

We're making changes to our Banking Relationship Agreement and Additional Conditions. We have also simplified our Charges Sheet to make it clearer for you. We have not changed the amount of any charges.

The changes apply from **13 January 2018** and you'll be able to download a copy of the new terms from our website or ask for them to be posted to you from **13 January 2018**.

Why are we making changes?

Every so often we need to update our agreement to comply with new laws and regulations, this includes recent changes to support innovation, competition in the payments sector and increase client protections. Specifically, we have made some changes to support new third party services where you can give permission to authorised third parties to access information about your accounts, and instruct payments on your behalf. We are also improving the wording in our agreement, just to make it clearer for you. See the table below for a summary of all the changes we are making.

Do all the changes apply to all accounts?

Although we have different types of accounts – Transaction Accounts, Notice Accounts, Bonds and Fixed Term Deposits, some of the changes are only specific to Transaction Accounts.

Transaction Accounts allow you to withdraw money without notice. Voyage Account, Private bank account, E-as-y Access Account, Currency Access Account, Investec Access Account and Specialist Access Account are Transaction Accounts. The changes that are specific to these accounts have been made clear in the summary of changes below.

What's changing?	Summary of Changes
Contacting you in an emergency	We now have to make clear how we will contact you in the event of suspected or actual fraud or security threats.
Opening access to Third Party Providers (TPPs)	<p>A TPP is a third party service provider that is allowed, with your express agreement, to access your online Transaction Accounts to make payments for you and obtain and consolidate information about your finances (this may include information about accounts you hold with us and other banks and building societies).</p> <p>We'll include terms that make clear you can use TPPs if you want to. We will give the TPP access to your account information and make payments initiated by the TPP in the same way as if you were accessing account information or making payments directly with us.</p> <p>Although you must not, generally, give your security information (for example, your online login credentials) to anyone else, you may give them to a TPP. They will agree with you that they will keep your security information safe and will only use it for the purposes you have agreed with them. Because the security of bank accounts is important, TPPs are regulated either by the Financial Conduct Authority or their local financial regulator. You must check this when you sign up to use their services from the information they provide to you.</p> <p>Please note that when you authorise a TPP to access your online Transaction Accounts, they will be able to see all of the information that you can see when you log in and may also be able to give payment instructions on other accounts. The agreement you have in place with the TPP should not allow them to use this information or give payment instructions on your other accounts.</p> <p>We may refuse to allow a TPP to access your online Transaction Accounts if we are concerned about unauthorised or fraudulent access by that TPP. Unless it would compromise our reasonable security measures or otherwise be unlawful, we'll tell you if we do this, and why, in the way we think most appropriate.</p> <p>If you use a TPP you must continue to tell us about any payments on your account that you think may be incorrect or unauthorised. If there is an unauthorised transaction made by a TPP we will treat this in the same way as other unauthorised transactions.</p>

What's changing?	Summary of Changes
Information on your Transaction Accounts	We will provide monthly statements on all Transaction Accounts.
International and foreign currency payments and what you pay for them	<p>For all payments within the EEA, you'll no longer have the option to pay charges for the person you're making a payment to.</p> <p>*EEA means all the member states of the European Union and Iceland, Norway and Liechtenstein.</p>
Payments that are made into your account by mistake	<p>We're clarifying what we'll do when a payment has been made into your account by mistake. We are also introducing changes to reflect new industry standards that help clients who use incorrect payment details to send a payment.</p> <p>If you tell us a payment made from a bank within the EEA was intended for you but the payer says it was made into your account by mistake, we're legally required to share all relevant information including your name and address and transaction information with the bank the payment came from, if they ask us, so that the payer may contact you directly. We're including a term to make this clear.</p>
What happens if we send a payment late?	If a payment you asked us to make doesn't arrive when it should have (normally the business day after we send the payment from your account), you can ask us to contact the receiving bank and ask them to treat the payment as if it had been made on time and correct the amount of interest on the account.
Changing the terms of your agreement	We're clarifying when and how we can change the terms of our agreement with you.
Reducing your liability for unauthorised payments and changing when we're required to give refunds	<p>We're clarifying what will happen if you tell us there has been an unauthorised payment on your account.</p> <p>In future, unless you've been fraudulent or grossly negligent (acted with a very significant degree of carelessness), we won't make you liable for more than £35.</p> <p>Where you're entitled to a refund for an unauthorised payment, we won't have to make it immediately but we'll do so as soon as practicable, and no later than the end of the next working day.</p>
Your rights in relation to your information	You explicitly consent to us accessing, processing and retaining any information you provide to us for the purposes of providing payment services to you. This does not affect any rights and obligations you or we have under data protection legislation. You may withdraw this consent by closing your account. If you do this, we will stop using your data for providing payment services. We may still process your data where we have lawful grounds to do so, for example, where we need to retain records for regulatory purposes.
Introducing cheque imaging	We're setting out the faster times for processing sterling cheques through the Image Clearing System. This is being introduced on a phased approach across the banking industry from 30 October 2017. Once introduced, imaged cheques paid into your account will be credited on the working day following the day it's paid into your account. Please note that a cheque can still be returned unpaid on the day it is credited to your account.

What do you need to do?

We hope you'll be happy with these changes but, if you're not, you have the right to end your agreement and close your account without charge. Please note, this only applies if you have a Transaction Account.

If you want to do this, please contact us before **13 January 2018**. If we haven't heard from you by this date, we'll assume you've accepted the changes and they'll take effect automatically.

Additional Important Information

As well as the above changes we are making to our terms, we also want to make you aware of the following information in the table below.

Important Information	
E-as-y Access Account	On a regular basis we review our savings accounts, and please note that from 13 January 2018 we will no longer be accepting cheque deposits. However,

The Home Office may require us to close any accounts, including joint accounts. We will tell you if we take action to comply with our legal obligations under UK Immigration law, unless we cannot do so for legal reasons.</p>

1. Welcome to your Relationship Agreement

Who we are

- 1.1 We are Investec Bank plc (company number 00489604). Our registered office is 2 Gresham Street, London, EC2V 7QP. We are authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority (Financial Services Register number 172330) for banking and lending services. Our main business is banking and lending. We are a member of **Investec Group**, which includes Investec plc and Investec Limited (a company registered in South Africa) together with the holding companies, other subsidiaries of those holding companies, and any of their direct or indirect subsidiaries.

