 'What are the credit ratings of the UK 5' on page 18.

For further details in relation to each of the options and on how we calculate returns, please see 'How does the Plan work?' and 'How does the **UK 5** option differ?' on pages 8 and 12.

## FTSE 100 Bonus Income Plan 25 – ISA

### What are you investing in?

All of your money is used to purchase Securities issued by Investec Bank plc. Securities are a type of debt issued by a bank. In effect you are lending money to the bank (Investec Bank plc) for the duration of the Plan, and we are legally required to pay the Plan returns to you at maturity.

Investec is the Plan Manager for both options.

**None of HSBC Bank plc, Nationwide Building Society, Santander UK plc, The Royal Bank of Scotland plc or Lloyds TSB Bank plc has sponsored or endorsed the Plan or the Securities in any way, nor have any of them undertaken any obligation to perform any regulated activity in relation to the Plan or the Securities.**

### What is the FTSE 100 Index?

The FTSE 100 Index is a widely used benchmark for the UK stock market. The Index measures the performance of the shares of the 100 largest companies traded on the London Stock Exchange.

The FTSE 100 is a highly international index which includes global leaders such as HSBC, Vodafone, Royal Dutch Shell and GlaxoSmithKline. As a whole, the companies that comprise the FTSE 100 derive more than two thirds of their revenues from outside the UK and therefore provide exposure to the world economy as well as the UK.

## What are the risks of the investment?

- **Your initial investment is at risk.** If the closing level of the FTSE 100 falls by more than 50% from the starting level during the Plan, and finishes lower than the starting level, you will lose some or all of your money.
- If you redeem your investment before the end of the term, you may get back less than the amount you originally invested.
- **Investec** option: Your money will be held by Investec Bank plc. If Investec goes bankrupt or similar, you could lose some or all of your money.
- **UK 5** option: If any, or all, of the UK 5 fails or becomes insolvent (i.e. goes bankrupt or similar):  
a) your investment will be at risk (20% proportion for each of the UK 5); b) any amount you receive in relation to the proportion of your investment linked to any insolvency of a UK 5 institution may be paid at a time which is different to the Maturity Date and may be paid at a time which is significantly later; and c) any fixed and potential bonus payments in relation to the affected proportion of your investment will cease.
- **UK 5** option: If Investec fails or becomes insolvent (i.e. goes bankrupt or similar) you must rely on the Collateral for the return of your investment. If the Collateral falls in value after we fail or become insolvent, it may be insufficient to cover your investment. In this circumstance you could lose some or all of your money.
- Prior to the Start Date, your money will be held by Investec as banker. If Investec goes bankrupt or similar, you could lose some or all of your money. You will need to seek compensation from the Financial Services Compensation Scheme (FSCS).
- Inflation will reduce what you could buy in the future.
- The past performance of the FTSE 100 is not necessarily an indication of its future performance.
- The tax treatment of the Plan could change at any time.

# FTSE 100 Bonus Income Plan 25 – ISA

## How does the Plan work?

### Payments

The **Initial Index Level** is recorded at the start of the Plan:

The Plan will provide fixed payments regardless of FTSE 100 performance.

For the annual version these fixed payments will be 7.25% per annum (**Investec** option) or 6% (**UK 5** option), and for the monthly version these fixed payments will be 0.60% per month (**Investec** option) or 0.49% (**UK 5** option).

The Plan may also pay additional bonus payments for the annual version of 0.50% per annum for both the **Investec** and **UK 5** option, or for the monthly version 0.04% per month for both the **Investec** and **UK 5** option. To determine whether these bonus payments are paid a comparison will be made between the **Initial Index Level** and the **Bonus Observation Levels**, which are calculated using 'averaging' as explained below.

Average of the closing levels of the FTSE 100 on the **Bonus Observation Date** and the **4 previous Business Days**.

The use of averaging can reduce adverse effects of a falling market or sudden market falls shortly before maturity. Equally, it can reduce the benefits of an increasing market or sudden market rises shortly before maturity.

If the **Bonus Observation Level** is higher than the Initial Index Level then you will receive a bonus payment.

The **Bonus Observation Dates** for the **annual** version are 3 September 2013, 3 September 2014, 3 September 2015, 5 September 2016 and 4 September 2017.

The **Bonus Observation Dates** for the **monthly** version are the 3rd of each month of the Plan term, starting from 3 October 2012. Where the **Bonus Observation Date** would fall on a non-Business Day, it will roll to the next Business Day.

