How does the Plan work?

The Initial Index Level is recorded at the start of the Plan. The Initial Index Level is the closing level of the FTSE 100 on the Start Date.

Early Maturity (Kick-Out)

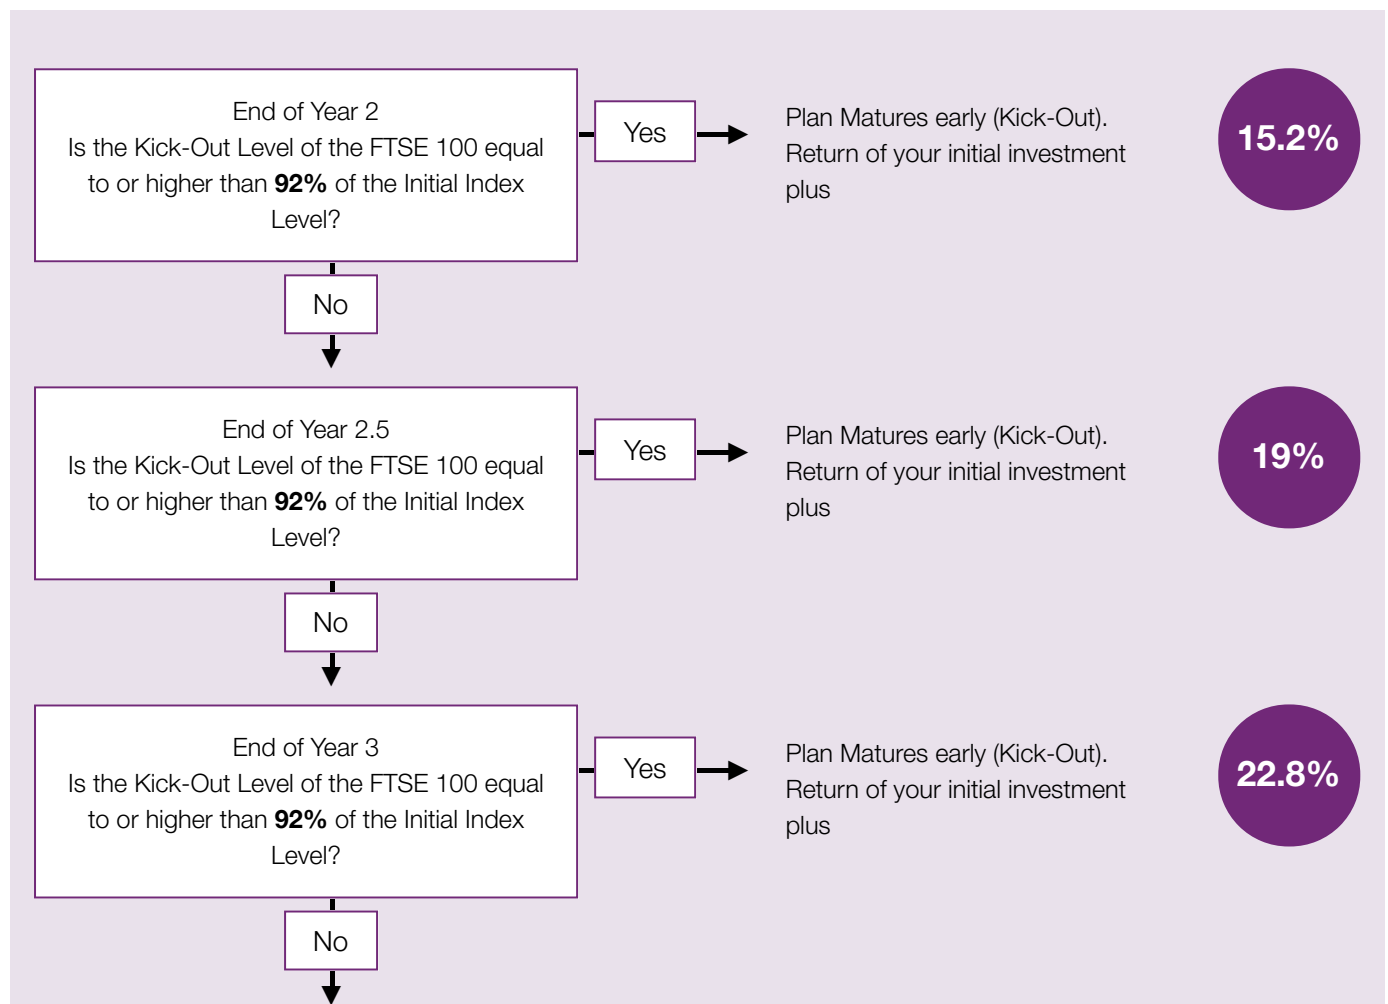

The Plan has the potential to mature early on each Kick-Out Date.