How this Relationship Agreement works, and what it covers

- 1.2 This Relationship Agreement is a legal document which sets out your rights and obligations to us, and our rights and obligations to you. It sets out general terms and conditions which apply to your agreement with us for UK bank accounts, as well as banking services we make available to you from time to time such as online banking and telephone banking. It applies to:
- (a) **Personal Clients** – people who are using a UK bank account or service for personal use and not in connection with any business or trust activity.
 - (b) **Business Clients** – people such as sole traders, officers or members of an unincorporated charity, club, society or association, partners in a partnership, and corporate bodies such as limited companies and limited liability partnerships.
 - (c) **Trust Clients** – people who are acting as trustees of a trust or pension scheme, or who tell us that they are holding money in a UK bank account for the benefit of someone else.
- 1.3 Before you open a bank account with us, we will make available the additional conditions that apply to that account. The additional conditions will supplement this Relationship Agreement. Additional conditions include further details relating to the account you have chosen, such as the minimum deposit, the interest rate, charges, any restrictions on availability, when we will give you statements and (for Notice Accounts) how much notice you must give us to make a withdrawal. This Relationship Agreement, together with the additional conditions and any mandate you give us telling us who can instruct us on your behalf, will form the agreement between you and us for the account. If the additional conditions are inconsistent with the terms set out in this Relationship Agreement, the additional conditions will apply.
- 1.4 This Relationship Agreement includes some terms with initial capital letters. The section at the end of this document entitled Definitions tells you what those terms mean.

- 1.13 We will tell you what banking services are available and if there are any registration requirements and restrictions on availability. Before you use a banking service for the first time, we will tell you how you can use the service to give us instructions or to cancel those instructions.
- 1.14 We are not obliged to open accounts or make banking services available. If we decide not to open an account or to make a banking service available, we do not have to give you a reason.

If you change your mind about opening an account

- 1.15 In the case of Transaction Accounts, Notice Accounts and Bonds, you can cancel your account without charge within 14 days of the date your account is opened. If you wish to cancel, write to us at Investec Bank plc, Correspondence, FREEPOST LON9401, London EC2B 0ZZ (UK clients only) or Investec Bank plc, The Banking Team, 2 Gresham Street, London EC2V 7QP. We will return the deposit and any interest earned, or we will help you switch to another account if you wish.
- 1.16 If you do not cancel your account within the 14 day period, your account will remain open until it is closed under the terms that apply to your account. See condition 12 *Closing accounts*.
- 1.17 In the case of a Fixed Term Deposit, once you receive confirmation from us of the interest rate, when interest will be paid, the currency and amount of the deposit and the deposit term, you will not be able to cancel your account.

Your personal information

- 1.18 We take the security and confidentiality of your personal information very seriously and we have various safeguards in place which are intended to protect that information. To find out how we use your personal information, read our Data Protection Statement online at **www.investec.co.uk/legal/uk/data-protection.html** or ask us for a printed copy. The Data Protection Statement sets out how we may use and share your information with other members of the Investec Group and with third parties, such as credit reference and fraud prevention agencies.

Obtaining copies

- 1.19 You can download an up to date copy of this Relationship Agreement and the additional conditions for our bank accounts from our website or you can ask us for a printed copy.

2. Protecting your Account

- 2.1 You must take reasonable steps to keep your account information, Security Information and details of any security procedures secret and to prevent their unauthorised use. For example:
- if you receive paper statements or notices from us, store these securely or dispose of them safely;
 - do not choose Security Information that is easy to guess, or write down or store any Security Information in a way that someone else might understand;
 - do not disclose your Security Information to anyone, or allow anyone to use any card or security device we give you, even a joint account holder, additional cardholder or someone else you have appointed to act on your behalf; and
 - when using computer equipment, make sure you have up to date antivirus software installed and a firewall enabled, and that you do not leave your computer unsupervised when you are logged in.

Investec Bank plc Banking Relationship Agreement (cont.)

- 2.2 From time to time we will give you more information about keeping your accounts and your use of banking services safe. You should follow any reasonable instructions we give you.
- 2.3 You must call us **as soon as possible** on 0330 123 4512 (UK clients only), or on +44 (0)20 7597 4050 if:
 - (a) you believe someone else knows your Security Information;
 - (b) you believe that someone has accessed your account without your authority; or
 - (c) any chequebook, card or any security device we give you is lost or stolen.
- 2.4 If you find a card after reporting it as being lost or stolen, you must not use it.
- 2.5 You should check your account statements, notices and electronic messages when you receive them, and you must tell us as soon as possible if you believe that there are any errors.

Keeping your information up to date

- 2.6 You must ensure that the information you have given us is up to date. We will rely on this information when checking your identity, giving you access to banking services, keeping in touch with you, and processing applications for additional accounts. You must notify us of any change to your information as soon as possible and you must give us evidence of the change if we ask you to. If you do not tell us about a change, we will not be liable if you do not receive any important information from us, or if we send confidential information to an out of date address.
- 2.7 In order to comply with legal or regulatory requirements, we may, from time to time, request additional information from you. You must provide us with any information that we reasonably request.
- 2.8 We can report unauthorised access to your account, unauthorised use of any banking service or card, or loss or theft of any card or Security Information to police, prosecuting authorities and our regulators. As part of this report, we can disclose information about you or the affected accounts or services to them where we reasonably believe this will help them with their enquiries. You must assist us in our discussions with them if we reasonably ask you to do so.

3. Giving us instructions

Who can give us instructions?

- 3.1 We can accept instructions from you or from anyone appointed to act on your behalf. We must receive satisfactory evidence of their appointment, for example a signed instruction from you, a power of attorney or a court order (for example, appointing an executor or a liquidator).
- 3.2 We have procedures which you must follow where you wish to appoint or remove someone acting on your behalf. We will not accept instructions from any person you appoint until we have satisfactorily completed our checks against that person. If you wish to remove someone you have appointed to act on your behalf, any instructions we have received from them before we are informed of your intention to remove them will remain valid.
- 3.3 You will be responsible for instructions given by any person who is appointed to act on your behalf. You will be treated as having given those instructions.
- 3.4 You authorise us to give information about you and your accounts to any person appointed to act on your behalf.
- 3.5 For security reasons, we may not allow someone who is acting on your behalf to access some of our banking services. We will tell you if this is the case.