**Maturity**

At maturity, repayment of an amount equal to 100% of your initial investment will depend on whether the closing level of the FTSE 100 has fallen by more than 50% from the starting level during the **Observation Period**.

The level of the FTSE 100 is used to calculate the **Final Index Level**.

Average of the closing levels of the FTSE 100 between 8 March 2017 and 8 September 2017, both days inclusive.

## FTSE 100 Bonus Income Plan 25 – ISA

### How does the Plan work? continued

If the **Final Index Level** is **equal to or higher than** the **Initial Index Level**, you will receive back a maturity payment of an amount equal to 100% of your initial investment.

If the **Final Index Level** is **lower than** the **Initial Index Level** and the FTSE 100 **has not fallen by more** than 50% from the starting level during the **Observation Period**, you will receive back a maturity payment of an amount equal to 100% of your initial investment.

If the **Final Index Level** is **lower than** the **Initial Index Level** and the FTSE 100 **has fallen by more** than 50% from the starting level during the **Observation Period**, the maturity payment will be reduced by 1% for every 1% fall at the end of the Plan (including partial percentages).

## Examples of what you might get back from the Plan

The tables below show examples of Plan proceeds based upon an initial investment of £10,000 into the **Investec** option (annual version) of the Plan. **Table A** shows Plan proceeds assuming bonus payments are made, **Table B** shows maturity proceeds without bonus payments.

The exact return you receive will be dependent on the amount you invest, the option you select and FTSE 100 performance over the 5 year term.

Table A: Plan proceeds including bonus payments (**Investec** option)

FTSE 100 performance at maturity (compared to the starting level)	Total of fixed payments and bonus payments	FTSE 100 DOES NOT fall by more than 50% during the Plan		FTSE 100 falls by more than 50% during the Plan	
		Return at maturity	Total Plan proceeds	Return at maturity	Total Plan proceeds

Table B: Plan proceeds excluding bonus payments (**Investec** option)

FTSE 100 performance at maturity (compared to starting level)	Total of fixed payments	FTSE 100 DOES NOT fall by more than 50% during the Plan		FTSE 100 falls by more than 50% during the Plan

100% lower	£3,625	Not possible*	Not possible*	£0	£3,625

\* The FTSE 100 being 60% or 100% lower at maturity means that it would have fallen by more than 50% during the Plan, therefore this scenario is not possible.

Please remember that you are not investing directly in the FTSE 100 therefore, regardless of how high the FTSE 100 rises, the maximum return for this Plan will be as shown in the Plan overview on page 4 and above.

### How does the **UK 5** option differ?

The **UK 5** option works in the same way as the **Investec** option but is designed to reduce the risk of potential loss to your investment in the event that Investec fails or becomes insolvent. The risk to your investment will instead be dependent on the solvency of the named UK 5.

#### **Protection of your investment against the insolvency of Investec**

In the event that Investec fails or becomes insolvent the Collateral will reduce the risk of potential loss to your investment. The Collateral will be valued daily by Investec to ensure it is of an equivalent value to your investment and will be held by Deutsche Bank AG, London Branch as independent custodian.

Investec will be required to post additional Collateral if there is a shortfall in the value of the Collateral compared to the fair market value of the Plan. Any withdrawals or substitutions in relation to the Collateral will be verified by an independent verification agent, Deutsche Bank AG, London Branch. If Investec were to fail or become insolvent, then the Collateral could be accessed and used to protect your investment value at that time.

#### **Insolvency risk of the UK 5**

The return of your investment will depend on the solvency of each of the UK 5, with a 20% proportion of your investment being linked to each. If one of the UK 5 fails or becomes insolvent during the Plan Term 20% of your investment will be at risk. The 20% portion of your payments linked to the insolvent UK 5 institution will cease.

