Terms in this brochure beginning with a capital letter, unless otherwise defined, have the meanings given to them in the Definitions appearing on page 17 of this brochure. All returns, unless stated otherwise, are gross and are subject to deduction of basic rate tax at source.

Who is Investec?

This brochure has been prepared by Investec Structured Products which is a trading name of Investec Bank plc, which is part of the Investec group of companies.

The Investec group is an international specialist bank and asset manager that provides a diverse range of financial products and services to a select client base in three principal markets, the United Kingdom, South Africa and Australia. The group was established in 1974 and currently has approximately 7,300 employees.

Investec focuses on delivering distinctive profitable solutions for its clients in three core areas of activity, namely Asset Management, Wealth & Investment and Specialist Banking (comprising Property Activities, Private Banking, Investment Banking and Capital Markets).

The Financial Services Authority is the independent financial services regulator. It requires us, Investec Bank plc, to give you this important information to help you decide whether our FTSE 100 Target Income Deposit Plan 3 is right for you. You should read this document carefully so that you understand what you are buying, and then keep it safe for future reference.

What is the aim of the Plan?

The aim of this Plan is to provide payments that deliver returns in excess of cash deposits.

Your commitment

You must be able to commit a sum of at least £3,000 for the full 6 years.

Plan overview

This Plan is designed to repay your initial deposit and make annual payments of:

- 4.5% per annum if the FTSE 100 is higher than 90% of its starting level on each Anniversary, any unpaid payments will be added to any subsequent payments.

For further details on how we calculate returns, which includes the use of averaging, please see 'How does the Plan work?' on page 5.

What happens to your money?

Your money is deposited with a bank in a similar way to a bank account. The bank is legally required to repay your deposit when the Plan matures.

Who holds your money?

Your deposit will be held by Investec Bank plc.

What are the risks of the Plan?

- You may not receive any payments. If the FTSE 100 is equal to or lower than 90% of the starting level on every Anniversary of the Start Date, no payments will be made.
- If you redeem your Plan before the end of the 6 year term, you may get back less than the amount you originally deposited.
- Your funds will be held by Investec Bank plc. If Investec goes bankrupt or similar, your initial deposit may not be returned to you. You will need to seek compensation from the Financial Services Compensation Scheme (FSCS).
- Inflation will reduce what you could buy in the future.
- The past performance of the FTSE 100 is not necessarily an indication of its future performance.
- The tax treatment of the Plan could change at any time.

How does the Plan work?

Your initial deposit will be returned at maturity, regardless of any fall in the FTSE 100.

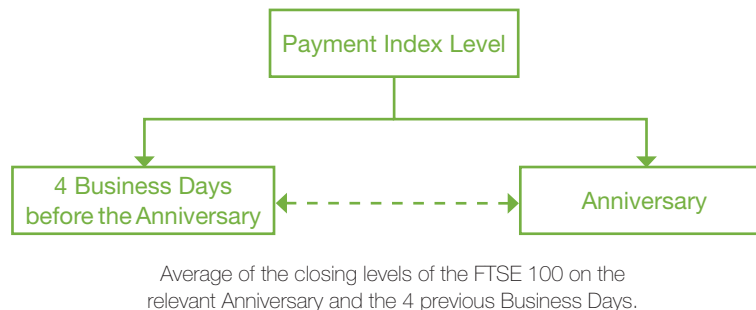

The **Initial Index Level** is recorded at the start of the Plan:

On any Anniversary, if the **Payment Index Level** is higher than 90% of the **Initial Index Level** you will receive a payment of 4.5%. The **Payment Index Level** is calculated using 'averaging', as explained below.

If the **Payment Index Level** is equal to or lower than 90% of the **Initial Index Level**, no payment will be made for that year. The missed payments will be added together and combined with any subsequent payment made.

The Anniversaries are 10 June 2014, 10 June 2015, 10 June 2016, 12 June 2017, 11 June 2018 and 10 June 2019.

The use of averaging to calculate the **Payment Index Level** can reduce adverse effects of a falling market or sudden market falls shortly before an Anniversary. Equally, it can reduce the benefits of an increasing market or sudden market rise shortly before an Anniversary.

Any payment will be made within 5 Banking Days of the relevant Anniversary.

Examples of payments that you may receive

The table below shows examples of potential payments based upon an initial investment of £10,000. The exact return you receive and the frequency of payments will be dependent on the amount you invest and FTSE 100 performance.