Additional information for joint Personal Clients

- 3.6 Unless you tell us otherwise, we can accept instructions from any one of you who are joint account holders to:
 - (a) withdraw money out of the account, up to and including the full available balance;
 - (b) provide information about the account; or
 - (c) close any accounts (for example, if the relationship between you ends).
- 3.7 For security reasons, we may decide not to process an instruction until we have confirmed it with another account holder(s).
- 3.8 If you wish to appoint or remove someone acting on your behalf, all account holders must sign an instruction appointing or removing them.

Important information about the liability of joint account holders

- 3.9 Where you hold a joint account with us, any debt you owe us under the joint account will be owed by you all jointly and severally. This means that we can demand repayment of the full amount due from all or any of you, and not just a proportion, even if you personally were not aware of the debt.

How you can give us instructions

- 3.10 You can instruct us by post or fax. In addition, you may be able to use our banking services to give us instructions. Unless we expressly confirm otherwise, we will not accept instructions sent by electronic message such as e-mail or our online banking secure message service. We may also make a card available for use with some accounts. If we do, we will tell you this in the additional conditions for that account.
- 3.11 We will only act on an instruction if we reasonably believe that you have given or consented to that instruction. You will be treated as having given or consented to the instruction if:
 - (a) in the case of instructions sent by post or fax, the instruction appears to be signed in accordance with the mandate we hold;
 - (b) in the case of an instruction given using a banking service or a card, the correct Security Information was given when the instruction was given. In addition, our security procedures or any other procedures we or the payee use, such as additional identification checks, must be passed; or
 - (c) in the case of a card used in a contactless transaction, the card was held over a reader.

Investec Bank plc Banking Relationship Agreement (cont.)

- 3.12 We will only treat your instruction as having been given once we actually receive it.
- 3.13 If your instruction is unclear, we may not act on it until we receive the clarification we need.
- 3.14 If you give us duplicate instructions we can treat them as being intended and can process them both, without checking with you.
- 3.15 If you give us a future-dated instruction, including a recurring instruction such as a standing order or a Direct Debit, we will treat this as having been given (in each case) on the date we are due to process it.
- 3.16 There may be a delay in processing your instructions while we carry out fraud or security checks, or ask you for additional information.

Can we refuse to act on your instructions?

- 3.17 We can refuse to act on your instructions, and charge you for refusal, in the following situations:
 - (a) if your instruction appears to be unclear, or does not appear to have been properly authorised by you;
 - (b) if we become aware of a dispute between you and other account holders, or any dispute arises as to the ownership of the money in your account;
 - (c) if we suspect fraud or criminal activity;
 - (d) if we suspend your account, or stop the use of your banking services or card (see condition 10, *Suspending your account, or stopping your use of banking services or cards*);
 - (e) if we reasonably believe that processing the instruction would be unlawful or would cause us to breach any legal obligation, regulation, code or other duty that applies to us;
 - (f) in the case of a payment instruction, if you do not have sufficient available funds to make the payment, or to pay any charge that is payable;
 - (g) if you exceed any limit we apply to your account or card from time to time (such as a cash withdrawal limit); or
 - (h) in the case of a cheque or bank draft payment into or out of your account, if the cheque or bank draft is more than 6 months old.
- 3.18 In the case of a payment instruction, we will try to contact you and tell you why we have refused your instruction and what you can do to fix this. We will contact you no later than the date on which the payment should have been made to the payee's bank. We will not tell you why we have refused your instruction if we cannot do so for legal reasons.
- 3.19 If you attempt to make a card payment online, the payee may ask you to verify the payment using Verified by Visa, which is designed to prevent online fraud. If you do not register for this service, we may not authorise your card payment.

Payment limits

- 3.20 We set transaction limits on certain types of payments. This is an additional security and anti-fraud measure. For security reasons we will not tell you what our limits are on certain types of transactions, such as online banking payments.

Cancelling standing payment instructions

- 3.21 If a standing order or Direct Debit payment from your account is refused on more than one occasion due to insufficient funds and we reasonably believe this problem is going to continue, we can cancel that standing order or Direct Debit. We will tell you in advance that we are going to do this unless we are unable to contact you, in which case we will tell you as soon as possible afterwards.

4. Using your account

Payment details

- 4.1 The table below lists the information usually required when making payments into or out of your account. You can find the specific payment details on our website at [investec.co.uk/paymentdetails](https://www.investec.co.uk/paymentdetails) and you can download or print this or ask us for a copy.

For payments into your account

Your account name and number, bank details such as the Bank Identifier Code (BIC), sort code or the International Bank Account Number (IBAN).

For payments out of your account

The payee's account name and account number, the payee's bank details such as the bank name, sort code, BIC or IBAN. We will let you know if any further information is required.

Payments into your account

- 4.2 You can make electronic payments. In addition, where we have given you a paying in book to use in connection with your account, you can make cash or cheque payments in sterling at an HSBC branch. You must complete a bank giro credit slip to pay in a cheque or cash at an HSBC branch.
- 4.3 Where you pay money into your account at an HSBC branch you may have to provide proof of your identity and/or pass identification checks. There may be a delay in processing your payment while the HSBC branch carries out fraud or security checks, or asks you for additional information.

Investec Bank plc Banking Relationship Agreement (cont.)

Payments by cheque into your account

4.4 In the case of cheques drawn in sterling, the cheque will go through the cheque clearing cycle as follows:

Working Day 0
(example: Monday)

Beginning of Working Day 2
(example: Wednesday)

Beginning of Working Day 4
(example: Friday)

End of Working Day 6
(example: end of the following
Tuesday)

For cheques sent by post: This is the day we receive the cheque.

For cheques paid in at an HSBC branch: This is the Working Day on which you pay in the cheque. If you pay a cheque in after 3:30pm on a Working Day or on a day that is not a Working Day, Working Day 0 will be the next Working Day.

The amount paid in starts earning interest.

The amount paid in is available to be withdrawn.