### **If any of the UK 5 fail or become insolvent, what might I get back?**

20% of your investment will be at risk for each UK 5 institution insolvency and the related 20% portion of your future payments (fixed and bonus) will cease. You are likely to get back less than the full 20% and the amount that you receive could be close to zero. In determining the amount you will receive and the date on which you will receive such amount Investec will endeavour to treat you as if you had held a similar retail structured product with the insolvent UK 5 institution. The amount you will receive in relation to that 20% portion of your investment will be determined as per the below:

- Upon a UK 5 institution failing or becoming insolvent, Investec will determine the fair and reasonable Value of the 20% portion of the Securities related to the affected UK 5 institution. This determination will include factors such as the performance of the FTSE 100 up to the date on which the affected UK 5 institution failed or became insolvent. The affected 20% of your payments (fixed and bonus) will cease.
- Investec will then determine the Recovery Rate for the affected UK 5 institution. The calculation of the Recovery Rate may be made at any point prior to or beyond the Maturity Date of the Plan.
- The amount you will receive in respect of the affected 20% portion of your investment will be calculated by Investec multiplying the Value by the Recovery Rate.

Below is an example of how the process could work if one of the UK 5 fails or becomes insolvent, based on an investment of £10,000 where £2,000 of your investment is linked to each of the UK 5.

- The Value of the Securities is determined to be 80%, reflecting a deterioration in market conditions at the time.
- The Recovery Rate of the affected UK 5 institution is determined to be 50%.
- Investec will then multiply the Value by the Recovery Rate, therefore in this example you would receive back  $80\% \times 50\% = 40\%$  of the £2,000 linked to the affected UK 5 institution. This would be £800 ( $£2,000 \times 40\%$ ).

## FTSE 100 Bonus Income Plan 25 – ISA

### Are there any compensation arrangements in place?

All of your money is used to buy Securities. If Investec (as issuer of the Securities) fails or become insolvent, it is highly unlikely that you would be covered by the Financial Services Compensation Scheme (FSCS) because you are investing in a security-based Plan rather than a deposit-based Plan.

There are exceptional circumstances under which you could be covered (subject to eligibility), for example if Investec Bank plc acting as the Issuer of the Securities or as Plan Manager were also found to have been in breach of FSA rules.

Further details of the FSCS and eligibility criteria are available at [www.fscs.org.uk/consumer](http://www.fscs.org.uk/consumer).

## Your questions answered

### Plan information

#### **Q: Investec option – What happens to my money if Investec fails or becomes insolvent?**

A: If Investec fails or becomes insolvent (i.e. goes bankrupt or similar), you could lose some or all of your money. There is no Collateral to protect against loss of your investment.

#### **Q: UK 5 option – What happens to my money if Investec fails or becomes insolvent?**

A: The Collateral is designed to protect against loss of your investment. If Investec fails or becomes insolvent, the Collateral could be accessed and used to protect the investment value at that time, however the amount available will depend on the value of the Collateral at the time. Please refer to 'How does the **UK 5** option differ?' on page 12.

#### **Q: UK 5 option – What happens to my money if one of the UK 5 fails or becomes insolvent?**

A: If any of the UK 5 fails or becomes insolvent, a 20% proportion of your investment will be at risk for each insolvency and the related 20% proportion of your future payments (fixed and bonus) will cease. In determining the amount you will receive in relation to the affected 20% proportion and the date on which you will receive such amount, Investec will endeavour to treat you as if you had held a similar retail structured product with the insolvent UK 5 institution. Please refer to 'How does the **UK 5** option differ?' on page 12.

#### **Q: UK 5 option – If one of the UK 5 fails or becomes insolvent when will I receive my money back for the 20% portion of my investment?**

A: Investec will establish the date that holders of retail structured products issued by the affected UK 5 institution are to be paid. You will receive your money back within 30 days of this date, which may be at a time which is different to the Maturity Date and may be significantly later. No interest will be paid on any amounts during any such period of delay.

#### **Q: What will happen if I invest before the closing date of 17 August 2012?**

A: If we receive your cheque and Application Form before the closing date of 17 August 2012, we will pay you Early Bird Interest of 0.75% gross per annum, from 4 Banking Days after we receive your cheque, until 2 September 2012. The Early Bird Interest you earn will be added to your investment into the Plan on 3 September 2012.

As your investment is via a stocks and shares ISA, Early Bird Interest earned will be paid net of a HMRC flat rate charge of 20%.

See the 'Tax' questions on page 19 for further details.

#### **Q: Where will my money be held before the Start Date?**

A: Prior to the Start Date your money will be held by us as banker and not as client money. This means that your money will be held by us, collectively with the funds of other investors. This arrangement will not impact on your rights to seek compensation from the FSCS in the event of Investec's insolvency. Further details of the FSCS and eligibility criteria are available at [www.fscs.org.uk/consumer](http://www.fscs.org.uk/consumer).