Anniversary	Is the Payment Index Level greater than 90% of the Initial Index Level?	Payment
1	Yes	£450
2	No	£0
3	No	£0
4	Yes	£1,350*
5	Yes	£450
6	Yes	£450

Returns are subject to deduction of basic rate tax at source. * includes rolled over payments.

In this example, the Payment Index Level is equal to or below 90% of the Initial Index Level on the second and third Anniversaries, therefore no payments are made for these years; instead the payments are rolled over. The payment on the fourth Anniversary includes the rolled over payments from the second and third Anniversaries.

Regardless of FTSE 100 performance, the initial investment of £10,000 will also be repaid after 6 years.

Please note that you are not investing directly in the FTSE 100.

Are there any compensation arrangements in place?

If Investec Bank plc is unable to meet its financial obligation to return your money at maturity (i.e. goes bankrupt or similar), you will need to seek compensation from the Financial Services Compensation Scheme (FSCS).

Investec is covered by the FSCS. The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors, including most individuals and small businesses, are covered by the scheme.

In respect of deposits, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor's accounts with the bank, including their share of any joint account, and not to each separate account.

For further information about the scheme (including the amounts covered and eligibility to claim) please call us on 020 7597 4065, refer to the FSCS website, www.FSCS.org.uk, or call 0800 678 1100.

The FSCS is mainly in place for individuals and small companies to seek compensation. There are specific eligibility restrictions for other customers. Please see page 14 for further details.

Your questions answered

Plan information

Q: What is the FTSE 100 Index?

A: The FTSE 100 Index is a widely used benchmark for the UK stock market. The Index measures the performance of the shares of the 100 largest companies traded on the London Stock Exchange.

The FTSE 100 is a highly international index which includes global leaders such as HSBC, Vodafone, Royal Dutch Shell and GlaxoSmithKline. As a whole, the companies that comprise the FTSE 100 derive more than two thirds of their revenues from outside the UK, and therefore provide exposure to the world economy as well as the UK.

Q: Where will my money be held before the Start Date?

A: Prior to the Start Date your money will be held by us as banker and not as client money. This means that your money will be held by us, collectively with the funds of other investors. If you have agreed for a fee to be deducted from the amount invested and paid to your financial adviser, this will also be held by us as banker until the date it is paid. This arrangement will not impact on your rights to seek compensation from the FSCS in the event of Investec's insolvency. Further details of the FSCS and eligibility criteria are available at www.fscs.org.uk/consumer.

Q: What happens if I change my mind?

A: Shortly after we receive your investment, we will send you a cancellation notice which provides you with a 14 day period in which to change your mind.

If you decide to cancel within this period, we will return your initial deposit without interest, along with any fee yet to be paid to your financial adviser. If the fee has already been paid by us, you will need to discuss reclaiming the fee with your financial adviser.

If you are transferring an existing cash ISA to us, the cancellation notice will be sent to you shortly after we receive the proceeds from your previous ISA manager.

If you decide to cancel then you can choose to transfer your ISA back to the original manager, a new manager, or have the proceeds returned to you as a cheque. In the latter event, you will lose any favourable tax treatment associated with the ISA.

If you wish to exercise your right to cancel simply complete and return the cancellation notice or write to us at the address given under 'How can I contact you?' on page 16.

Q: What will happen if I invest before the closing date?

A: No interest will be paid if we receive your cheque and Application Form before the closing date.

Q: What happens if I cash in my Plan early?

A: The Plan is designed to be held for the full term of 6 years. If you need to cash in your Plan early, you may, however we cannot guarantee what its value will be at that point and it may be less than you originally invested. We will pay you the value of your Plan in accordance with the prevailing market rate at that time, less any associated selling costs and transfer taxes. The redemption value received can vary and may be less than the original investment amount especially in stressed market conditions. The value

returned is affected by the level of the underlying index, market volatility, interest rates and liquidity among other market variables. We would need to receive an instruction from you in writing. Further information on procedures for cashing in your Plan early is provided in the Terms and Conditions.

Q: Are partial withdrawals allowed?

A: The Plan is designed to be held until maturity however, partial withdrawals or partial ISA transfers are permitted subject to a minimum of £3,000 remaining invested in the Plan. Any return at maturity will be based on the amount remaining in the Plan.

Q: What happens if I die during the Plan Term?