Until the end of Working Day 6, the cheque can still be returned unpaid, which means we can deduct the value of the cheque from your account. You should bear this risk in mind when deciding whether to withdraw funds before the end of Working Day 6. After the end of Working Day 6, we cannot take the value of the cheque out of your account without your consent, except in the case of fraud.

4.5 If you send us a cheque before we have opened your account, Working Day 0 in the above table will be the day we open your account and not the day we receive the cheque.

4.6 Special rules may apply where the cheque is drawn in a currency other than sterling or the paying bank is situated outside the United Kingdom. You can ask us how long the cheque will take to clear in these cases.

4.7 The following rules apply to cheque payments:

- (a) If you have been involved in fraud relating to the cheque payment, we can deduct the value of the cheque at any time after we become aware of the fraud.
- (b) We will not accept cheques made payable to someone other than you or us.

Cash payments into your account

4.8 The following rules apply to cash payments:

- (a) If you make a payment before 3:30pm on a Working Day, we will credit your account with the amount of the payment no later than the end of the second Working Day following the date of payment.
- (b) If you make a payment after 3:30pm on a Working Day or on a day that is not a Working Day, we will treat the payment as being made on the next Working Day. We will credit your account with the amount of the payment no later than the end of the second Working Day following that day.

In either case you will not earn interest until the amount is credited to your account.

Electronic payments into your account

4.9 In the case of an electronic payment, we will credit your account with the amount of the payment once we receive it. However, where you are opening a new account and you send us an electronic payment to pay the minimum deposit needed, we will only credit your account on the day we open your account. You will only earn interest from the day we open your account.

4.10 If we pay money into your account by mistake or if the paying bank instructs us to recall a payment or does not pay the value of a cheque to us for any reason, you must repay us immediately. We can deduct the amount of the payment from your account (together with interest and any charges) without your consent, even if this creates or increases a debt on your account. We will tell you as soon as possible if we do so, although in some cases we may not be able to tell you in advance.

Payments out of your account

4.11 If you have sufficient available funds to make the payment, you can make electronic payments out of your account. Where we make a chequebook available, you can also write a cheque. Where we make a card available, you can use the card to make card payments or cash withdrawals.

4.12 Some payment instructions can only be processed on a Working Day while certain other payment instructions can be processed on a Calendar Day.

4.13 Cut-off times may apply to payment instructions processed on a Working Day. The "cut-off time" is the time on a Working Day by which we must receive your instruction in order to start processing it on that day. If we receive a payment instruction after the cut-off time on a Working Day, we may not be able to start processing your instruction until the next Working Day. If we receive a payment instruction on a day that is not a Working Day, we will treat your instruction as being received on the next Working Day and we will start processing it then.

Investec Bank plc Banking Relationship Agreement (cont.)

- 4.14 Cut-off times can vary depending on the type and currency of the payment instruction. You can find information on cut-off times on our website at investec.co.uk/paymentdetails and you can download or print this or ask us for a copy.
- 4.15 The table below lists the latest time by which different payment instructions will reach the payee's bank.

Type of payment instruction	Latest time by which the payment instruction will reach the payee's bank (This will be subject to any cut-off times that apply to a specific type of payment instruction)
Transfers in sterling	Next Working Day
Transfers in euro	Next Working Day
Transfers in any European Economic Area ("EEA") currency where: (a) the bank receiving the payment is located within the EEA; and (b) the payment is in an EEA currency (other than sterling or euro)	No later than four Working Days after we receive your payment instruction
Transfers in any of the following currencies: · US dollars · South African rand · Australian dollars · New Zealand dollars · Canadian dollars · Japanese yen · Singapore dollars · Hong Kong dollars · Israeli Shekel	No later than four Working Days after we receive your payment instruction
Transfers in any other currency	Contact us
Standing Order (sterling only)	On the date set out in the standing order instruction
Direct Debit (sterling only)	On the date set out in the Direct Debit instruction

- 4.16 Where possible, we will send electronic payments in sterling using the Faster Payments scheme, which means that the payment will reach the payee's bank on the same Working Day or Calendar Day (where payments can be processed on Calendar Days). However, we cannot use the Faster Payments scheme for payments above the scheme's transaction limits, or which are being sent to a bank which is not a member of the scheme.
- 4.17 In the case of a standing order or Direct Debit, if the due date for payment is not a Working Day, we will transfer the money on the next Working Day.
- 4.18 Where you give us notice to withdraw funds from a Notice Account before 5:30pm on a Working Day, your notice period will begin on that day. Otherwise it will begin on the next Working day. We will transfer the money on the date your notice expires.
- 4.19 You must not write future-dated cheques. If you do, we can ignore the future date and treat the cheque as being dated on the date the cheque is presented for payment and we will not be liable to you if we do this.
- 4.20 When we process payment instructions, we will deduct card payments and cash withdrawals before any other payments. If there are insufficient funds to make all the remaining payments, we will decide which payments to make and which to refuse.

Restrictions on making payments out of your account

- 4.21 Withdrawal restrictions apply to payments out of your account, as follows:
- Notice Accounts:** you can only make payments to an account in your name. You must give us the required notice to withdraw funds as set out in the additional conditions for your account. We will only consider whether to allow an early withdrawal in cases of extreme emergency, but we do not have to agree to this.
 - Fixed Term Deposits and Bonds:** any money paid out of your account can only be paid to an account in your name. You cannot make payments out during the deposit term.
 - Accounts held by Trust Clients:** you can only make payments to an account that is held by you for the benefit of the same beneficiaries.

Card payments

- 4.22 If you use a card to withdraw cash or to make a payment, we will take the amount withdrawn or paid from your account on the day we receive details of the withdrawal or payment.

Investec Bank plc Banking Relationship Agreement (cont.)

Can you cancel a payment instruction?

- 4.23 Once we have received your instruction, you cannot cancel it. In the case of a future-dated payment instruction such as a Direct Debit or standing order, however, you can cancel your instruction at any time before 5:30pm on the Working Day preceding the day on which the payment is due to be made. In the case of a withdrawal instruction on a Notice Account, you can cancel your instruction at any time before 4:30pm on the Working Day preceding the day on which the payment is due to be made.
- 4.24 If the payee agrees to refund a card payment, we will credit the refund to your account when we receive it.
- 4.25 You can stop a cheque by writing to us or calling us and giving us full details of the cheque. You cannot stop a cheque after we receive it.