**Q: What happens if I change my mind?**

A: Shortly after we receive your investment, we will send you a cancellation notice which provides you with a 14 day period in which to change your mind. If you decide to cancel, provided we receive your cancellation notice prior to the Start Date, we will return your initial investment without interest.

If we receive your cancellation notice after the Start Date we will pay you the current market value of the Plan which may be less than the amount you originally invested. The redemption value received can vary and may be less than the original investment amount especially in stressed market conditions. The value returned is affected by the level of the underlying index, market volatility, interest rates and liquidity among other market variables.

If you are transferring an existing ISA to us, the cancellation notice will be sent to you shortly after we receive the proceeds from your previous ISA manager. If you decide to cancel then you can choose to transfer your ISA back to the original manager, a new manager, or have the proceeds returned to you as a cheque. In the latter event, you will lose any favourable tax treatment associated with the ISA.

If you wish to exercise your right to cancel simply complete and return the cancellation notice or write to us at the address given under 'How can I contact you?' on page 21.

**Q: What happens if I cash in my investment early?**

A: The Plan is designed to be held for the full term. If you need to cash in your investment early, you may, however we cannot guarantee what its value will be at that point and it may be less than you originally invested. We will pay you the value of your investment in accordance with the prevailing market rate at that time, less any associated selling costs and transfer taxes, including stamp duty or stamp duty reserve tax to the extent applicable. We would need to receive an instruction from you in writing.

Further information on procedures for cashing in your investment early is provided in the Terms and Conditions.

**Q: Are partial withdrawals allowed?**

A: The Plan is designed to be held until maturity but partial withdrawals or partial ISA transfers are permitted subject to a minimum of £3,000 remaining invested in the Plan. Any returns at maturity will be based on the amount remaining in the Plan.

**Q: When will the payments be made?**

A: Please see 'Key events and dates' on page 2 for first payment dates. Thereafter payments will occur every month or year throughout the Plan Term on the same date, or if that date is not a Banking Day, the next Banking Day.

**Q: How will the payments be made?**

A: Payments will be made into your bank account, therefore you should ensure that your bank account details have been provided on the application form. If bank details have not been provided, payments cannot be made, and your money will be held in a zero interest account.

**Q: Can I get a copy of the Base Prospectus?**

A: Yes, a copy of the approved Base Prospectus dated 13 June 2012, supplements to the Base Prospectus and Final Terms in relation to the Securities can be obtained upon request from Investec Structured Products, 2 Gresham Street, London EC2V 7QP.

**Q: What happens if I die during the Plan Term?**

A: In the event of your death, your estate can choose to cash in the Plan or transfer ownership to a beneficiary. If the Plan is cashed in, we will pay the greater of (a) the market value of your Plan at the time of your death or (b) the market value at date of receipt of all required documentation.

## FTSE 100 Bonus Income Plan 25 – ISA

If your estate chooses to transfer ownership to a beneficiary, the Plan will continue until maturity, although any ISA tax status will be lost, therefore the tax treatment of returns may change.

### Plan maturity

#### Q: What happens at the Plan maturity?

A: You will have the option to cash in your Plan, or transfer it to a plan offered by another plan manager, or to reinvest the proceeds into other products which may be available at that time from Investec Bank plc. We will contact you shortly before the Plan matures to ask your preference. Until we receive your instructions we will hold the relevant maturity proceeds on deposit and no interest will be paid. If you do not wish to maintain the ISA status of your investment, you could invest in any other product offered by Investec Bank plc or cash in your investment.

#### Q: What are the credit ratings of the UK 5?

A: HSBC Bank plc has a credit rating of Aa3 (negative outlook) from Moody's Investor Services Limited, AA from Fitch Ratings (negative outlook) and AA- by S&P (stable outlook).

Nationwide Building Society has a credit rating of A2 (stable outlook) from Moody's Investor Services Limited, A+ from Fitch Ratings (negative outlook) and A+ by S&P (stable outlook).

Santander UK plc has a credit rating of A2 (negative outlook) from Moody's Investor Services Limited, A from Fitch Ratings (stable outlook) and A by S&P (stable outlook).

The Royal Bank of Scotland plc has a credit rating of A3 (negative outlook) from Moody's Investor Services Limited, A from Fitch Ratings (stable outlook) and A by S&P (stable outlook).