A: **Single applicants:** In the event of your death, your estate can choose to cash in the Plan or transfer ownership to a beneficiary.

If the Plan is cashed in, for those aged 75 or younger at the Start Date, we will pay the greater of (a) initial deposit, (b) market value at date of death, or (c) market value at date of receipt of all required documentation. The Plan therefore, will return at least your initial deposit at maturity or upon your death.

If you are aged over 75 at the Start Date, in the event of your death we will pay the greater of (a) the market value of your Plan at the time of your death or (b) market value at date of receipt of all required documentation.

If the Plan is held via an ISA the ISA status is lost from the date of death. This means that if the cashed in amount exceeds your initial investment that excess will be subject to deduction of basic rate income tax.

If your estate chooses to transfer ownership to a beneficiary, the Plan will continue until maturity. As any ISA tax status will be lost, the tax treatment of returns may change.

In all cases the Plan will be administered in accordance with the instructions from your personal representatives and/or as part of probate/administration.

Joint applicants: For Plans invested in the name of husband and wife, the Plan will transfer automatically to the name of the surviving partner. For other joint applications, the Plan will be administered in accordance with the instructions of your personal representatives, and/or as part of probate/administration.

Plan Maturity

Q: What happens at maturity?

A: You will have the option to cash in your Plan, transfer it to a Plan offered by another plan manager, or to reinvest the proceeds into other products which may be available at that time from Investec Bank plc. We will contact you shortly before the Plan matures.

Until we receive your instructions we will hold the relevant maturity proceeds on deposit and no interest will be paid. Please note that such monies will be held by us as banker and not as client money. If we have received your written instructions you will receive financial settlement within 5 Banking Days of the Plan maturing. If we have not received your written instructions at 6 months, we will return your money by cheque to the last address provided to us.

Q: What happens to the ISA status of my investment at maturity?

A: If you wish to maintain the ISA status of your investment, you could either transfer it to another cash ISA product offered by Investec Bank plc or you could transfer your investment to another ISA manager. If you do not wish to maintain the ISA status of your investment, you could invest in any other product offered by Investec Bank plc or cash in your investment. In the event that we have not received your written instructions 6 months after maturity, we will return your money by cheque to the last address provided to us, at which point the ISA status of your investment will be lost.

Investec

Q: Who is the Plan Manager?

A: The Plan Manager is Investec Bank plc (Registered No. 00489604 England), which is authorised and regulated by the Financial Services Authority. Investec is on the Financial Services Authority's register, under number 172330.

Q: What is Investec Bank plc's credit rating?

A: Investec Bank plc has a credit rating of BBB- with a negative outlook (28 November 2012) as rated by Fitch. This means that Fitch is of the opinion that Investec Bank plc has a good credit quality and indicates that expectations of default risk are currently low. Investec Bank plc has a credit rating of Baa3 with a negative outlook (23 August 2011) as rated by Moody's. This means that Moody's is of the opinion that Investec Bank plc is subject to moderate credit risk,

is considered medium-grade, and as such may possess certain speculative characteristics.

For more information on Investec Bank plc please visit: www.investec.com.

Q: What is the relevance of credit ratings?

A: Credit ratings are assigned by companies known as rating agencies and are reviewed regularly. They can go up or down at any point in response to changes in the financial position of the institution in question.

Credit ratings are only one way to assess the likelihood that an institution will be able to pay back any monies owed. Institutions with better credit ratings should be less likely to go bankrupt than institutions with worse credit ratings, although this has not necessarily been the case over the last few years.

Ultimately, however remote the likelihood of bankruptcy might be, the risk will always exist. To reduce this risk, we suggest that structured products are used as part of a broader portfolio and that investors diversify their structured product investments across a range of issuers.

Charges and fees

Q: What are the charges?

A: You may incur fees for the financial advice you receive. You can choose to pay these direct to your financial adviser, or we can deduct the fee from the amount you invest. Please discuss with your financial adviser for more details. No charges are taken away from your initial investment. There are also no annual management charges, so any returns are based upon the full amount you invest into the Plan.

As Plan Manager, we incur fixed costs and charges for administering and marketing the Plan, which total approximately 2%. In addition we also factor in our Plan Manager's fee. All of these costs and fees have been taken into account when setting the return for the Plan.

Tax

Q: How are returns taxed (UK tax resident individuals)?