Payments in another currency

- 4.26 If you make a payment out of your account (other than a card payment) in a currency which is not in the currency of your account, we will convert the amount using the exchange rate we select at the time we make the conversion. If you want us to confirm the exchange rate before we process the payment, tell us when you instruct the payment. Likewise, if you receive a payment into your account in a currency which is not in the currency of your account, we will convert the amount into the currency of the account using the exchange rate we select at the time we make the conversion. You can call us to find out what rate we apply.
- 4.27 We do not make or allow electronic payments in all currencies, and we do not allow cheque payments in all currencies. Contact us for details of the currencies we accept.
- 4.28 If you use a card to withdraw cash in a different currency, the exchange rate will be the rate selected by Visa, by the bank issuing the cash, or by the ATM operator, plus our currency conversion fee. We will tell you what our currency fee is in the additional conditions for your account. The amount will be converted at the time of the withdrawal and the exchange rate and the amount of the withdrawal after the currency conversion will be shown in your next monthly statement.
- 4.29 If you use a card to make a payment in a different currency, the exchange rate will be the rate selected by Visa plus our currency conversion fee. Visa's exchange rates can be found on the Visa Europe website. We will tell you what our currency fee is in the additional conditions for your account. The amount will be converted on the day the payment is processed by Visa. The exchange rate and the amount of the transaction after the currency conversion will be shown in your next monthly statement.

Interest

- 4.30 We will tell you about interest rates in the additional conditions for your account. You can get details of our current interest rates on our website or by contacting us.
- 4.31 We will pay interest without deducting tax unless UK law requires us to deduct tax. You may still have to pay tax to HMRC on the interest you earn. This will depend on your specific circumstances.

Statements

- 4.32 We will tell you about statements in the additional conditions for your account.
- 4.33 In the case of joint Personal Clients, we will only send a statement to the first-named account holder, unless otherwise requested. In the case of Business Clients or Trust Clients, we will only send statements to the contact address you have given us, unless otherwise requested.

Charges and fees

- 4.34 Charges apply for some services and are set out in our charges sheet. An up to date copy of our charges sheet is available on our website or on request. Where applicable, we will tell you about other charges or fees for your account in the additional conditions for that account.
- 4.35 If there is a payment into your account and a charge applies, we can debit the charge from the amount being paid in.
- 4.36 Other taxes or costs may exist that are not paid through us and are not imposed by us. You will be responsible for paying these.

5. Using banking services

- 5.1 When you access our banking services you may use our software, which we will license to you so that you can use the service. You will not however acquire any right, title or interest in this software. You must not modify, adapt, reverse engineer or decompile any software we license to you.
- 5.2 Our banking services may be unavailable due to systems maintenance or updates. Where possible we will try to give you advance notice of unavailability. Banking services may also be inaccessible or slow from time to time due to circumstances beyond our control, such as heavy internet traffic or server problems.
- 5.3 Our online banking service uses a high level of encryption. Using online banking in other countries may be illegal for this reason. You should check that you are allowed to use online banking in the country you are in.
- 5.4 You must ensure that any device and software that you use to access banking services complies with any reasonable standards and requirements we set from time to time. Compatibility requirements are set out on our website.

6. Cards

Obtaining your card

- 6.1 If we make a card available, we will send you the card when you open your account, or to replace a card that is lost, stolen or damaged, or on renewal of your card. We can decide not to renew or replace a card and we do not have to tell you the reason.
- 6.2 If the additional conditions for your account allow this, we may also send a card to an additional cardholder if you ask us to.

Using your card

- 6.3 You must not use your card for any unlawful purpose. You must not use a card after its expiry date, or if we have asked you to destroy it, or if we have told you that we have stopped its use. We can deduct the amount of any card payment (and any charges) from your account even if your card has been stopped by the time we make the deduction.
- 6.4 We will not be responsible if any payee or card machine does not accept your card, or if we refuse authorisation to a payee to accept payment by your card in accordance with the terms set out in this Relationship Agreement.

7. Borrowing on your account

Can you go overdrawn?

- 7.1 We do not generally allow borrowing on any of our accounts. However, an overdraft could occur in one of two situations:
 - (a) We may agree to make an Arranged Overdraft available on your account.
 - (b) An Unarranged Overdraft could arise because of a payment or charge being applied to your account. It could also arise because we correct an entry in your account – for example, if you pay in a cheque which then bounces after you have withdrawn the funds, or if we take back money that was paid into your account by mistake.

Arranged Overdrafts

- 7.2 We may agree to make an Arranged Overdraft available on your account. Arranged Overdrafts are only available on certain Transaction Accounts, and only if the additional conditions for that particular type of account say so.
- 7.3 Where an Arranged Overdraft is available on your account, you can contact us at any time to ask for one. You can also contact us at any time to ask us to increase or decrease the overdraft limit on any Arranged Overdraft we have given you.
- 7.4 Whether we agree to give you an Arranged Overdraft, or increase your overdraft limit, depends on your financial circumstances. We will consider your financial circumstances before deciding whether to give you an Arranged Overdraft or to increase your limit. We may ask you for further information about your finances, and we may carry out checks with credit reference agencies and fraud prevention agencies.
- 7.5 If we agree to make an Arranged Overdraft available to you, we will tell you what your overdraft limit is, how long the Arranged Overdraft is available for, the interest rate we will charge on overdrawn balances and any charges we make for providing the Arranged Overdraft. We will also tell you if we need security for your Arranged Overdraft.
- 7.6 Arranged Overdrafts are repayable on demand. This means that we can ask you to repay the full amount of the overdraft at any time. We can also reduce your overdraft limit at any time, without notice. However, unless we have reasonable concerns about your financial circumstances, or unless we have a right to terminate our relationship with you without notice (as explained in condition 12 *Closing accounts*), we will give you 30 days' notice asking you to repay us what you owe and/or terminating your Arranged Overdraft.