Lloyds TSB Bank plc has a credit rating of A2 (negative outlook) from Moody's Investor Services Limited, A from Fitch Ratings (stable outlook) and A by S&P (stable outlook).

All of the above credit ratings are as at 28 June 2012 and are all long term.

#### **Q: What is the relevance of credit ratings?**

A: Credit ratings are assigned by companies known as rating agencies and are reviewed regularly. They can go up or down at any point in response to changes in the financial position of the institution in question. Credit ratings are only one way to assess the likelihood that an institution will be able to pay back any monies owed. Institutions with better credit ratings should be less likely to go bankrupt than institutions with worse credit ratings, although this has not necessarily been the case over the last few years. Ultimately, however remote the likelihood of bankruptcy might be, the risk will always exist. To reduce this risk, we suggest that structured products are used as part of a broader portfolio and that investors diversify their structured product investments across a range of issuers.

### **Charges and fees**

#### **Q: What are the charges?**

A: No charges are taken away from your initial investment. As Plan Manager, we incur fixed costs and charges for administering and marketing the Plan and paying commission to your financial adviser, which total approximately 6%. In addition we also factor in our Plan Manager's fee. All of these costs and fees have been taken into account when setting the return for the Plan.

For both options, no charges or fees are taken away from your original investment or your potential maturity payment, and there are no annual management charges, so any returns are based upon the full amount you invest into the Plan.

### **Tax**

#### **Q: How is Early Bird Interest taxed?**

A: Within a stocks and shares ISA, Early Bird Interest is paid net of a HMRC flat rate charge of 20%.

### **ISAs**

#### **Q: How much can I invest in a stocks and shares ISA?**

A: You can invest up to £11,280, as long as you have not already used all or part of your stocks and shares or cash ISA allowances for the tax year. If you have, you can invest the difference between the amount already used and the £11,280 total ISA allowance. You can only subscribe to one stocks and shares ISA in each tax year.

To make an investment into a stocks and shares ISA, you need to be over 18 and a UK resident for tax purposes. An ISA investment can only be held in your name.

#### **Q: Can I transfer any existing ISAs into this Plan?**

A: If you have other ISA investments (either cash ISA or stocks and shares ISA) you can transfer them into this Plan (subject to our Plan minimum of £3,000), and this will ensure that the ISA tax status of your investment will continue.

You can transfer as many existing ISAs as you like, without affecting your annual ISA allowance. You can also transfer current year subscriptions. This must be for the whole current year subscription in that ISA, up to the day of transfer. Once the subscription is transferred it is treated as if it had been invested directly into our ISA. If you transfer your current year

## FTSE 100 Bonus Income Plan 25 – ISA

cash ISA subscription, it will be treated as though it has been made to a stocks and shares ISA. Therefore, you may still be able to subscribe to a cash ISA in the current year, should you wish.

If you wish to transfer, you should check with your existing ISA manager that this is permitted. They may impose a charge for transferring. You should also be aware of the potential for the loss of income or growth whilst the transfer is pending.

When we receive the transfer funds, we will set up an individual Plan for each existing ISA that you transfer to us.

### **Q: What happens if my ISA transfer funds are received after the transfer funds deadline of 24 August 2012?**

A: Regrettably, we are unable to accept transfer funds received after the deadline, therefore they will be returned to your original ISA Manager for re-investment.

## **Compensation**

### **Q: Who is not eligible to receive compensation from the FSCS?**

- A: (a) All companies, or collective investment schemes, or overseas financial institutions or trustees of occupational pension schemes of an employer which is a company, which do not meet at least two of the following three criteria:
- (1) Turnover of not more than £6.5 million;
  - (2) Balance sheet total no greater than £3.26 million;

### **Q: What support do you provide to financial advisers?**

A: We provide financial advisers with additional benefits which are designed to enhance the quality of their service to you. These benefits may include some or all of the following: training, seminars and marketing materials.

### **The Plan Manager provides the FTSE 100 Bonus Income Plan 25 to you on the following Terms and Conditions (of which the Application Form is a part):**

#### **1. Application**

- 1.1 On the receipt of a duly completed Application Form and cheque (or banker's draft, telegraphic transfer or any other means acceptable to the Plan Manager) the Plan Manager may accept your application subject to these Terms and Conditions. The Plan Manager reserves the right to reject an application for any reason.