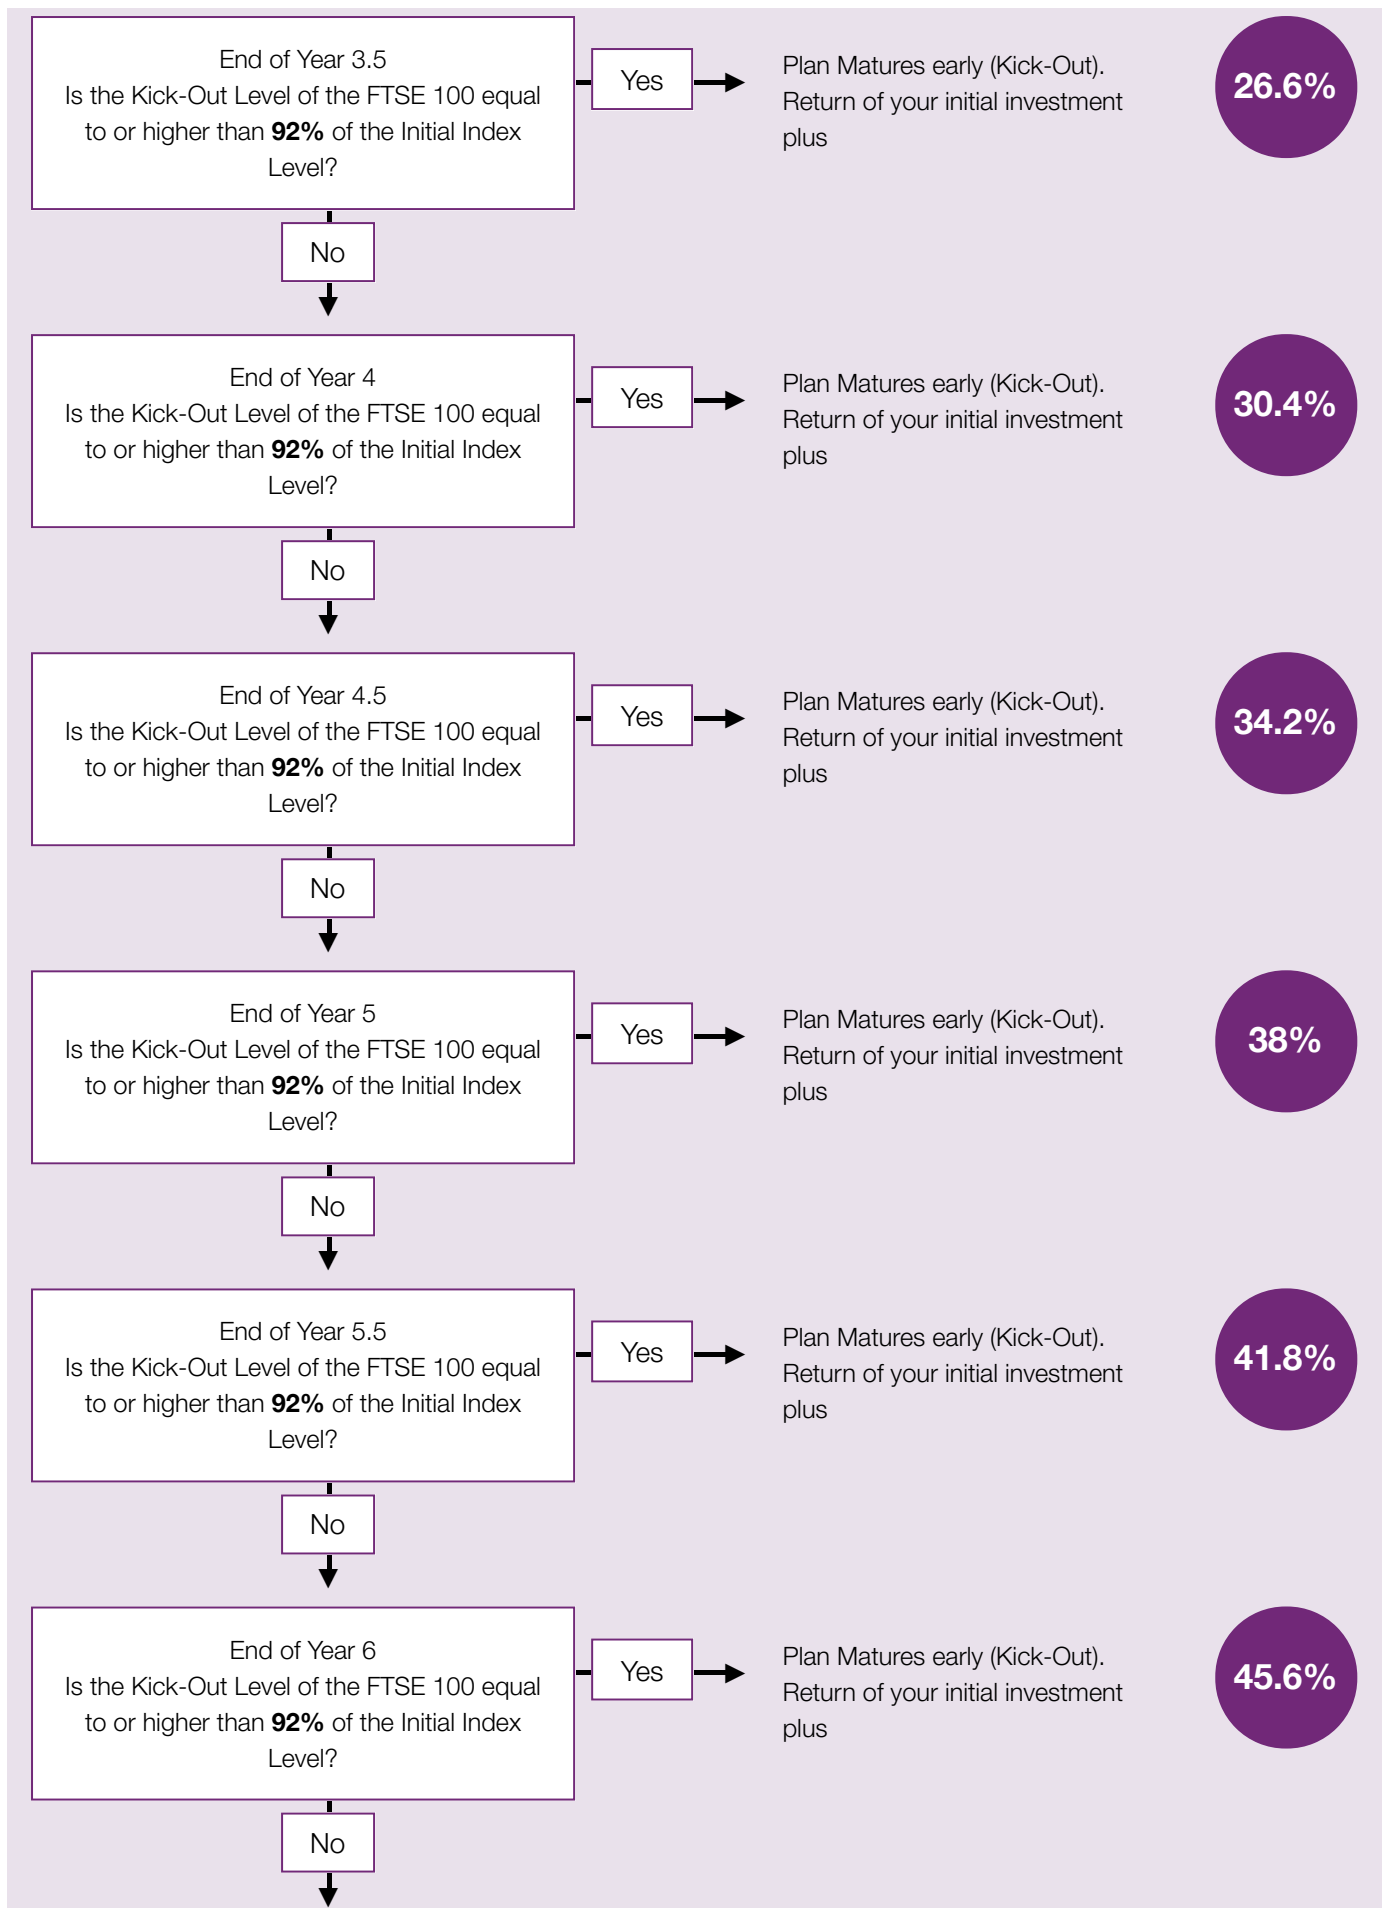

The Kick-Out Dates are 29 April 2021, 29 October 2021, 29 April 2022, 31 October 2022, 2 May 2023, 30 October 2023, 29 April 2024, 29 October 2024, 29 April 2025, 29 October 2025, 29 April 2026 and 29 October 2026.