Unarranged Overdrafts

- 7.7 An Unarranged Overdraft can arise where a payment is due to be made out of your account and you have insufficient funds to cover the amount of the payment. In calculating whether you have sufficient funds to cover a payment, we will look at the available funds on your account. Your available funds consist of the cleared balance of your account (including any unused Arranged Overdraft balance) less any card transactions we have authorised but not yet debited from your account. We will not include payments into your account that have not yet cleared.
- 7.8 Where you have insufficient funds and a payment is due to be made, we will treat this as a request made by you for an Unarranged Overdraft. We will only make the payment if it is one of the following payment types which we cannot refuse:
 - (a) some types of card payments where authorisation is not sought from us before the transaction is approved – for example, payments to a retailer who does not check with us whether you have sufficient funds available before processing the payment;
 - (b) any overdraft interest or charges we apply to your account; or
 - (c) corrections we make to an entry in your account – for example, if you pay in a cheque which then bounces after you have withdrawn the funds, or if we take back money that was paid into your account by mistake.
- 7.9 Unarranged Overdrafts are repayable immediately. We will charge you Unarranged Overdraft interest on the overdrawn balance until you repay us. See our charges sheet or the additional conditions for details. If an Unarranged Overdraft arises and you pay funds into your account on the same Working Day to clear the overdrawn balance, we will not charge you Unarranged Overdraft interest.
- 7.10 The interest rate we charge on Unarranged Overdrafts is higher than the interest rate for Arranged Overdrafts. If you need an overdraft facility to help with payments from time to time, you can contact us to find out whether you are eligible for an Arranged Overdraft on your account, or you can ask us to increase the limit on an Arranged Overdraft you already have.

How we apply payments when your account is overdrawn

- 7.11 If you pay money into your account and you are overdrawn, we will use the money first to repay any Unarranged Overdraft, then we will use any remainder to repay any Arranged Overdraft.

8. Changing the terms of your agreement

8.1 In this condition we explain when we can make changes to your agreement with us for your account.

Changing a Tracker Rate

8.2 If the interest rate on your account is a Tracker Rate, it will change in line with any change in the Reference Interest Rate that it tracks. We will make the change immediately and tell you within 30 days of doing so. You will have no right to refuse to accept the change. We will publish our updated interest rates on our website.

8.3 We can also change the percentage above or below the Reference Interest Rate, select a different Reference Interest Rate or change the Tracker Rate to a Managed Rate. We will only do this if we have a valid reason for doing so. If the change benefits you, we will make the change immediately and tell you within 30 days of doing so. If the change adversely affects you then the following rules apply:

- (a) If your account is a Transaction Account, we will give you 60 days' advance notice. If you do not accept the change, you can write to us during the notice period to close your account without loss of interest or paying any charges. If we do not hear from you, the change will take effect at the end of the notice period and you will be treated as having accepted the change.
- (b) If your account is not a Transaction Account, we will give you advance notice of the change in accordance with regulatory requirements. We will explain when the change will take effect.

Changing a Managed Rate

8.4 If the interest rate on your account is a Managed Rate, we can change the interest rate. We will only do this if we have a valid reason for doing so.

8.5 If the change benefits you, we will make the change and tell you within 30 days of doing so.

8.6 If the change adversely affects you then the following rules apply:

- (a) If your account is a Transaction Account, we will give you 60 days' advance notice. If you do not accept the change, you can write to us during the notice period to close your account without loss of interest or paying any charges. If we do not hear from you, the change will take effect at the end of the notice period and you will be treated as having accepted the change.
- (b) If your account is not a Transaction Account, we will give you advance notice of the change in accordance with regulatory requirements. We will explain when the change will take effect.

Changes to existing charges

8.7 We can introduce a new charge for an existing service, or increase or decrease an existing charge. We will only do this if we have a valid reason for doing so.

8.8 Where we introduce a new charge or increase an existing charge the following rules apply:

- (a) If your account is a Transaction Account, we will give you 60 days' advance notice. If you do not accept the change, you can write to us during the notice period to close your account without loss of interest or paying any charges. If we do not hear from you, the change will take effect at the end of the notice period and you will be treated as having accepted the change.
- (b) If your account is not a Transaction Account, we will give you advance notice of the change in accordance with regulatory requirements. We will explain when the change will take effect. If the change adversely affects you, we will give you notice and you have the right, at any time up to 30 days from the date of our notice, to write to us instructing us to switch or close your account without loss of interest or paying any charges.

Changes to terms and conditions other than changes to interest rates or charges

8.9 We can vary or amend any other term of the Agreement for any of the following reasons:

- (a) to reflect proportionately other legitimate cost increases and reductions we incur in providing the account or our services;
- (b) to respond proportionately to changes in Bank of England base rate, other market rates or tax rates;
- (c) to reflect an actual or expected change in general banking practice, industry guidance or codes of practice, or market conditions;
- (d) to comply with or anticipate changes in our legal or regulatory obligations; or
- (e) to make our terms clearer or more favourable to you.

8.10 If your account is a Transaction Account and the change affects a term relating to how we process payments on your account, or liability for an Incorrect Payment or an Unauthorised Payment, we will give you 60 days' advance notice. If you do not accept the change, you can write to us during the notice period to close your account without loss of interest or paying any charges. If we do not hear from you, the change will take effect at the end of the notice period and you will be treated as having accepted the change.

8.11 If the change is to another term in a Transaction Account, or if your account is not a Transaction Account, then the following rules apply:

- (a) If the change benefits you or does not adversely affect you, we will make the change and tell you within 30 days of doing so.
- (b) If the change adversely affects you, we will give you notice and you have the right, at any time up to 60 days from the date of our notice, to write to us instructing us to switch or close your account without loss of interest or paying any charges.

8.12 If we have to make the change more quickly in order to reflect a change in our legal or regulatory obligations, we will give you as much notice as we can.

Changes to exchange rates

8.13 The exchange rates used by us, Visa or other organisations to convert payments in another currency change daily and even within the same day. We may change our exchange rates immediately. We will not notify you of changes in exchange rates.

Investec Bank plc Banking Relationship Agreement (cont.)

Increasing or decreasing your overdraft limit

- 8.14 If you have an Arranged Overdraft, we can increase or decrease your overdraft limit at any time, without notice. However, unless we have reasonable concerns about your financial circumstances, or unless we have a right to terminate our relationship with you without notice (as explained in condition 12 *Closing accounts*), we will give you 30 days' notice before we decrease your overdraft limit.