A: **Direct investments:** If you invest directly into the Plan any payments will be paid net of basic rate income tax. If you are a higher rate or additional rate tax payer a further liability will arise. If you are not a tax payer and are entitled to receive payments gross (i.e. without tax deducted at source) you will need to ensure that we hold a valid Form R85 before the first payment date. You can find a copy online at www.hmrc.gov.uk/forms/r85.pdf.

ISA investments: payments from the Plan are not subject to tax, and therefore will be paid gross.

Q: How are returns taxed (non-UK tax resident investors)?

A: Any payment will be paid net of basic rate income tax.

The tax treatment of any returns thereafter will depend on your personal circumstances and the tax legislation in your jurisdiction. This deposit is a UK onshore asset that is subject to UK tax rules. Assets bought onshore will be subject to UK tax legislation.

Independent tax advice should be sought prior to making any investment into the Plan.

If you are entitled to receive payments gross, you will need to ensure that we hold a valid Form R105 at the Start Date. If you are entitled to receive returns at maturity gross, you will need to ensure that we hold a valid Form R105 by the Maturity Date. You can find a copy online at www.hmrc.gov.uk.

Q: How are returns taxed (SIPP/SSAS, corporates, registered charities and offshore bonds)?

A: Any payments will be paid gross. Please seek your own advice as to how you should treat them for tax purposes.

Tax rules and your benefit from them may change at any time. You should seek advice from your financial or tax adviser if you are unsure of the tax treatment of the product for your purposes, before you invest.

ISAs

Q: How much can I invest in a cash ISA?

A: You can invest up to £5,760, as long as you have not already used all or part of your cash ISA allowance for the tax year. You can only subscribe to one cash ISA in each tax year.

To make an investment into our cash ISA, you need to be over 18 and a UK resident for tax purposes. An ISA investment can only be held in your name.

Q: Can I transfer any existing ISAs into this Plan?

A: If you have other cash ISA investments you can transfer them into this Plan (subject to our Plan minimum of £3,000), and this will ensure that the ISA tax status of your investment will continue.

You can transfer as many existing cash ISAs as you like, without affecting your annual ISA allowance.

You can also transfer current year subscriptions. These transfers must be for the whole current year subscription in that ISA, up to the day of transfer. Once the subscription is transferred it is treated as if it had been invested directly into our ISA.

You cannot transfer a stocks and shares ISA into a cash ISA.

If you wish to transfer, you should check with your existing ISA manager that this is permitted. They may impose a charge for transferring. You should also be aware of the potential for loss of income or growth whilst the transfer is pending.

When we receive the transfer funds, we will set up an individual Plan for each existing ISA that you transfer to us.

Q: What happens if my ISA transfer funds are received after the transfer funds deadline of 31 May 2013?

A: Your ISA transfer funds will be placed in an Investec Cash ISA Account. Your money will be held by us as banker and not as client money. This means that, in the event of insolvency during this period your money will not be protected and you would need to seek compensation from the FSCS. Further details of the FSCS and eligibility criteria are available at www.fscs.org.uk/consumer.

Please note that your funds will not earn any interest whilst in this account.

When we receive the transfer funds we will write to you with the following options:

- (1) Invest your ISA funds into a new Plan with Investec Structured Products.
- (2) Transfer your ISA funds to another chosen ISA Plan Manager.
- (3) Return your funds to you by cheque. Please note that this would mean your funds lose their ISA status.

In addition to the above options you will also have the right to cancel the cash ISA. If you exercise this right then we will return the funds to your previous ISA plan manager. Please see 'What happens if I change my mind?' on page 10 for further details.

Compensation

Q: Who is not eligible to receive compensation from the FSCS?

- A: (a) All companies, or collective investment schemes, or overseas financial institutions or trustees of occupational pension schemes of an employer which is a company, unless they meet at least two of the following three criteria:
- (1) Turnover of not more than £6.5 million;
 - (2) Balance sheet total no greater than £3.26 million;

Please note these criteria may change in the future. For further information, please refer to the Financial Services Compensation Scheme website: www.fscs.org.uk.

Q: How much will any advice cost?

A: You may need to pay your financial adviser a fee for advising on and for arranging the sale of this Plan. Your financial adviser will discuss and agree this fee with you before you invest.

Q: What support do you provide to financial advisers?

A: We provide financial advisers with additional benefits which are designed to enhance the quality of their service to you. These benefits may include some or all of the following: training, seminars and marketing materials.