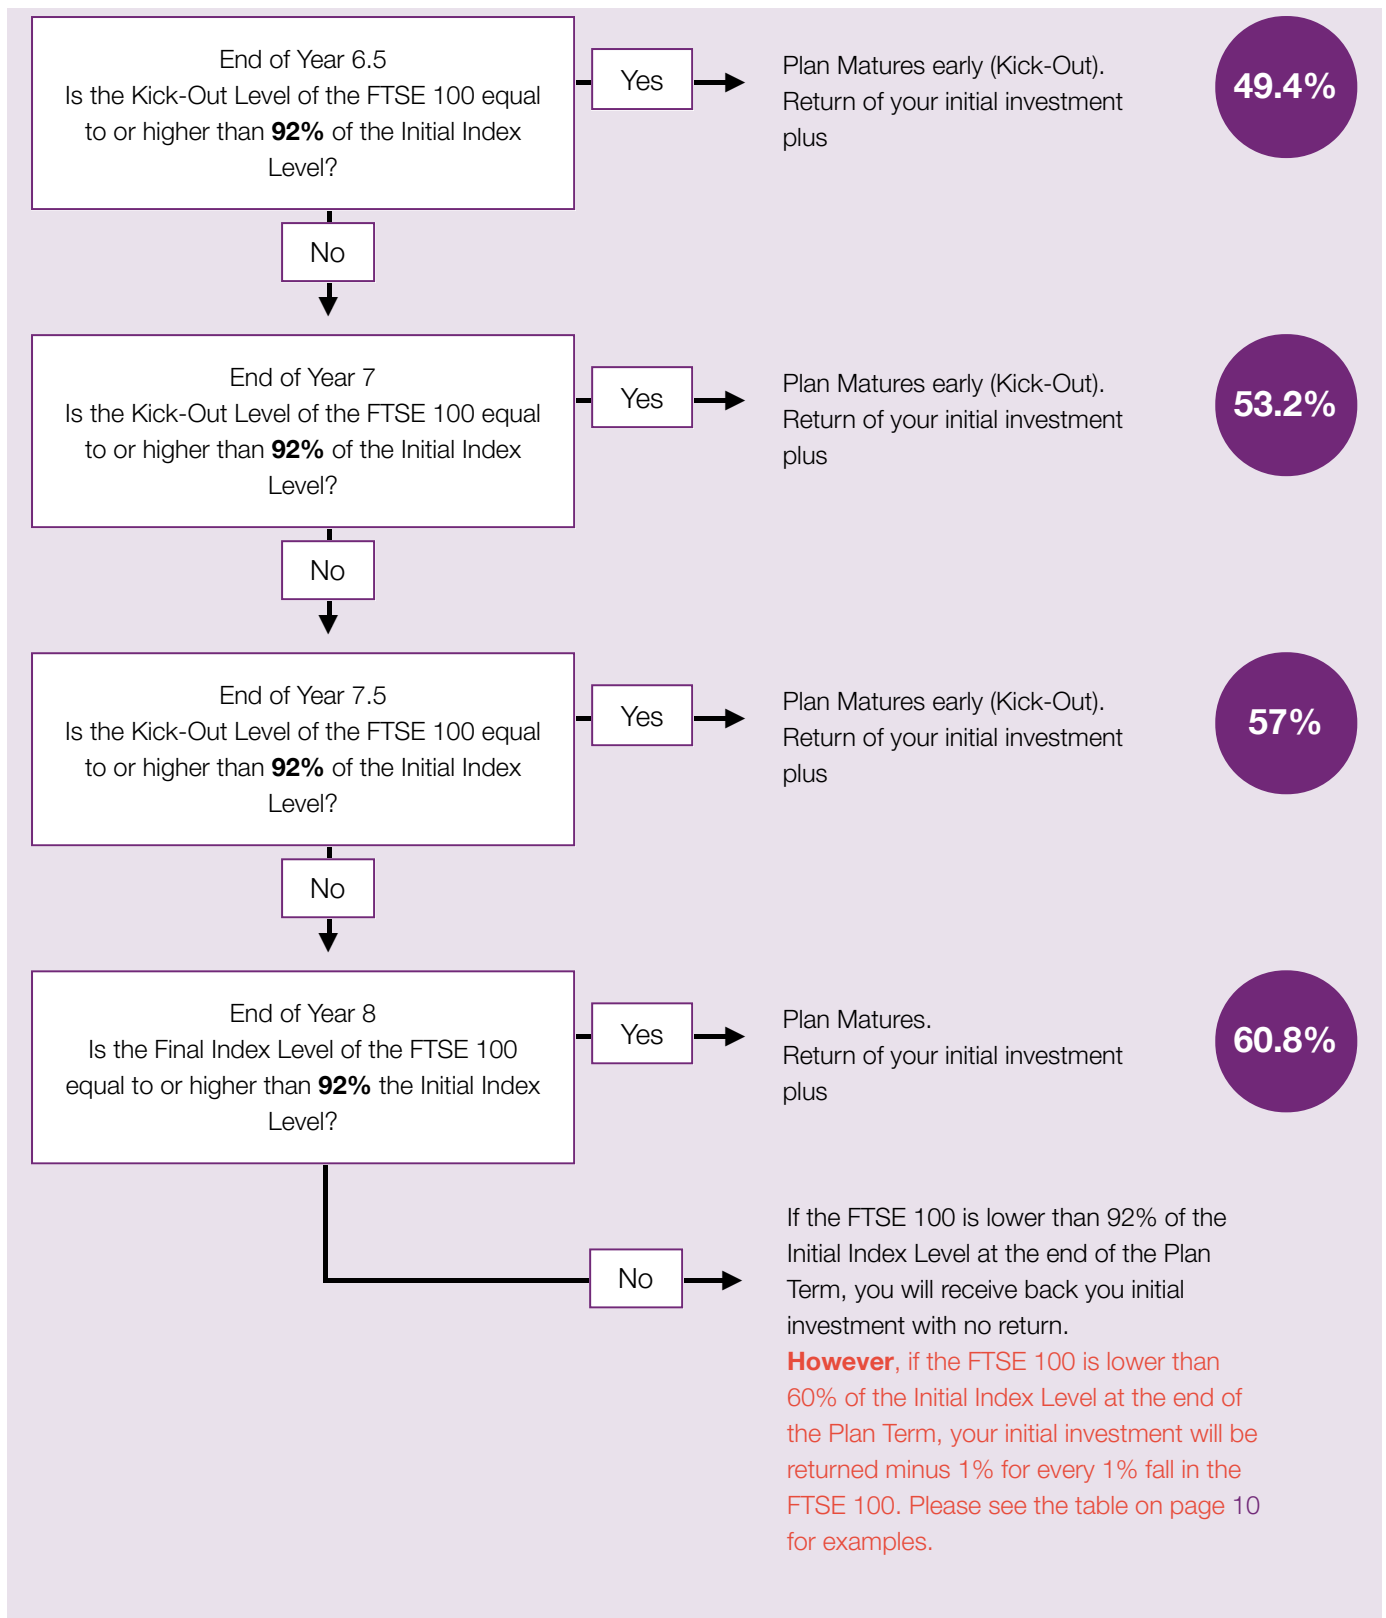

On any Kick-Out Date:

- If the Kick-Out Level is **equal to or higher** than 92% of the Initial Index Level, the Plan will mature early (Kick-Out) and you will receive back your initial investment plus 7.6% per annum (not compounded).
- If the Kick-Out Level is **lower** than 92% of the Initial Index Level the Plan will continue.

The Kick-Out level is the closing level of the FTSE 100 on the relevant Kick-Out Date.

If the Plan runs for the full 8 years

On the Final Maturity Date, the Final Index Level is recorded. This is the closing level of the FTSE 100 on the Final Maturity Date.

- If the Final Index Level is **equal to or higher** than 92% of the Initial Index Level, you will receive back your initial investment plus 60.8%.
- If the Final Index Level is **lower** than 92%, but **equal to or higher** than 60% of the Initial Index Level, you will receive back your initial investment with no return.

However,

- If the Final Index Level is **lower** than 60% of the Initial Index Level, you will receive back your initial investment minus 1% for every 1% fall in the FTSE 100 (including partial percentages).

For example, if the Final Index Level has fallen by 55% from the Initial Index Level then your initial investment will be reduced by 55%.

Examples of what you might get back at the end of the Plan Term

The table below shows examples of maturity proceeds, assuming that the Plan runs for the full 8 year Plan Term, and based upon an initial investment of £10,000. The exact return you receive will be dependent on the amount you invest and the performance of the FTSE 100 over the Plan Term.

FTSE 100 Final Index level (compared to its Initial Index Level)	Proceeds at maturity
75% higher	£16,080
50% higher	£16,080
25% higher	£16,080
No change	£16,080
7% lower	£16,080
8% lower	£16,080
9% lower	£10,000
25% lower	£10,000
39% lower	£10,000
40% lower	£10,000
41% lower	£5,900
50% lower	£5,000
75% lower	£2,500

The purpose of the table is to show the impact of potential changes in the level of the FTSE 100 on your maturity proceeds. It does not indicate the likelihood of these changes happening.

Please note that you are not investing directly in the FTSE 100.

What is the FTSE 100?

The FTSE 100 Index is a widely used benchmark for the UK stock market. The Index measures the performance of the shares of the 100 largest companies listed on the London Stock Exchange.

The FTSE 100 is an international index which includes HSBC, Vodafone, Royal Dutch Shell and GlaxoSmithKline.

Currency

The globalised business of the companies that comprise the FTSE 100 means that an investment in the FTSE 100 also provides currency diversification. The FTSE 100 is accessible to UK investors as it is quoted in Pounds Sterling.

Weighting methodology

The FTSE 100 Index is a market capitalisation weighted index meaning larger companies comprise a greater portion of the index and that larger companies have greater influence on the performance of the index than smaller companies. The FTSE 100 uses a weightings methodology, which means that it is not distorted by large companies with small free floats†.