Other changes we can make

- 8.15 We may from time to time introduce new services (and charge for them), change our banking services or the way they work, or change or introduce new security procedures. Unless these changes mean we have to change the existing terms of our agreement with you, we do not have to give you advance notice of any of these changes and the changes will take effect when we introduce them.

9. Liability

- 9.1 This condition is split into three parts. Part 1 explains circumstances where you may be entitled to a refund because of an Unauthorised Payment or an Incorrect Payment, the extent of our liability to you, and the rules that apply to any claim. Part 2 explains circumstances where you may be liable for any loss incurred by you or by us. Part 3 explains circumstances where we will not be liable to you, even if you have suffered loss.

PART 1 – REFUNDS

Refunds under the Direct Debit Scheme

- 9.2 If you think that a payment has been wrongly taken from your account under a Direct Debit, you must tell us. We will follow the rules of the UK Direct Debit Scheme where you make a claim for a refund of an incorrect Direct Debit payment in sterling out of your account.

Unauthorised or Incorrect Payments (other than Direct Debits)

- 9.3 Subject to the other terms set out in this condition 9, you may be entitled to a refund where:
- (a) you claim that an **Unauthorised Payment** has occurred. This is a payment that has not been authorised by you, by an additional cardholder or by anyone else acting on your behalf in accordance with the terms of your agreement with us; or
 - (b) you claim that an **Incorrect Payment** has occurred. This is a payment that:
 - has not been executed according to instructions given to us by you, by an additional cardholder or by anyone else acting on your behalf, or by or through a payee; or
 - has been processed outside our maximum processing time for that type of payment; or
 - has not been processed at all.
- 9.4 Where you believe that an Unauthorised Payment or an Incorrect Payment has occurred, you must notify us without delay, and in any event no later than 13 months after the date on which the transaction occurred (or ought to have occurred).
- 9.5 If you ask us to do so, we will make immediate efforts to trace an Incorrect Payment. We can charge you for tracing payments where the Incorrect Payment did not arise as a result of our mistake.
- 9.6 Where you notify us of an Unauthorised Payment or an Incorrect Payment out of your account, we can carry out reasonable investigations to find out whether the transaction was properly authorised or correctly processed, but only if we reasonably believe that this is the case.

Our liability for Unauthorised Payments

- 9.7 If (following investigation, where appropriate) you are entitled to a refund due to an Unauthorised Payment, we will refund the amount of the Unauthorised Payment. Alternatively, or where applicable, we also will restore your account to the state it would have been in if the Unauthorised Payment had not taken place.

Our liability for Incorrect Payments out of your account

- 9.8 We will be liable for an Incorrect Payment involving a payment out of your account unless we can show that the payment was sent to the payee's bank or building society in accordance with your instruction and within the timescale for that payment set out in your agreement with us.
- 9.9 If (following investigation, where appropriate) we are liable for an Incorrect Payment out of your account, we will refund the amount of the payment. Alternatively, or where applicable, we also will restore your account to the state it would have been in if we had executed the transaction correctly. We will also pay you any interest and refund any charges you must pay as a result of the Incorrect Payment, to the extent that we have not already paid this to you.

Our liability for payments that should have been made into your account

- 9.10 We will be liable for failure to collect a payment into your account unless we can show that we sent the instruction to collect the payment to the paying bank on the due date you agreed, so as to enable payment to occur on the due date.
- 9.11 If we have failed to collect a payment into your account, we will immediately send an instruction to the paying bank to collect the payment. If requested by you we will make immediate efforts to trace the payment.
- 9.12 If we have received a payment but have failed to pay this into your account, we will make the amount of the payment available to you and where applicable we will credit this to your account.

Investec Bank plc Banking Relationship Agreement (cont.)

Refunds for card payments for an unspecified amount

- 9.13 This rule applies where you make a card payment and each of the following conditions are satisfied:
- (a) the payee is located in the EEA;
 - (b) the consent to the card payment did not specify an exact amount at the time consent was given; and
 - (c) the amount of the transaction exceeded the amount that you (or your additional cardholder) could reasonably have expected, taking into account all the circumstances (including the previous spending pattern on the card).
- 9.14 If these conditions are satisfied, you must make a claim to us in writing within 8 weeks of the date the card payment was debited from your account. We may ask you for any further information about the card payment that we reasonably consider is necessary to enable us to investigate whether the payment was properly authorised or not. Within 10 Working Days of your request (or receipt of the further information we have asked for), we will either refund you or we will tell you why we are not refunding you.

Refunds for payments made in another currency

- 9.15 If we refund you for a payment made in a currency other than the currency of your account, we will convert the amount of the payment into the currency of your account using the exchange rate we select at the time we make the refund. Due to currency fluctuations, the value of the amount refunded may be more or less than the value of the original payment.

If you receive a refund you were not entitled to

- 9.16 If we give you a refund and then discover that you were not entitled to the refund, you must pay us immediately. We can deduct the amount of the refund from your account (together with any interest and/or charges if applicable) without your consent, even if this creates or increases a debt on your account. We will tell you as soon as possible if we do so, although in some cases we may not be able to tell you in advance.

PART 2 – YOUR LIABILITY

- 9.17 You will be liable to us for instructions that you, any additional cardholder or any other person appointed to act on your behalf, give us. However, you will not be liable:
- (a) if we are liable instead under Part 1 above; or
 - (b) to the extent we have made any error, or we have acted without reasonable care, or if we have failed to comply with our legal or regulatory obligations in carrying out your instruction.
- 9.18 If an Unauthorised Payment causes loss and this is because of someone using lost or stolen Security Information or a lost or stolen card, or because you have failed to keep Security Information or any card safe, you will only be liable for losses of up to £50 unless you:
- (a) acted fraudulently; or
 - (b) failed to comply with the requirements set out in condition 2 *Protecting your account*, or any other reasonable instructions we give you on how to keep your accounts and your use of banking services safe, in a way that was either intentional or grossly negligent.
- In these circumstances you will be liable for the full amount of your loss and also for any losses we suffer as a result, subject to condition 9.19 below.
- 9.19 Unless you have acted fraudulently, however, you will not be liable for any losses resulting from unauthorised use of Security Information or a card:
- (a) after you have notified us, or have attempted to do so but cannot because we have not made the means available to allow you to notify us; or
 - (b) before the relevant Security Information or card was received by you, an additional cardholder or someone appointed to act on your behalf; or
 - (c) if the unauthorised use relates to certain types of "distance contract" for the purchase of goods or services (certain legal exclusions apply and we can explain these to you if this situation arises).
- 9.20 You will not be liable for any unauthorised use of a card after you have asked us to stop its use. However, you will be liable if you or an additional cardholder use the card, or authorise further card payments, after you have asked us to stop the card or after we have told you that we have stopped it.
- 9.21 If you are trustee(s) of a pension scheme, your liability will be limited to the assets of the scheme, except where you commit a criminal act or breach your duty as trustee.