Please note that at the Start Date only whole pounds will be invested and any pence will be retained by us.
- 3.2 Interest will not be paid on monies held within client accounts. For the avoidance of any doubt we will not pay interest on any money held before the Start Date, after the Maturity Date or following any early withdrawal from the Plan.
- 3.3 Where the Plans are held through a Direct Account your maturity return will be paid net of basic rate tax. If you are a higher rate tax payer a further liability will arise. If you are a UK tax resident individual and are entitled to receive your maturity return gross (i.e. without tax deducted at source) you will need to ensure that we hold a valid Form R85 at the date your Plan matures. You can find a copy online at www.hmrc.gov.uk/forms/r85.pdf. If you are not ordinarily resident in the UK and would like to receive your maturity return gross, please complete the relevant version of Form R105 before the Plan matures. You can find the relevant version of Form R105 at the HMRC website www.hmrc.gov.uk. These statements are based on current legislation, regulations and practice, all of which may change.

4. ISA Accounts

- 4.1 For ISA investments, when Investec Bank plc receives your money, it will be held by us as banker in an Investec Cash ISA Account. If you have agreed for a fee to be deducted from the

amount invested and paid to your financial adviser, this will also be held by us as banker until the date it is paid. However, there is a risk that Investec may fail to meet its obligations. In the event of Investec's insolvency your money will not be protected, and you must rely on your right of recourse to the FSCS. You may lose all or part of your initial deposit. Please note that at the Start Date only whole pounds will be invested and any pence will be retained by us.

- 4.2 Interest will not be paid on monies held within client accounts. For the avoidance of any doubt no interest is payable on money held before the Start Date, after the Maturity Date or following an early withdrawal from the Plan.
- 4.3 You must subscribe to your cash ISA with your own cash or by transfer of cash from an existing cash ISA. Transfers of cash from existing cash ISAs will normally be arranged with the existing ISA managers. Once the cash from the existing cash ISA has been transferred, your ISA will be subject to these Terms and Conditions. In respect of a cash ISA transfer, a cancellation notice will be sent to you after the funds are received from your previous ISA manager. If, following an ISA transfer you cancel your ISA, you may lose the favourable tax treatment applicable. The Plan Manager reserves the right to withhold any amounts under £1 which cannot be applied to the Plan. The remaining pence will not be returned to you.
- 4.4 The proceeds of an ISA will not be subject to UK Tax. Also Tax gains or losses on your ISA investment will be disregarded for the purposes of UK Tax.
- 4.5 'ISAs' can be either cash or stocks and shares. If you are subscribing for a cash ISA you must not have subscribed and may not subscribe to another cash ISA in the same tax year. Please note that the Plan Manager only offers the cash component in this Plan.
- 4.6 You will immediately inform the Plan Manager in writing if you cease to be a qualifying individual for the purposes of the ISA Regulations. The Plan Manager will notify you if, by reason of any failure to satisfy the provisions of the ISA Regulations, an ISA has, or will, become void.

- 4.7 The Plan Manager shall not accept any further amounts into an ISA if the ISA Regulations no longer give you the right to invest in that ISA.
- 4.8 On your death, your ISA will lose its ISA status immediately and your Plan will be dealt with in accordance with the instructions of your personal representatives. Your personal representatives can sell your Plan or transfer them to your beneficiaries.

5. Maturity

- 5.1 Under the terms of the Plan, the Maturity Date will occur after 6 years. The Plan Manager will realise the proceeds of your initial deposit on the Maturity Date. The deposits are structured so that their value on that date will correspond to the amount you are due to receive from your Plan in accordance with the Plan Objective. The Plan Manager will contact you prior to the Maturity Date to inform you of any action required by you. The Plan Manager may, at its discretion, repay maturity proceeds to you by transferring the funds into the bank or building society account from where the initial deposit originated. Should this occur you will be informed in writing by the Plan Manager. If you wish to re-invest your maturity proceeds, please note that only whole pounds will be re-invested and pence will be retained by us.

You should note that once the Plan has matured, we will hold the proceeds on deposit as banker for up to 6 months. The proceeds will, therefore not be held in accordance with the Client Money rules and interest will not be paid. If we have not received your written instructions at 6 months, we will return your money by cheque to the last address provided to us. If your investment was an ISA investment the ISA status will subsequently be lost.