† Free floats are shares of a public company that are freely available to the investing public.

Historical performance

The Index can fall as well as rise and past performance is not a reliable indicator of future performance.

Risks

In addition to the key risks set out on page 05, there are a number of other risks associated with this investment that you should understand.

Investment risks

This product puts capital at risk.

If no early maturity occurs and the FTSE 100 finishes lower than 60% of its starting level, you will lose some or all of your money.

There is a risk that you will not receive any return on your investment after 8 years.

You are not investing directly in the FTSE 100, therefore regardless of how high the FTSE 100 rises, the maximum return at maturity for this Plan will be as shown in the section "Examples of what you might get back at the end of the Plan Term" on page 10.

It is possible that any return you receive from this Plan may be less than the amount you would have received by investing directly in the FTSE 100.

Credit risk

During the Plan Term, if Investec Bank plc fails or becomes insolvent (i.e. goes bankrupt or similar), you could lose some or all of your money. In this event it is unlikely that you would be covered by the Financial Services Compensation Scheme.

Prior to the Start Date and after the Final Maturity Date (or the relevant Kick-Out Date, in the event of an early maturity) your money will be held on deposit by Investec as banker and not as trustee. If Investec goes bankrupt or similar, you could lose some or all of your money. In this event you would need to seek compensation from the Financial Services Compensation Scheme (FSCS), subject to your eligibility as a claimant. Please see page 15 for further details.

ISA related risks

Investec has a deadline for receipt of ISA transfer applications, to allow sufficient time to receive the proceeds from your existing ISA manager. However, if they do not send us the funds you have requested before 18 April 2019, we will not be able to accept your investment.

Tax risks

Before investing in this Plan, you should seek advice from your financial or tax adviser if you are unsure of the tax treatment of the Plan for your particular circumstances.

Tax laws and their interpretation may change during the life of the Plan. This may reduce your overall return. Investec will not compensate you for any change in tax treatment.

Cancellation risks

This Plan is designed to be held for the full Plan Term. Before investing in this Plan, you should first ensure that you have sufficient capital that you can access in the event that you have any emergency cash needs.

Whilst a secondary market (i.e. the capability to cash in your investment early) exists in normal market conditions, it is not guaranteed. The ability to cash in your investment early should not be relied upon when choosing to invest in the Plan.

If you wish to cancel your investment in the Plan after your 14 day cancellation period, we cannot guarantee what its value will be at that point and it may be less than you originally invested. We will pay you the value of your investment in accordance with the prevailing market rate at that time, less any associated selling costs and transfer taxes, including stamp duty or stamp duty reserve tax to the extent applicable.

If you cash in your investment before the end of the Plan Term, you may get back significantly less than the amount you originally invested.

Concentration risks

The Plan should only be considered as part of your overall investment portfolio. It is important to diversify your investment portfolio across a range of products, and diversify your credit risk across multiple issuers.

Risk of Amendment and Early Termination to the FTSE 100 and the Plan

If the FTSE 100 is unavailable at any point, then the Calculation Agent may, acting in good faith and a commercially reasonable manner, determine whether a suitable alternative index exists which uses the same or substantially similar formula for the method of calculation as used in the calculation of the FTSE 100, and if so, use such index in the place of the FTSE 100.

Otherwise, in these circumstances the Calculation Agent may, among other things, decide to redeem the Securities underlying the Plan. In addition, other events such as market disruption or a change in law may lead the Calculation Agent to amend the terms of the Securities or determine that the Securities should be redeemed early. Any such redemption will be at the market value of the Securities, minus any associated costs, meaning you may get back less than your original investment.

Pricing risk

Investec Bank plc may not be able to regularly quote valuation prices, making it difficult to value your investment.

Is this Plan right for you?

The following is not investment advice. You should seek independent investment advice if you require it.

This Plan may be right for you if:

- You understand the risks of this Plan.
- You are prepared to risk losing some or all of your initial investment.
- You are looking for a Plan where returns are dependent on the performance of stock markets.

This Plan may not be right for you if:

- You are not prepared to risk losing some or all of your initial investment.
- You disagree with or do not meet all of the criteria listed in the section to the left.

Are there any compensation arrangements in place?

Prior to the Start Date and after the Maturity Date: Your money will be held by Investec as banker and **will be eligible** for Financial Services Compensation Scheme (FSCS) protection, if you are eligible.

After the Start Date and prior to the Maturity Date: Your investment plan **is not eligible** for Financial Services Compensation Scheme (FSCS) protection. If Investec Bank plc (as issuer of the Securities) is unable to meet its obligations, for example if it fails or becomes insolvent, it is unlikely that you would be covered by the FSCS.

For more information on the Securities please see 'What are you investing in?' on page 16.

For further information about the compensation provided by the FSCS, refer to the FSCS website, www.FSCS.org.uk, or call 0800 678 1100.

Using your ISA allowance

The timing of your investment allows you to use your ISA allowance for two tax years, 2018/19 and/or 2019/20, if you have not already used all or part of your ISA allowance for the tax year.

For the tax year 2018/19, which runs from 6 April 2018 until 5 April 2019, you have a total ISA allowance of £20,000 to invest.

For the tax year 2019/20, which runs from 6 April 2019 until 5 April 2020, you have a total ISA allowance of £20,000 to invest.

Only one cash ISA and one stocks and shares ISA can be subscribed to in each tax year, as long as the combined amount does not exceed the ISA allowance for that tax year. Other ISAs are available and do count towards your overall ISA limit for a tax year, please see the ISA section in 'Your questions answered'.

Your questions answered

Roles

Q: Who is the Plan Manager?

A: The Plan Manager is Investec Bank plc (Registered No. 00489604 England), which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Investec Bank plc is registered under Financial Services Register reference 172330.

Q: Who is the Issuer?

A: The Issuer is Investec Bank plc.

Plan Information

Q: What are you investing in?

A: You are investing in a 8 year securities-based Plan. Your money will be used to buy Securities issued by Investec Bank plc.

Securities are a type of debt issued by a bank. In effect you are lending money to the Issuer for the duration of the Plan. The Securities are designed to generate the Plan returns by tracking the change in value of an underlying asset (a preference share, which is further described in the Base Prospectus) which is in turn linked to the FTSE 100 in a manner consistent with the Plan Objective. The Issuer is legally obliged to pay to you the Plan returns.

Q: What is the FTSE 100 Index?

A: The FTSE 100 Index is a widely used benchmark for the UK stock market. The Index measures the performance of the shares of the 100 largest companies traded on the London Stock Exchange.

The FTSE 100 is an international index which includes HSBC, Vodafone, Royal Dutch Shell and GlaxoSmithKline. The companies that comprise the FTSE 100 derive more than two thirds of their revenues from outside the UK and therefore provide exposure to the world economy as well as the UK.

FTSE International Limited is authorized as a benchmark administrator under the European benchmark regulation.

Q: What happens to my money if Investec Bank plc fails or becomes insolvent?

A: If Investec fails, or becomes insolvent (i.e. goes bankrupt or similar), you could lose some or all of your money. There is no security or guarantee to protect against loss of your investment. Additionally, Investec is an entity to which certain UK and European regulatory regimes apply. If Investec is subject to the exercise of certain powers under such regimes (for instance, it is the subject of government intervention powers) you could lose some or all of your money.

Administrative Information

Q: Where will my money be held before the Start Date?

A: Prior to the Start Date your money will be held by us as banker and not as trustee under the Client Money rules. This means that your money will be held by us, collectively with the funds of other investors. If you have agreed for a fee to be deducted from the amount invested and paid to your financial adviser, this will also be held by us as banker until the date it is paid. If Investec fails to meet its obligations, the Client Money distribution rules will not apply and so you will not be entitled to share in a distribution under the Client Money distribution rules. You may lose all or part of your initial investment.