#### **2. Cancellation Rights**

- 2.1 The Plan Manager will give you the right to cancel your Plan within 14 days of the Plan Manager's acceptance of your Application Form in accordance with the requirements of the FSA Handbook. You will be informed of your right to cancel in the information that the Plan Manager sends you on receipt of your application. Alternatively you can write to the Plan Manager at Investec Administration, PO Box 1008, St Albans, Hertfordshire AL1 9LZ. If you do so, please provide your name and address and the Plan number with clear instructions to cancel your investment. If the Plan Manager receives your cancellation notice before the Start Date, it will return

to you without interest any cash subscriptions in the Plan. If the Plan Manager receives your cancellation notice after the Start Date, it will return to you without any interest cash subscriptions that may be subject to a market value adjustment. The redemption value received can vary and may be less than the original investment amount especially in stressed market conditions. The value returned is affected by the level of the underlying index, market volatility, interest rates and liquidity among other market variables. Where you do not exercise your cancellation rights, the Plan will continue in line with the Terms and Conditions.

#### **3. ISA Accounts**

- 3.1 You must subscribe to your ISA with your own cash or by transfer of cash from an existing ISA. Transfers of cash from existing ISAs will normally be arranged with the existing ISA managers. Once the cash from the existing ISA has been transferred, your ISA will be subject to these Terms and Conditions. In respect of an ISA transfer, a cancellation notice will be sent to you after the funds are received from your previous ISA manager. If, following an ISA transfer you cancel your ISA, you may lose the favourable tax treatment applicable. The Plan Manager reserves the right to withhold any amounts under £1 which cannot be applied to the Plan. The remaining pence will not be returned to you.
- 3.2 'ISAs' can be either cash or stocks and shares. If you are subscribing for a stocks and shares ISA you must not have subscribed and may not subscribe to another stocks and shares ISA in the same tax year. Please note that the Plan Manager only offers the stocks and shares component in this investment.
- 3.3 You will immediately inform the Plan Manager in writing if you cease to be a qualifying individual for the purposes of the ISA Regulations. The Plan Manager will notify you if, by reason of any failure to satisfy the provisions of the ISA Regulations, an ISA has, or will, become void.

- 3.4 The Plan Manager shall not accept any further amounts into an ISA if the ISA Regulations no longer give you the right to invest in that ISA.
- 3.5 When Investec Bank plc receives your investment, it will be deposited into an ISA designated account with us as banker. In the event of Investec's insolvency your money will not be protected and you must rely on your right of recourse to the FSCS. You may lose all or part of your initial Plan investment.
- 3.6 Except as stated below interest will not be paid on monies held within client accounts. For the avoidance of any doubt no interest is payable on money held after the Maturity Date or following an early withdrawal from the Plan. Where Early Bird Interest is paid it will be after deduction of a 20% HMRC flat rate charge. Early Bird Interest will begin to accrue 4 Banking Days after the date of receipt of your cheque, provided it is received before the Plan closing date of 17 August 2012 and will be payable at a rate of 0.75% gross per annum until 2 September 2012. The amount of interest invested or reinvested will be rounded down to the nearest whole number of pounds and the balance retained by the Plan Manager. It will be credited once on a simple interest basis.
- 3.7 The proceeds of an ISA will not be subject to either UK Income Tax or UK Capital Gains Tax and any gains or losses on your investment will be disregarded for the purposes of UK Capital Gains Tax. These statements are based on current legislation, regulations and practice, all of which may change.
- 3.8 On your death, your ISA will lose its ISA status immediately and your Plan will be dealt with in accordance with the instructions of your personal representatives. Your personal representatives can sell your Securities or transfer them to your beneficiaries.

#### **4. Maturity**

- 4.1 Under the terms of the Plan, the Maturity Date will occur after 5 years and 1 week. The Securities are structured so that the amount you are due to receive from your Plan is in accordance with the Plan Objective. The Plan Manager will contact you to inform you of your options at maturity and any action required by you. You should note that once the Plan has matured, we will hold the proceeds on deposit as banker for up to six months. The proceeds will, therefore not be held in accordance with the Client Money rules and interest will not be paid. If we have not received your written instructions at 6 months, we will return your money by cheque to the last address provided to us. The ISA status will subsequently be lost.