6. Conflict of Interest

- 6.1 Occasions can arise where the Plan Manager, or one of its other clients, will have some form of interest in business which is being transacted for the Plan. If this happens, or the Plan Manager becomes aware that its interests or those of one of its other clients conflict with your interests, you will be informed and asked for your written consent before any transaction is carried out.

A copy of Investec Bank plc's conflicts policy can be obtained upon request from Investec Administration, PO Box 1008, St Albans, Hertfordshire AL1 9LZ (0845 603 9176). A summary can be found at www.investec.co.uk/legal/uk/conflicts-of-interest.html.

7. Insurance Cover

- 7.1 The Plan Manager will maintain insurance cover to cover you for, amongst other risks, misappropriation of funds by any employee of the Plan Manager.

8. Record Keeping and Statements

- 8.1 At all times you or your nominated agent may request sight or a copy of entries in the Plan Manager's records relating to your Plan in accordance with the rules of the FSA Handbook. Such records will be maintained for a minimum of five years after the Maturity Date.
- 8.2 The Plan Manager will supply you annually with a report on the value of the Plan held through your ISA and/or your Direct Account.

9. Termination

- 9.1 The Plan or any investment comprised in it may be terminated immediately by the Plan Manager on giving written notice to you if, in its opinion, it is impossible to administer the Plan or that Account in accordance with the ISA Regulations or you are in breach of the ISA Regulations.
- 9.2 The ISA will terminate automatically with immediate effect if it becomes void under the ISA Regulations. The Plan Manager will notify you in writing if the ISA becomes void.
- 9.3 The Plan Manager may terminate your investment in the Plan if:
- You are in breach of any material obligation under these Terms and Conditions and you have failed to remedy the breach within a reasonable time of us requesting you to do so; or
 - You have given us inaccurate information and, had we received accurate information, we would not have accepted your application.

- 9.4 The Plan Manager may terminate the Plan at any time for reasons including, but not limited to illegality, amendments or disruption to the FTSE 100 or other events beyond the control of the Plan Manager, provided the Plan Manager gives you a reasonable period of written notice as the situation dictates.

- 9.5 If you wish to terminate your investment in the Plan within 14 days of the Plan Manager's acceptance of your Application Form you will receive an amount as set out in paragraph 2 (Cancellation Rights).

Following this 14 day period, you may terminate your investment in the Plan at any time by giving notice to that effect to the Plan Manager. The notice must specify whether you wish the proceeds to be paid directly to you or, if applicable, transferred to another ISA manager. You may receive back less than you originally invested, especially in stressed market conditions. The actual amount you receive will depend on the level of the FTSE 100 (including the effect of dividends), interest rates, market volatility, time left to the Maturity Date and any costs Investec reasonably incurs for breaking the funding arrangements entered into in relation to your investment.

- 9.6 Termination of the Plan or any investment in the Plan will not affect the settlement of any outstanding fees and will not affect any legal rights or obligations which may have already arisen or any provision of these Terms and Conditions which is expressly or by necessary implication intended to survive termination. On termination, the Plan Manager will promptly account to you for the proceeds of sale of the Plan save that it will be entitled to retain any funds required to pay any outstanding tax or other amounts payable from the Plan.

In particular, you will need to discuss reclaiming any fee paid to your financial adviser with your financial adviser. The Plan Manager will not be responsible for the return of any fee paid in relation to your Plan.

10. Fees, Charges and Expenses

- 10.1 You may incur fees for the financial advice you receive. You can choose whether to pay these direct to your financial adviser, or

we can deduct the fee from the amount you invest. Please discuss with your financial adviser for more details. Any payments which you are due to receive, in accordance with the Plan Objective, are net of all anticipated charges and expenses due to third parties (excluding any tax that you may be liable to pay, or charges we may reasonably require you to pay in respect of significant taxation changes and any fees agreed between you and your financial adviser). These charges are estimated to be not more than 2%, excluding any such tax or charges for taxation changes and such fees paid to your financial adviser. In addition we also factor in our Plan Manager's fee. No other charges are anticipated. If you terminate your Plan before maturity, no further charges will be deducted, however you may not get back the original amount invested. Please note that it is possible that you will be liable to pay additional taxes or costs that are not paid, or imposed, by us. You will need to discuss reclaiming any fee paid to your financial adviser with your financial adviser. The Plan Manager is not responsible for rebating any such fee.