This arrangement will not impact on your rights to seek compensation from the FSCS in the event of Investec's insolvency, prior to the Start Date or after the Maturity Date. Further details of the FSCS and eligibility criteria are available at www.fscs.org.uk

Q: What happens if I change my mind?

A: Shortly after we receive your investment, we will send you a cancellation notice which provides you with a 14 day period in which you can change your mind.

If you decide to cancel your Plan, provided we receive your cancellation notice within the 14 day cancellation period, we will return your initial investment without interest and less any fee paid to your financial adviser. You will need to discuss reclaiming any fee with your financial adviser.

If we receive your cancellation notice outside the 14 day cancellation period but before the Start Date, we will return your investment without interest and less any fee paid to your financial adviser.

If we receive your cancellation notice outside the 14 day cancellation period and after the Start Date please refer to 'Can I cash in my investment early?'.

If you are transferring an existing ISA to us, the cancellation notice will be sent to you shortly after we receive the proceeds from your previous ISA manager. If you decide to cancel then you can choose to transfer your ISA back to the original manager, a new manager, or have the proceeds returned to you as a cheque. In the latter event, you will lose any favorable tax treatment associated with the ISA. Please be aware that in the event you choose to cancel your ISA transfer instructions, you will lose your ISA entitlement unless your previous ISA manager has confirmed this can be returned and re-instated by them.

If you wish to exercise your right to cancel, simply complete and return the cancellation notice or write to us at the address given under 'How can I contact you?'.

Q: What will happen if I invest before the closing date?

A: No interest will be paid if we receive your cheque and Application Form before the closing date.

Q: Can I cash in my investment early?

A: You should only invest if you intend to hold the Plan until maturity, and the Plan may not be right for you if you may need access to your money before maturity and cannot commit to the full 8 year Plan Term.

Whilst a secondary market (i.e. the capability to cash in your investment early) exists in normal market conditions, it is not guaranteed. The ability to cash in your investment early should not be relied upon when choosing to invest in the Plan.

If you do cash in your investment early, we cannot guarantee what its value will be at that point and it may be less than you originally invested. We will pay you the value of your investment in accordance with the prevailing market rate at that time, less any associated selling costs and transfer taxes, including stamp duty or stamp duty reserve tax to the extent applicable.

We would need to receive an instruction from you in writing.

Further information on procedures for cashing in your investment early is provided in the Terms and Conditions.

Q: Are partial withdrawals allowed?

A: The Plan is designed to be held until maturity however partial withdrawals or partial ISA transfers will be permitted in normal market conditions, subject to a minimum of £3,000 remaining invested in the Plan. Any returns at maturity will be based on the amount remaining in the Plan.

Q: Can I get a copy of the Base Prospectus?

A: Yes, a copy of the approved Base Prospectus dated 9 August 2018, supplements to the Base Prospectus and Final Terms in relation to the Securities can be obtained from www.investecstructuredproducts.com or upon request from Investec Structured Products, 30 Gresham Street, London EC2V 7QP.

Q: What happens if the FTSE 100 is unavailable at any point?

A: If the FTSE 100 is unavailable at any point, then the Calculation Agent may, acting in good faith and a commercially reasonable manner, determine whether another index exists which uses the same or substantially similar formula for the method of calculation as used in the calculation of the FTSE 100, and if so, use this index in the place of the FTSE 100. Otherwise, in these circumstances, the Calculation Agent may, among other things, decide to redeem the Securities. Any such redemption will be at the market value of the Securities, minus any associated costs, meaning you may get back less than your original investment.

Q: What happens if I die during the Plan Term?

A: **Single applicants:** In the event of your death, your estate can choose to cash in the Plan or transfer ownership to a beneficiary. If the Plan is cashed in, we will pay the market value at date of receipt of all required documentation. If your estate chooses to transfer ownership to a beneficiary, the Plan will continue until maturity. As any ISA tax status will be lost, the tax treatment of returns may change. In all cases the Plan will be administered in accordance with the instructions from your personal representatives and/or as part of probate/administration.

Joint applicants: For Plans invested in the name of husband and wife, the Plan will transfer automatically to the name of the surviving partner. For other joint applications, the Plan will be administered in accordance with the instructions of your personal representatives, and/or as part of probate/administration.

Plan maturity

Q: What happens at maturity?

A: You will have the option to cash in your Plan, or transfer it to an alternative investment, or to re-invest the proceeds into other products which may be available at that time from Investec Bank plc. We will contact you shortly before the Plan matures.

Until we receive your instructions we will hold the relevant maturity proceeds on deposit and no interest will be paid. Please note that such monies will be held by us as banker and not as trustee. If we have received your written instructions you will receive financial settlement within 10 working days of the Plan maturing. If we have not received your written instructions at 6 months, we will return your money by cheque to the last address provided to us. If this cheque is not cashed, we will hold your money for 15 years before it is disposed of in accordance with the Dormant Bank and Building Society Accounts Act 2008.

Q: What happens to the ISA status of my investment in the event of maturity?

A: If you wish to maintain the ISA status of your investment, you could either transfer it to another ISA product offered by Investec Bank plc or you could transfer your investment to another ISA manager. If you do not wish to maintain the ISA status of your investment, you could invest in any other product offered by Investec Bank plc or cash in your investment.

In the event that we have not received your written instructions 6 months after maturity we will return your money by cheque to the last address provided to us, at which point the ISA status of your investment will be lost.

Q: What is Investec Bank plc's Credit Rating?

A: Investec Bank plc has a credit rating of A1 with a stable outlook, as rated by Moody's.

Investec Bank plc has a credit rating of BBB+ with a stable outlook, as rated by Fitch.

For more information on Investec Bank plc please visit: www.investec.com/investorrelations.

Q: What is the relevance of credit ratings?

A: Credit ratings are assigned by companies known as rating agencies and are reviewed regularly. They can go up or down at any point in response to changes in the financial position of the institution in question.

Credit ratings are only one way to assess the likelihood that an institution will be able to pay back any monies owed. Institutions with better credit ratings should go bankrupt less frequently than institutions with worse credit ratings, although this has not necessarily been the case over the last few years.

Ultimately, however remote the likelihood of bankruptcy might be, the risk will always exist. To reduce this risk, we suggest that structured products are used as part of a broader portfolio and that investors diversify their structured product investments across a range of issuers.

Charges and fees**Q: What are the charges?**

A: **Charges for advice:** You may incur fees for the financial advice you receive. You can choose to pay these direct to your financial adviser, or we can deduct the fee from the amount you invest. Any agreed fee will be paid to your financial adviser 11 working days after we process your application. Please discuss with your financial adviser for more details.

Other costs and charges: As Plan Manager, we incur fixed costs and charges for administering and marketing the Plan. These overall service costs total 2.2% (£22). The overall financial instruments cost is 0% (£0). This information is based on an illustrative nominal amount of £1,000 invested. In addition we also factor in our Plan Manager's fee. All of these costs and fees have been taken into account when setting the return for the Plan.

For clarity no charges are taken away from your initial investment or your potential maturity payment and the potential return stated in this brochure will be made on your total initial investment. There are no annual management charges, so any returns are based upon the full amount you invest into the Plan.

Tax

The tax information below is intended to be general in nature and your own position may vary based on your personal circumstances. Tax rules and how they impact you may change at any time. Investec is not a tax adviser and you should seek advice from your financial or tax adviser based on your personal circumstances if you are unsure of the tax treatment of your investment, before you invest.

Q: How are returns taxed (UK tax resident and domiciled individuals)?

A: Maturity returns are anticipated to be paid gross for all investors, with no tax related deductions or withholdings.

Investments held in a Direct Account: Any gain you make at maturity is expected to be subject to UK Capital Gains Tax (CGT).

However, there is an annual CGT exemption allowance (£11,700 for the 2018/19 tax year and £12,000 for the 2019/20 tax year), which can be utilised to reduce or eliminate the tax payable, depending on your personal circumstances and whether you use up the allowance (or part of it) on other investments you hold.