#### **5. Purchase of Plan Securities**

- 5.1 On the Start Date, the Plan Manager will purchase Securities for your Plan. The Securities will have been specifically structured to match the Plan Objective. The amount payable on redemption will be determined by reference to the percentage change (if any) of chargeable assets, over the Securities redemption period. Securities are purchased on your behalf and the Plan Manager will not be obliged to account for any interest earned pending settlement. Investment in the Plan will not commit your funds to any extent beyond the amount invested by you.
- 5.2 When the Plan Manager purchases and sells Securities in accordance with these Terms and Conditions, it will always be acting as your agent, and not as the agent of the Issuer.

#### **6. Conflict of Interest**

- 6.1 Occasions can arise where the Plan Manager, or one of its other clients, will have some form of interest in business which is being transacted for the Plan. If this happens, or the Plan Manager becomes aware that its interests or those of one of

its other clients conflict with your interests, you will be informed and asked for your written consent before any transaction is carried out. A copy of Investec Bank plc's conflicts policy can be obtained upon request from Investec Administration, PO Box 1008, St Albans, Hertfordshire AL1 9LZ (0845 603 9176). A summary can be found at [www.investec.co.uk/legal/uk/conflicts-of-interest.html](http://www.investec.co.uk/legal/uk/conflicts-of-interest.html).

### 7. Registration and Custody

- 7.1 Your Securities will be registered in the name of Ferlim Nominees Limited, and documents of title, if any, will be kept in the custody of the Nominee, who is not authorised under the Financial Services and Markets Act 2000. The Plan Manager may, at its discretion, agree to such alternative custodial arrangements as it may determine from time to time without notice to you. Such documents of title shall not be lent to any third party and money may not be borrowed on your behalf against the security of those documents.
- 7.2 Unless alternative custodial arrangements are agreed as above, your Securities will be registered collectively in the name of the Nominee and, although the amount of Securities that you hold will be recorded and separately identified by the Plan Manager, your holding may not be identifiable by separate documents or certificates of title. Therefore, in the event of default, any shortfall in the Securities may be shared pro rata among all investors in the FTSE 100 Bonus Income Plan 25 whose Securities are registered in the name of the Nominee.

### 8. Insurance Cover

- 8.1 The Plan Manager will maintain insurance cover to indemnify you against, amongst other risks, misappropriation of funds or Securities by any employee of the Plan Manager.

### 9. Record Keeping and Statements

- 9.1 At all times you or your nominated agent may request sight or a copy of entries in the Plan Manager's records relating to your Securities in accordance with the rules of the FSA Handbook. Such records will be maintained for a minimum of seven years after the Start Date.
- 9.2 The Plan Manager will supply you annually with a report on the value of your Plan held through your ISA.
- 9.3 The Plan Manager may employ agents in connection with the services it is to provide and may delegate any or all of its powers or duties to any delegate(s) of its choice in accordance with the ISA Regulations. The Plan Manager will satisfy itself that any person to whom it delegates any of its functions or responsibilities under these Terms and Conditions is competent to carry out those functions and responsibilities. The Plan Manager shall not be liable for the fraud, negligence or wilful default of any such agent or delegate. This shall not exclude or restrict any liability towards you to which, by virtue of the ISA Regulations, the Financial Services and Markets Act 2000, or the FSA Handbook, the Plan Manager may be subject.

### 10. Termination

- 10.1 The Plan or any investment comprised in it may be terminated immediately by the Plan Manager on giving written notice to you, if in its opinion, it is impossible to administer the Plan or that investment in accordance with the ISA Regulations or you are in breach of the ISA Regulations.
- 10.2 The ISA will terminate automatically with immediate effect if it becomes void under the ISA Regulations. The Plan Manager will notify you in writing if the ISA becomes void.

10.3 The Plan Manager may terminate your investment in the Plan on one month's notice if you are in material breach of any of these Terms and Conditions, such as:

- If you fail to pay any money due; or
- If you have given us inaccurate information and, had we received accurate information, we would not have entered into the Plan with you.

10.4 The terms of the Securities may permit the Issuer of the Securities to withhold, defer, reduce or even terminate payments in certain events including, but not limited to, illegality, force majeure or other events beyond the control of the Plan Manager, and as a result, you may receive less than you would otherwise have anticipated or may have to wait for the proceeds.

10.5 The Plan Manager may terminate the Plan at any time for reasons including, but not limited to illegality, force majeure or other events beyond the control of the Plan Manager, provided the Plan Manager gives you a reasonable period of written notice as the situation dictates.