11. Variation of Terms

11.1 The Plan Manager may vary these Terms and Conditions by giving you reasonable written notice:

- (a) to comply with any changes to the ISA Regulations, or other relevant legislation, HMRC practice and the FSA Rules (or the way they are applied);
- (b) to make them fairer to you or to correct a mistake (provided this correction would not adversely affect your rights); or
- (c) in order to manage your Plan more effectively, or to introduce additional facilities or options within your Plan (provided that we can only make such changes if they do not adversely affect your rights).

The Plan Manager will notify you of any such change as soon as is reasonably practicable after the change has been made, if you have not been given prior notice.

12. Exclusion of Liability

12.1 The Plan Manager will exercise due care and diligence in managing your Plan. However, the Plan Manager will not be liable to you:

- (a) for any loss, depreciation or fluctuation in the value of your Plan, except as a result of fraud, negligence or wilful default by the Plan Manager or its agents;
- (b) if the Plan Manager cannot carry out its responsibilities because of circumstances beyond its reasonable control; or
- (c) for the acts or omissions of any professional adviser who arranged your deposit in the Plan.

The Plan Manager will exercise its authority under these Terms and Conditions in an appropriate way. However, whilst the Plan will be structured with a view to meeting the Plan Objective on the Maturity Date, the Plan Manager is unable to (and does not) guarantee that the Plan Objective will be met. These may contain provisions allowing for (a) adjustments to the timing of calculation of entitlements and (b) the termination of the Plan, including (without limitation) in circumstances where the Plan Manager is in default.

No provision in these Terms and Conditions will operate so as to exclude or limit the liability of the Plan Manager to the extent that this would be prohibited by law or the FSA Rules.

13. No Security over the Plan

13.1 At all times during the continuance of the Plan, you will remain the beneficial owner of the Plan and the Plan must not be used as security for a loan or any other financial arrangements.

14. Partial Withdrawals and Transfers

14.1 Partial withdrawals or partial ISA transfers are permitted, subject to a minimum of £3,000 remaining invested in the Plan. Any return at maturity will be subject to the remaining amount invested in the Plan.

14.2 Subject to Clause 9.5, on your instructions and within the time stipulated by you, the cash proceeds from the ISA or part of the ISA shall be transferred to another ISA manager.

14.3 Subject to Clause 9.5, on your instructions and within the time stipulated by you, all or part of the deposit held in the ISA and proceeds arising from those deposits shall be transferred or paid to you.

15. Telephone Recording

15.1 For your security and for training and monitoring purposes telephone conversations may be recorded.

16. Communication

16.1 The Plan Manager will always write and speak to you in English.

17. Events beyond the Plan Manager's Reasonable Control

17.1 In the event of any failure, interruption or delay in the performance of its obligations resulting from breakdown, failure or malfunction of any telecommunications or computer service, industrial disputes, failure of third parties to carry out their obligations, acts of governmental or supranational authorities, or any other event or circumstance whatsoever not reasonably within its control, the Plan Manager may be unable to fulfil its financial responsibilities in the market then your ability to realise your investment may be restricted and the Plan Manager shall not be liable or have any responsibility of any kind for any loss or damage you incur or suffer as a result.

18. Money Laundering

18.1 All transactions relating to this Plan are covered by the Proceeds of Crime Act 2002 and the Money Laundering Regulations 2007 (as amended from time to time) and the guidance notes provided by the Joint Money Laundering Steering Group. The Plan Manager is responsible for compliance with these regulations.

18.2 You may be asked for proof of identity and evidence of address when investing or on maturity. The Plan Manager may also make enquiries of third parties in verifying identity. This would include electronic verification through a third party provider.

18.3 For business received from overseas countries/territories whose Money Laundering Legislation is not deemed to be comparable with the legislation imposed on the Plan Manager, the Plan Manager reserves the right to request enhanced evidence of identity/address.

19. HMRC

19.1 You authorise the Plan Manager to provide HMRC with all relevant particulars of the Direct Account, ISA and its investments which HMRC may reasonably request at any time.

20. No Restriction on Investment Services

20.1 Nothing in these Terms and Conditions shall restrict the Plan Manager's right to provide investment services to others.

21. Governing Law

21.1 These Terms and Conditions and all non-contractual obligations arising out of or in connection with them shall be governed by English law and will become effective on acceptance by the Plan Manager of your signed Application Form.