Investec is not a tax adviser and you remain responsible for your own tax affairs.

Investments held in an ISA Account:

Any gain made at maturity will not be subject to any UK tax.

If at maturity you sustain a capital loss within an ISA, you cannot offset this for UK tax purposes against other capital gains you might have.

Q: How are returns taxed (all other investors)?

A: Maturity returns are anticipated to be paid gross, with no tax related deductions or withholdings.

The tax treatment thereafter will depend on your personal circumstances and the tax legislation in the jurisdictions that impact you. If you are a UK resident non-domiciled investor you should be aware that this investment is a UK onshore asset that is subject to UK tax rules. Assets brought onshore will be subject to UK tax rules.

As stated above, Investec is not a tax adviser and you should seek specialist tax advice based on your personal circumstances before you invest.

ISAs

Q: How much can I invest in an ISA?

A: You can invest in this Plan using your ISA allowance for 2018/19 and/or 2019/20. The overall ISA limit for 2018/19 is £20,000 and the overall ISA limit for 2019/20 is also £20,000.

As long as you have not already used all or part of your cash ISA (this includes Help to Buy ISAs), stocks and shares ISA, innovative finance ISA and Lifetime ISA allowances for the 2018/19 tax year, you can invest up to £20,000.

If you have already invested part of your ISA allowance for the 2018/19 tax year, you can top up and invest the difference between the amount invested already and the £20,000 total ISA allowance for the 2018/19 tax year.

Please note that a Help to Buy ISA is a cash ISA and you can only add new money into one cash ISA in a tax year.

Only one cash ISA (including Help to Buy ISA), one stocks and shares ISA, one innovative finance ISA and one Lifetime ISA can be subscribed to in each tax year, as long as the combined amount does not exceed the ISA allowance for that year.

To make an ISA investment into one of our Plans, you need to be over 18 and a UK resident for tax purposes. An ISA investment can only be held in your name.

Q: Can I transfer any existing ISAs into this Plan?

A: If you have other ISA investments you can transfer them into this Plan and this will ensure that the ISA tax status of your investment will continue.

You can transfer as many existing ISAs as you like, without affecting your annual ISA allowance. You can transfer your full current year subscriptions. If you are transferring your current tax year's cash ISA this will now be regarded as a stocks and shares ISA for this tax year. Therefore, you will still be able to subscribe to a cash ISA in the current year, provided you have not exceeded the overall ISA limit of £20,000 for 2018/19 (but you will not be able to subscribe to any additional stocks and shares ISAs you might have during the current year).

If you wish to transfer, you should check with your existing ISA manager that this is permitted. They may impose a charge for transferring. You should also be aware of the potential for the loss of income or growth whilst the transfer is pending.

When we receive the transfer funds, we will set up an individual Plan for each existing ISA that you transfer to us.

Q: Can I use my Additional Permitted Subscription (APS) with this Plan?

A: Unfortunately, we cannot accept APS requests into our Plans. However, we are able to administer requests from ISA

managers who offer APS into their products. For further details on APS please visit www.hmrc.gov.uk

Q: What happens if my ISA transfer funds are received after the transfer funds deadline of 18 April 2019?

A: Regrettably, we are unable to accept transfer funds received after the deadline. Therefore, they will be returned to your original ISA manager for re-investment.

Financial advisers

Q: How much will any advice cost?

A: You may need to pay your financial adviser a fee for advising on and or arranging the sale of this Plan. Your financial adviser will discuss and agree this fee with you before you invest.

Q: What support do you provide to financial advisers?

A: We provide financial advisers with additional benefits which are designed to enhance the quality of their service to you. These benefits may include some or all of the following: training, seminars and marketing materials.

Further details of any benefits received from us are available on request from your financial adviser.

The Plan Manager provides the Plan to you on the following Terms and Conditions (of which the Application Form is a part):

1. Application

1.1 On the receipt of a duly completed Application Form and cheque (or banker's draft, telegraphic transfer or any other means of payment acceptable to the Plan Manager) the Plan Manager may accept your application subject to these Terms and Conditions. The Plan Manager reserves the right to reject an application for any reason.

1.2 Investors in the United Kingdom, Jersey, Guernsey and the Isle of Man can subscribe to this Plan.

2. Cancellation Rights

2.1 The Plan Manager will give you the right to cancel your Plan within 14 days of the Plan Manager's acceptance of your Application Form in accordance with the requirements of the FCA Handbook. You will be informed of your right to cancel in the information that the Plan Manager sends to you on receipt of your application. Alternatively you can write to the Plan Manager at Investec Structured Products, PO Box 914, Newport, NP20 9PE. If you do so, please provide your name and address and the Plan number with clear instructions to cancel your investment.

2.2 If the Plan Manager receives your cancellation notice within 14 days of their acceptance of your application, your initial investment will be returned to you without interest and less any fee paid or due to your financial adviser. Subject to paragraph 2.3 below, if the Plan Manager receives your cancellation notice after 14 days, it will return to you, without any interest, a cash amount that may be subject to a market value adjustment, and includes a deduction of any unwind costs, including any applicable stamp or other duties. The value returned is affected by the level of the Underlying(s), market volatility, interest rates and liquidity among other market variables. Where you do not exercise your cancellation rights, the Plan will continue in line with the Terms and Conditions.

2.3 If the Plan Manager receives your notice of cancellation after 14 days but prior to the Start Date, your initial investment will be returned to you without interest and less any fee paid or due to your financial adviser.

2.4 Please be aware that in the event you choose to cancel your ISA transfer instructions, you will lose your ISA entitlement unless your previous ISA Manager has confirmed that this can be returned and re-instated by them.

2.5 If you cancel your Plan, you will need to discuss reclaiming any related fees with your financial adviser. The Plan Manager is not responsible for rebating any such fee.

3. Direct Accounts

3.1 For Direct Account investments, when Investec receives your investment, prior to the Start Date we will hold such monies as banker and not as trustee under the Client Money rules. This means that your money will be held collectively with the funds of other investors, will not be held under the Client Money rules and will not be afforded the protections afforded to Client Money. If you have agreed for a fee to be deducted from the amount invested and paid to your financial adviser, this will also be held by us as banker until the date it is paid. If Investec fails to meet its obligations, the Client Money distribution rules will not apply and so you will not be entitled to share in any distribution under the Client Money distribution rules. You may lose all or part of your initial investment. In the event of Investec's insolvency, prior to the Start Date or after the Maturity Date, your money will not be protected under the Client Money distribution rules and you must rely on your right of recourse (if any) to the FSCS. This arrangement will not impact on your rights to seek compensation from the FSCS in the event of Investec's insolvency. Further details of the FSCS are available at www.fscs.org.uk.

3.2 Interest will not be paid on monies held within client accounts. For the avoidance of any doubt, no interest is payable on any money held before the Start Date, after the Maturity Date or following any early withdrawal from the Plan.

3.3 Where investments are held through the Direct Account, you may be subject to tax on any gains arising on your investment, depending on your personal circumstances. The statements in this brochure are based on current UK legislation, regulations and practice, all of which may change.

4. ISA Accounts

4.1 You must subscribe to your ISA with your own cash or by transfer of cash from an existing ISA. Transfers of cash from existing ISAs will normally be arranged with the existing ISA Managers. Once the cash from the existing ISA has been transferred, your ISA will be subject to these Terms and Conditions. In respect of an ISA transfer, a cancellation notice will be sent to you after the funds are received from your previous ISA Manager. If, following an ISA transfer you cancel your ISA, you may lose the favourable tax treatment applicable to the investments held within it.

4.2 Please note that, in the event you choose to cancel your ISA transfer instructions, you will lose your ISA entitlement unless your previous ISA Manager has confirmed this can be returned and re-instated by them.