10.6 You may terminate the investment in the Plan at any time by giving written notice to that effect to the Plan Manager. The notice must specify whether you wish the proceeds from the sale of the related Securities to be paid directly to you or, to be transferred to another ISA manager. If you terminate your Plan within 14 days of the Plan Manager's acceptance of your Application and prior to the Start Date, you will receive a return of your initial investment without interest (see paragraph 2 (Cancellation Rights)). Early termination outside of this period however may result in a loss of capital. There will be a restricted market in the sale of Securities. The redemption value received can vary and may be less than the original investment amount especially in stressed market conditions. The value returned is affected by the level of the underlying index, market volatility, interest rates and liquidity among other market variables.

10.7 Termination of the Plan or any investment in the Plan will not affect the settlement of any outstanding fees and will not affect any legal rights or obligations which may have already arisen or any provision of these Terms and Conditions which is expressly or by necessary implication intended to survive termination. On termination, the Plan Manager will promptly account to you for the proceeds of sale of the related Securities held through the Plan, save that it will be entitled to retain any funds required to pay any outstanding tax or other amounts payable from the Plan.

## 11. Charges

11.1 The returns which you are due to receive, in accordance with the Plan Objective, are net of all anticipated charges and expenses due to third parties (excluding any tax that you may be liable to pay, or charges we may reasonably require you to pay in respect of significant taxation changes). These charges are estimated to be not more than 6%, excluding any such tax or charges for taxation changes, but including commission paid to any financial adviser who arranged the investment. No other charges are anticipated. If you terminate your Plan before maturity, no further charges will be deducted nor will those taken at the Start Date be rebated, however you may not get back the original amount invested. We will also deduct any associated selling costs and transfer taxes including stamp duty or stamp duty reserve tax to the extent applicable. Please note that it is possible that you will be liable to pay additional taxes or costs that are not paid, or imposed, by us.

## 12. Variation of Terms

12.1 The Plan Manager may vary these Terms and Conditions by giving you reasonable written notice:

- (a) to comply with any changes to the ISA Regulations, other relevant legislation, HMRC practice and the FSA Rules (or the way they are applied);

## FTSE 100 Bonus Income Plan 25 – ISA

(b) to make them fairer to you or to correct a mistake (provided this correction would not adversely affect your rights); or

(c) in order to manage your Plan more effectively, or to introduce additional facilities or options within your Plan. The Plan Manager will notify you of any such change as soon as is reasonably practicable after the change has been made, if you have not been given prior notice.

### 13. Exclusion of Liability

13.1 The Plan Manager will exercise due care and diligence in managing your Plan. However the Plan Manager will not be liable to you:

(a) for any default by the Nominee, or any securities depository with whom your Securities are deposited, or for any fraud, negligence or wilful default on the part of the Nominee or any such securities depository or other third party;

(b) for any loss, depreciation or fluctuation in the value of the Securities held within your Plan, except as a result of fraud, negligence or wilful default by the Plan Manager;

(c) if the Plan Manager cannot carry out its responsibilities because of circumstances beyond its reasonable control;

or

(d) for the acts or omissions of any professional adviser who arranged your investment in the Plan.

The Plan Manager will exercise its authority under these Terms and Conditions in an appropriate way. However, whilst the Securities will be structured with a view to meeting the Plan Objective, the Plan Manager is unable to (and does not) guarantee that the Plan Objective will be met. You acknowledge that you have read and understood these Terms and

Conditions and the risk factors set out in the brochure provided to you in connection with your Plan. In particular, you acknowledge that your entitlement under the Plan is dependent on the exact terms of issue of the Securities. These may contain provisions allowing for (a) adjustments to the timing of calculation of entitlements and (b) the termination of the Securities, including (without limitation) in circumstances where the Plan Manager is in default. No provision in these Terms and Conditions will operate so as to exclude or limit the liability of the Plan Manager and/or the Issuer to the extent that this would be prohibited by law or the FSA Rules.

### 14. No Security

14.1 At all times during the continuance of the Plan, you will remain the beneficial owner of the Securities held in the Plan and the Securities must not be used as security for a loan, or any other financial arrangements.

If you wish, however, you may request the Plan Manager to arrange for you to attend (and vote at) meetings of holders of Securities in relation to investments in the Plan to the extent that this is permitted by the terms of the relevant instrument for the Securities concerned. If you request, the Plan Manager will send you copies of the annual report and accounts and any offering circular, prospectus or other information which is issued to holders of Securities in your Plan.