PART 3 – WHEN WE WILL NOT BE LIABLE

- 9.22 Unless we have acted without reasonable care, in breach of our agreement with you, or in breach of our legal or regulatory obligations, we will not be liable to you for any loss you incur where:
- (a) we carry out instructions that have been given by you, by an additional cardholder or by someone else acting on your behalf;
 - (b) we act in accordance with our rights under your agreement with us, or to comply with our legal or regulatory obligations;
 - (c) (subject to Part 2 above) you, any additional cardholder or anyone else acting on your behalf, breach any term of this agreement, or act in a way that is fraudulent, intentional or grossly negligent;
 - (d) a payment does not reach the intended account because either you or your payee have given us incorrect payment details (for example, the wrong account number). We will make reasonable efforts to recover the funds that have been transferred. We can charge you for tracing payments;
 - (e) any system is unavailable due to essential maintenance or repair;
 - (f) anything happens that is due to unforeseeable circumstances beyond our control, for example system failures or unavailability or strikes; or
 - (g) you use an account aggregation service provided by another organisation.

Investec Bank plc Banking Relationship Agreement (cont.)

9.23 We will not be liable to you for any of the following losses you may incur:

- (a) loss of business, loss of profit, loss of goodwill or for loss of opportunity; or
- (b) any other loss that is not directly associated with the event which gave rise to your claim, or that we could not reasonably have foreseen at the time we received your instruction.

10. Suspending your account, or stopping your use of banking services

Suspending your account

10.1 We can suspend your account where:

- (a) you have committed a serious or repeated breach of the terms of your agreement with us, or you owe us money and you have not paid us on time;
- (b) we learn that steps have been taken in connection with your bankruptcy, insolvency, or any similar process;
- (c) we learn, or reasonably believe, that someone else knows your Security Information or that an unauthorised person has sought to access or has accessed your account;
- (d) we suspect fraud or other criminal activity;
- (e) we become aware of a dispute between you and other account holders, or any dispute as to your authority or the authority of any person acting on your behalf to give us instructions, or any dispute arises as to the ownership of the money in your account;
- (f) we have to comply with our legal or regulatory obligations, or any other code or duty that applies to us;
- (g) you have not used your account for more than 18 months in the case of a Transaction Account, or more than 3 years in the case of a Notice Account;
- (h) we have given you notice closing your account; or
- (i) we reasonably consider it necessary for your protection.

10.2 We will tell you if we suspend an account and we will provide the reasons for doing so, except where we cannot do so for legal or security reasons. If it is possible to rectify the problem which led us to suspend the account, we will tell you what we need you to do. For example, if we have suspended a joint account because of a dispute, we will allow you to use the account once we receive instructions from all of the account holders, a court order, or if we reasonably believe the dispute has been resolved.

Stopping your use of banking services or cards

10.3 We will stop your use of banking services or cards where:

- (a) we have been told, or we reasonably believe, that an unauthorised person has accessed the banking services using any Security Information;
- (b) we have concerns about the security of the banking services or cards;
- (c) we suspect fraud; or
- (d) additionally in the case of a card, we believe there is a significantly increased risk that you would not be able to repay any debt that has arisen, or that would arise if we continued to allow you to use the card.

10.4 We will tell you if we are stopping the banking service or card, except where we cannot do so for legal or security reasons. We will tell you in advance unless we are unable to contact you, in which case we will tell you as soon as possible afterwards.

10.5 We will restore access or use as soon as possible after the reason for stopping your use of the banking service or card no longer exists.

11. Other events that might happen

Death of an account holder

11.1 If your account is in your sole name, we will suspend the account once we are informed of your death. Your personal representatives must provide a death certificate confirming your death. We will act on the instructions of your personal representatives once we have received satisfactory proof of their authority to act. In the case of a Notice Account, Fixed Term Deposit or Bond, we will allow your personal representatives to close your account early without charge.

The Investec High 5 Issue 2 Account is a **Notice Account**.

1 Availability

- 1.1 The account is only available to Personal Clients.
- 1.2 This is a sterling account only.

The following defined terms are used in these additional conditions:

- AER** Annual Equivalent Rate, which is a notional rate illustrating what the interest rate would be if interest was paid and compounded once a year.
- Eligible Provider** A bank or building society which holds UK customer deposits of at least £5 billion. We will determine which banks and building societies qualify as Eligible Providers on an annual basis using publicly available information. You can find the list of Eligible Providers on our website or ask us for a copy.

 - (3) monthly interest accounts.Moneyfacts will only include in its calculation accounts provided by an Eligible Provider. A copy of Moneyfacts' certification is available on request from us.

Where two or more rates come from any one Eligible Provider the highest rate will apply. Where an interest rate is disqualified for this reason then the next highest interest rate which would apply will be used instead of that rate.
- 4.5 Moneyfacts will then add together the gross rates of the five highest interest rates selected by them and divide by five. The resulting rate will be the AER for the account.
- 4.6 If only five or fewer accounts are eligible for inclusion in Moneyfacts' calculation, Moneyfacts will add together the gross rates of the interest rates for all of the qualifying accounts and will divide by the number of those accounts. The resulting rate will be the AER for the account.
- 4.7 The interest rate determined by Moneyfacts will apply as the interest rate for the account from the Wednesday following the date of calculation to close of business on the following Tuesday (or, if this is not a Working Day, the next Working Day).
- 4.8 If, for any reason, Moneyfacts is unable to provide an interest rate for the account using the rules set out in this condition, then the existing interest rate will continue to apply until expiry of the period of written notice we send you changing the basis on which the interest rate is calculated.