4.3 'ISAs' can be either cash (which includes "Help to Buy" ISAs), stocks and shares, innovative finance or "Lifetime ISAs". If you are subscribing for a stocks and shares ISA, you must not have subscribed to, and may not subscribe to, another stocks and shares ISA in the same tax year. Please note that the Plan Manager only offers the stocks and shares component in this investment.

4.4 You will immediately inform the Plan Manager in writing if you cease to be a qualifying individual for the purposes of the ISA Regulations. The Plan Manager will notify you if, by reason of any failure to satisfy the provisions of the ISA Regulations, an ISA has, or will, become void.

4.5 The Plan Manager shall not accept any further amounts into an ISA if the ISA Regulations no longer give you the right to invest in that ISA.

4.6 For ISA investments, when Investec receives your investment, it will be held by us in an ISA designated account. This

means that your money or investments will be held by us, collectively with the funds of other investors, will not be held under the Client Money rules and will not be afforded the protections afforded to Client Money. If you have agreed for a fee to be deducted from the amount invested and paid to your financial adviser, this will also be held by us as banker until the date it is paid. If Investec fails to meet its obligations the Client Money distribution rules will not apply and so you will not be entitled to share in any distribution under the Client Money distribution rules. You may lose all or part of your initial investment. In the event of Investec's insolvency prior to the Start Date your money will not be protected under the Client Money distribution rules and you must rely on your right of recourse to the FSCS. Further details of the FSCS and eligibility criteria are available at www.fscs.org.uk.

4.7 Interest will not be paid on monies held within client accounts. For the avoidance of any doubt, no interest is payable on money held before the Start Date, after the Final Maturity Date or following an early withdrawal from the Plan.

4.8 The proceeds arising on investments held within an ISA will not be subject to UK tax. This means any gains or losses you make on your investment, while it is held within your ISA, will be disregarded for the purposes of UK tax.

4.9 On your death, your ISA will lose its ISA status immediately and your Plan will be dealt with in accordance with the instructions of your personal representatives. Your personal representatives can sell your Securities or transfer them to your beneficiaries.

5. Maturity

5.1 Under the terms of the Plan, the Plan will mature on either i) one of the Kick-Out Dates or ii) the Final Maturity Date. The Securities are structured so that the amount you are due to receive from your Plan is in accordance with the Plan Objective. The Plan Manager will contact you to inform you of your options at maturity and any action required by you. The Plan Manager may, at its discretion, repay maturity proceeds to you by transferring the funds into the bank or building society account from where the initial investment originated. Should this occur, you will be informed in writing by the Plan Manager.

5.2 You should note that once the Plan has matured, we will hold the proceeds on deposit as banker and not as trustee and interest will not be paid. The proceeds will not therefore be held in accordance with the Client Money rules. If we have not received your written instructions within six months, we will return your money by cheque to the last address provided to us. If your investment was an ISA investment, the ISA status will subsequently be lost. If this cheque is not cashed, we will hold your money for 15 years before it is disposed of in accordance with the Dormant Bank and Building Society Accounts Act 2008.

6. Conflict of Interest

6.1 Occasions can arise where the Plan Manager, or one of its other clients, will have some form of interest in business which is being transacted for the Plan. If this happens, or the Plan Manager becomes aware that its interests or those of one of its other clients conflict with your interests, you will be informed and asked for your written consent before any transaction is carried out. A copy of Investec's conflicts policy can be obtained upon request from Investec Structured Products, PO Box 914, Newport, NP20 9PE (0344 892 0942). A summary can be found at www.investec.co.uk/legal/uk/conflicts-of-interest.html.

7. Insurance Cover

7.1 The Plan Manager will maintain insurance cover to cover you for, amongst other risks, misappropriation of funds or Securities by any employee of the Plan Manager.

8. Record Keeping and Statements

8.1 At all times you or your nominated agent may request sight or a copy of entries in the Plan Manager's records relating to your Securities in accordance with the rules of the FCA Handbook. Such records will be maintained for a minimum of five years after the Final Maturity Date.

8.2 The Plan Manager will supply you annually with a report on the Value of your Plan held through your ISA and/or your Direct Account.

9. Termination

9.1 The Plan or any investment comprised in it may be terminated immediately by the Plan Manager on giving written

notice to you if, in its opinion, it is impossible to administer the Plan or that investment in accordance with the ISA Regulations or you are in breach of the ISA Regulations.

9.2 The ISA will terminate automatically with immediate effect if it becomes void under the ISA Regulations. The Plan Manager will notify you in writing if the ISA becomes void.

9.3 The Plan Manager may terminate your investment in the Plan if:

(a) you are in breach of any material obligation under these Terms and Conditions and you have failed to remedy the breach within a reasonable time of us requesting you to do so; or

(b) you have given us inaccurate information and, had we received accurate information, we would not have accepted your application.

9.4 The terms of the Securities may permit the Issuer of the Securities to withhold, defer, reduce or even terminate payments in certain events including, but not limited to, illegality, amendments or disruption to the Underlying(s) or other events beyond the control of the Plan Manager and which make it necessary for the Plan Manager to withhold, defer, reduce or terminate such payments and, as a result, you may receive less than you would otherwise have anticipated or may have to wait for the proceeds.

9.5 The Plan Manager may terminate the Plan at any time for reasons including, but not limited to, illegality, amendments or disruption to the Underlying(s) or other events beyond the control of the Plan Manager, provided that the Plan Manager gives you a reasonable period of written notice as the situation dictates.

9.6 If you wish to terminate your investment in the Plan within 14 days of the Plan Manager's acceptance of your Application Form you will receive an amount as set out in Clause 2 (Cancellation Rights).

9.7 Following this 14 day period, whilst a secondary market (i.e. the capability to cash in your investment early) exists in normal market conditions, it is not guaranteed. The ability to cash in your investment early should not be relied upon when choosing to invest in the Plan. If you do cash in your investment early, the Plan Manager cannot guarantee what its value will be at that point and it may be less than you originally invested. The Plan Manager will pay you the value of your investment in accordance with the prevailing market rate at that time, less any costs that the Issuer reasonably incurs for breaking the hedging arrangements entered into in relation to your investment, together with any applicable stamp or other duties.

9.8 Termination of the Plan or any investment in the Plan will not affect the settlement of any outstanding fees and will not affect any legal rights or obligations which may have already arisen or any provision of these Terms and Conditions which is expressly or by necessary implication intended to survive termination. On termination, the Plan Manager will promptly account to you for the proceeds of sale of the related Securities held through the Plan, save that it will be entitled to retain any funds required to pay any outstanding tax deductions or withholdings due on payments from the Plan. In particular, you will need to discuss reclaiming any fee paid to your financial adviser with your financial adviser. The Plan Manager will not be responsible for the return of any fee paid in relation to your Plan.

10. Costs and Charges

10.1 You may incur fees for the financial advice you receive. You can choose whether to pay these directly to your financial adviser, or we can deduct the fee from the amount you invest. Please discuss this with your financial adviser for more details.

10.2 The returns which you are due to receive, in accordance with the Plan Objective, are net of all anticipated charges and expenses due to third parties (excluding any tax that you may be liable to pay on your returns from the Plan, or any tax deductions or withholdings due on payments from the Plan (not currently anticipated) and any fees agreed between you and your financial adviser). The overall service costs total 2.2% (£22). The overall financial instruments cost is 0% (£0). This information is based on an illustrative nominal amount of £1,000 invested. No other charges are anticipated. If you terminate your Plan before maturity, no further charges will be deducted; however, you may not recover the original amount invested. We will also deduct any associated selling costs and transfer taxes including stamp duty or stamp duty reserve tax to the extent applicable. Please note that it is possible that you will be liable to pay additional taxes or costs that are not paid, or imposed, by us. You will need to discuss reclaiming any fee paid to your financial adviser with your financial adviser. The Plan Manager is not responsible for rebating any such fee.

11. Variation of Terms and Conditions

11.1 The Plan Manager may vary these Terms and Conditions by giving you reasonable written notice:

(a) to comply with any changes to the ISA Regulations, other relevant legislation, HMRC practice, the FCA Rules and PRA Rules (or to the way they are applied);

(b) to make them fairer to you or to correct a mistake (provided that this correction would not adversely affect your rights);

or

(c) in order to manage your Plan more effectively, or to introduce additional facilities or options within your Plan (provided that we can only make such changes if they do not adversely affect your rights).

The Plan Manager will notify you of any such change as soon as is reasonably practicable after the change has been made, if you have not been given prior notice.

12. Exclusion of Liability

12.1 The Plan Manager will exercise due care and diligence in managing your Plan. However, the Plan Manager will not be liable to you:

- (a) for any default by Investec Wealth and Investment Limited, or any securities depository with whom your Securities are deposited, or for any fraud, negligence or wilful default on the part of Investec Wealth and Investment Limited or any such securities depository or other third party;
- (b) for any loss, depreciation or fluctuation in the Value of the Securities held within your Plan, except as a result of fraud, negligence or wilful default by the Plan Manager or its agents;
- (c) if the Plan Manager cannot carry out its responsibilities because of circumstances beyond its reasonable control; or
- (d) for the acts or omissions of any professional adviser who arranged your Investment in the Plan.

12.2 The Plan Manager will exercise its authority under these Terms and Conditions in an appropriate way. However, whilst the Securities will be structured with a view to meeting the Plan Objective, the Plan Manager is unable to (and does not) guarantee that the Plan Objective will be met. In particular, you acknowledge that your entitlement under the Plan is dependent on the exact terms of issue of the Securities. These may contain provisions allowing for:

- (a) adjustments to the timing of calculation of entitlements; and
- (b) the termination of the Securities, including (without limitation) in circumstances where the Plan Manager is in default.

12.3 No provision in these Terms and Conditions will operate so as to exclude or limit the liability of the Plan Manager and/or the Issuer to the extent that this would be prohibited by law or the FCA Rules and PRA Rules.

13. No Security over the Plan

13.1 At all times during the continuance of the Plan, you will remain the beneficial owner of the Securities held in the Plan and the Securities must not be used as security for a loan or any other financial arrangements.

14. Partial Withdrawals and ISA Transfers

14.1 Partial withdrawals or partial ISA transfers are permitted in normal market conditions subject to a minimum of GBP 3,000 remaining invested in the Plan. Any returns at maturity will be subject to the remaining amount invested in the Plan.

14.2 Subject to Clause 9, on your instructions and within the time frame stipulated by you, an ISA or part of an ISA, shall be transferred to another ISA Manager.

14.3 Subject to Clause 9, on your instructions and within the time frame stipulated by you, all or part of the Securities held in the ISA and proceeds arising from those Securities shall be transferred or paid to you.

16. Communication

17.2 The obligations in this Clause 17 will not apply to any confidential information we hold otherwise than as a result of

these Terms and Conditions and the Plan, or that becomes public without any breach by us of our confidentiality obligation under these Terms and Conditions. 17.3 We are not obliged to disclose to you or to take into consideration or use for your benefit any fact, matter or thing:

- (a) if in our reasonable opinion disclosure of the information would or might be a breach of duty or confidence to any other person or may make our employees liable to criminal or civil proceedings; or
- (b) which comes to the notice of an officer, employee or agent of the Plan Manager but does not come to the actual notice of the Individual or Individuals with whom we are dealing.

17.4 For the avoidance of doubt, the provisions of this Clause 17 will apply to you and us even after this Plan has ended.

18. Data Protection

18.1 Investec Bank plc and its subsidiaries ("Investec") recognise and respect the privacy and data protection rights of individuals with regards to personal data (i.e. information that directly or indirectly identifies an individual). 19. Events beyond the Plan Manager's reasonable control

19.1 In the event of any failure, interruption or delay in the performance of its obligations resulting from, amongst other things, breakdown, failure or malfunction of any telecommunications or computer service, industrial disputes, failure of any third party to carry out its obligations, acts of governmental or supranational authorities, or any other event or circumstance whatsoever not reasonably within its control, the Plan Manager may be unable to fulfil its financial responsibilities in the market and your ability to realise your investment may be restricted. The Plan Manager shall not be liable or have any responsibility of any kind for any loss or damage you incur or suffer as a result.

20. No Restriction on Investment Services

20.1 Nothing in these Terms and Conditions shall restrict the Plan Manager's right to provide investment services to others.

21. Money Laundering

21.1 All transactions relating to this Plan are covered by the Proceeds of Crime Act 2002 and the Money Laundering Regulations 2017 (as amended from time to time) and the guidance notes provided by the Joint Money Laundering Steering Group. The Plan Manager is responsible for compliance with these regulations. You may be asked for proof of identity and evidence of address when investing or on maturity of the Plan. The Plan Manager may also make enquiries of third parties in verifying identity. This would include electronic verification through a third party provider.

21.2 For business received from overseas countries/territories whose money laundering legislation is not deemed to be

comparable with the Money Laundering Legislation imposed on the Plan Manager, the Plan Manager reserves the right to request enhanced evidence of identity/address.

22. HMRC

22.1 You authorise the Plan Manager to provide HMRC with all relevant particulars of the Direct Account, ISA and its investments which HMRC may reasonably request at any time.

23. Governing Law

23.1 These Terms and Conditions and all non-contractual obligations arising out of or in connection with them shall be governed by English law and will become effective on acceptance by the Plan Manager of your signed Application Form.

24. Purchase of Securities

24.1 On the Start Date, the Plan Manager will purchase Securities for your Plan. The Securities will have been specifically structured to match the Plan Objective. Securities are purchased on your behalf and the Plan Manager will not be obliged to account for any interest earned pending settlement. Investment in the Plan will not commit your funds to any extent beyond the amount invested by you.

24.2 When the Plan Manager purchases and sells Securities in accordance with these Terms and Conditions, it will always be acting as your agent, and not as the agent of the Issuer.

25. Registration and Custody

25.1 You will be, and will remain, beneficial owner of the Securities in your Plan, but such Securities will be registered in the name of the Nominee, and documents of title, if any, will be kept in the custody of the Nominee. The Plan Manager remains fully responsible for the custody of the Securities. In the case of direct investments, you may, however, request that the Plan Manager arrange for your Securities to be held with a custodian other than the Nominee and that documents of title, if any, be kept in the name of such other custodian expressly nominated by you. The Plan Manager may, at its reasonable discretion, agree to such alternative custodial arrangements as it may determine from time to time without notice to you. Such documents of title shall not be lent to any third party and money may not be borrowed on your behalf against the security of those documents.

25.2 Unless alternative custodial arrangements are agreed as above, your Securities will be held collectively in an account with the Nominee, which means that although the amount of Securities that you hold will be recorded and separately identified by the Plan Manager, your holding may not be identifiable by separate documents or certificates of title. Therefore, in the event of default on the part of the Plan Manager or the relevant Nominee, any irreconcilable shortfall in the Securities may be shared pro rata among all investors whose Securities are held with the Nominee. We are responsible to you for our own actions and those of the Nominee.

26. Voting Rights

26.1 Unless alternative custodial arrangements are agreed as above, Investec Wealth and Investment Limited will hold the voting rights (if any) in relation to the Securities in your Plan. Investec Wealth and Investment Limited will have the right to exercise such voting rights (or abstain from exercising them) at its discretion. If you wish, however, you may request the Plan Manager to arrange for you to attend (and vote at) meetings of holders of Securities in relation to your investment in the Plan which is an ISA, to the extent that this is permitted by the terms of the relevant instrument for the Securities concerned. If you request, and your Plan is an ISA, the Plan Manager will send you copies of the annual report and accounts and any offering circular, prospectus or other information which is issued to holders of Securities in your Plan. To make this request, please write to Investec Structured Products, 30 Gresham Street, London EC2V 7QP.
